Set against the backdrop of World War II, the novel begins in a most troublesome period of human history, where subjugated by the might of Nazi Germany, two women meet under extraordinary circumstances. This is the story of Eva Muller, the daughter of a German major in command of the occupying force in Larissa, Greece in 1944. Through the intervention of the village priest she meets Zoe Lambros, a young Greek woman with vengeance in her heart and a faith in God that has been shattered by the death of her family. They develop a friendship borne out of this dark time.

What she can't remember could ruin her life. The Mirror Worlds are but dull reflections of the True World, where magic and technology blend together... On the True World, Belinda Loring has known from childhood that she must Bond with the son of another noble First Family. Uniting the families ensures hers will hold onto its powerful position, and so she's always pushed down the tender feelings she has for her best friend—gorgeous, steadfast Demian, who isn't noble. But when the ceremonial magic goes disastrously wrong, Belinda becomes a national disgrace. Scorned as Broken, she turns to Demian for help getting revenge on the man who ruined her: the radical Malachi. But the seeds of Malachi's murderous plans lie buried in Belinda's past, in the dark days of her kidnapping—a period of which she has no memory. And Demian may hold the key to recovering all that she's lost—and saving the worlds. The Otherselves series is best enjoyed in order. Christina's Rose of a Tear is a collection of poems dedicated to one individual that has helped me through the worst time of my life and has reopened my passion, soul, and heart. She inspired me to write this book in one day. To show that I can still write poems about sorrow and love. It captures my passion for life for one person. The poems reflect my sorrows but mostly my love for one person that put me back together when I was at my lowest. She showed me it was okay to love again. Please enjoy the poems and the passion that are captured in the book.

She sits quietly, mind free from any disturbing thoughts; her sexy, dark eyes glance over the crowded room, a bar on top of the tallest building in the city. She is seeking sex in the eyes of a stranger. Beautiful lips ... he's tall, elegant, and confident. Their eyes meet, angel eyes, dark, deep, and soul penetrating. The stranger approaches her table, he pauses their eyes holding the stare. Will he be the stranger in her imagination? ... never to meet again

He had the face of a true villain, chiseled to perfection. Director Sergio Leone, best-known for "The Man With No Name" spaghetti western trilogy, once described Van Cleef as having the face of a hawk; actor Eli Wallach called it "wonderfully alive" and full of wickedness. As an actor, Van Cleef portrayed some of the best movie villains of all time-Angel Eyes in The Good, The Bad, and The Ugly, and Frank Talby in Day of Anger. Although more than twenty years have passed since his premature death in 1989, Lee Van Cleef remains a cinematic icon for millions of film fans worldwide, and his legacy as the "Best of the Bad" is set in granite. Lee Van Cleef: Best of the Bad explores the life and career of this great actor, a man with unbounded talent and a heart of finely-polished gold. Through interviews and numerous sources, Best of the Bad reveals the real Lee Van Cleef and discusses his roles in For A Few Dollars More, The Good, The Bad, and The Ugly, and Day of Anger, along with chapters on mythic archetypes and historical gunfighters and bounty hunters. Also included is a foreword by Mike Malloy, author of Lee Van Cleef: A Biographical, Film, and Television Reference.

Using personal anecdotes, introspection and the intuitive wisdom of the soul, Rekha gives a very personal and moving account of a 10-year spiritual journey. Unknown to her at the time, this quest began as a child when in deep contemplation and query, she innocently asked, "Who is the real God?" Review Snippets "If you are looking for an extremely well written new story that is different from the norm, I can definitely recommend this book to you. I am anxiously waiting for the next book ...!" - Avonna, The Romance Reviews. "Peppered within the main story arc were lovely moments of tension and unexpected plot twists. This was a smooth read, with depth and development of a wide range of emotions. It is hopeful, romantic, gripping, and original. I loved it and look forward to see how it all develops in the rest of the series." - Kindle Customer "Schulz pens a grand mix of storytelling within Jake's Redemption. It's like fantasy meets cowboy meets romance. I enjoyed the premise of the story and how it played out. It is not always easy to blend genres, but Schulz does it remarkably. The hint of dystopian brings the Jake to Monica's doorstep, and things evolve from there. The story has a great deal of tormented souls and romance, and surviving the obstacles. Schulz certainly can write a good story. I look forward to reading more by this new author." - Amy, Amy's Bookshelf Reviews "Oh My! For a prequel, I didn't expect it to be so in depth and long! I actually expected it to be done in a couple hours, like a lot of other prequels. But WOW! It sucked me in and I was ready to read the next one! But have to wait. But I'm sure it'll be worth it!" - Rachel Menzies, Amazon UK Reviewer "While dystopian, post-apocalyptic stories are not my favored genre, I found this prequel engaging. It's more-including a western theme, a sweet romance, and a glimmer of hope in a dismal swamp of misery-something for everyone." - Colorado Avid Reader Review

People are fascinated by angels who have been with God since the beginning of time. People love to hear the stories of angels coming to people's aid. Indeed, they are known as ministering spirits. However, they have also been used to destroy armies, deliver messages, and carry out God's commands. In the Old Testament, angels are used over and over. They witnessed Satan being cast from heaven after a battle between good and evil. They worshipped God in his throne room. They watched God with wonder as he created Adam. Sadly, they also watched Adam and Eve give in to temptation, allowing evil to take over God's once perfect creation. Generally, their presence causes fear in people. Some people even try to worship them. But what do they think of us? What would the angels say if they could tell the Bible stories from their perspective? The stories from the Old Testament are told by a fictional anonymous angel. The angel not only tells well-knowns stories from his point of view, he also participates in many of the stories as well. The storyteller gives a glimpse into a spiritual world that few people get to see. Based on passages in Revelation and other books of the Bible, the

angel reveals God's holy throne, describes the angelic battle between good and evil, questions man's ill-fated decisions, and grieves with God over man's fall. The angel even explains to us why God made the choices he made. Is it an angel or is it Christ? The angel tells all.

Broken Peace: The Pieces of My Heart By: Chinelle M.K. Carrington Acknowledging and sharing

emotional and/or mental brokenness is still looked upon as taboo by many in our society; however, it is essential to start the healing process. Author Chinelle M.K. Carrington believes that we must address our brokenness by seeking healing and treatment just as we would for a broken arm. She shares eighty plus poems and quotes reflecting her own brokenness during two decades of her life through numerous relationships from her family of origin, high school crushes, college dating, marriage, divorce, and singleness. Everything seems to be opposite The way I think about things and My feelings about things They just go on their own paths Without consideration for a broken heart What am I to do? About me? About you? Is love making me a fool? Or am I a fool in love with you? While on the road to finding true love and embracing God's Love, Chinelle is growing in faith, hope and love as a Christian woman. God has carried her across the seas of the broken peace, broken hearts, and chaotic times of her life. She knows He can do the same for you! Chinelle is passionate about serving and helping others through lending a helping hand, giving a listening ear and providing support in whatever way she can. Chinelle enjoys spending time with her family and friends, eating Trinidadian and Thai foods, listening to her favorite music, adult coloring, photography and poetry.
