

Audrey Hepburn, Elegant Spirit

Now in paperback, an intimate look at the woman the world adored, by the son who adored her with unique photos, drawings, and other rare Audrey memorabilia. She dazzled millions as Gigi. Eliza Doolittle. Holly Golightly. But to her most adoring fan, Audrey Hepburn was best known for her role as "Mummy." In this heartfelt tribute to his mother, Sean Hepburn Ferrer offers a rare and intimate glimpse into the life of one of Hollywood's brightest stars. Audrey Hepburn, An Elegant Spirit is a stunning compilation of nearly 300 photographs, many straight from the family album and never before published; archival documents, personal correspondence, and mementos; even paintings and illustrations from the actress herself. Sean tells Audrey Hepburn's remarkable story, from her childhood in war-torn Holland to the height of her fame to her autumn years far from the camera and the crush of the paparazzi. Sean introduces us to someone whose grace, charm, and beauty were matched only by her insecurity about her appearance and talent, and who used her hard-won recognition as a means to help children less fortunate than her own. With this unique biography, Sean celebrates his mother's history and humanity—and continues her charitable work by donating proceeds from this book to the Audrey Hepburn Children's Fund.

Twenty-five years after her passing, Audrey Hepburn remains the most beloved of all Hollywood stars, known as much for her role as UNICEF ambassador as for films like Roman Holiday and Breakfast at Tiffany's. Several biographies have chronicled her stardom, but none has covered her intense experiences through five years of Nazi occupation in the Netherlands. According to her son, Luca Dotti, "The war made my mother who she was." Audrey Hepburn's war included participation in the Dutch Resistance, working as a doctor's assistant during the "Bridge Too Far" battle of Arnhem, the brutal execution of her uncle, and the ordeal of the Hunger Winter of 1944. She also had to contend with the fact that her father was a Nazi agent and her mother was pro-Nazi for the first two years of the occupation. But the war years also brought triumphs as Audrey became Arnhem's most famous young ballerina. Audrey's own reminiscences, new interviews with people who knew her in the war, wartime diaries, and research in classified Dutch archives shed light on the riveting, untold story of Audrey Hepburn under fire in World War II. Also included is a section of color and black-and-white photos. Many of these images are from Audrey's personal collection and are published here for the first time.

In his distinguished career as a Hollywood photographer, Bob Willoughby took iconic photos of

Marilyn Monroe, Elizabeth Taylor and Jane Fonda, but remains unequivocal about his favourite subject: Audrey Kathleen Ruston, best known as Audrey Hepburn. This title features his photographs that seek out the many facets of Hepburn's beauty and elegance.

Enter Audrey Hepburn's private world in this unique biography compiled by her son that combines recollections, anecdotes, excerpts from her personal correspondence, drawings, and recipes for her favorite dishes written in her own hand, and more than 250 previously unpublished personal family photographs. Audrey at Home offers fans an unprecedented look at the legendary star, bringing together the varied aspects of her life through the food she loved—from her childhood in Holland during World War II, to her time in Hollywood as an actress and in Rome as a wife and mother, to her final years as a philanthropist traveling the world for UNICEF. Here are fifty recipes that reflect Audrey's life, set in the context of a specific time, including Chocolate Cake with Whipped Cream—a celebration of liberation in Holland at the end of the war; Penne alla Vodka—a favorite home-away-from-home dish in Hollywood; Turkish-style Sea Bass—her romance with and subsequent marriage to Andrea Dotti; Boeuf à la Cuillère—Givenchy's favorite dish, which she'd prepare when he'd visit her in Switzerland; and Mousse au Chocolat—dinner at the White House. Audrey also loved the basics: Spaghetti al Pomodoro was an all-time favorite, particularly when returning home from her travels, as was a dish of good vanilla ice cream. Each recipe is accompanied by step-by-step instructions, including variations and preparation tips, anecdotes about Audrey and her life, and a poignant collection of photographs and memorabilia. Audrey at Home is a personal scrapbook of Audrey's world and the things she loved best—her children, her friends, her pets. It is a life that unfolds through food, photographs, and intimate vignettes in a sophisticated and lovely book that is a must for Audrey Hepburn fans and food lovers.

The Life of Audrey Hepburn

The son of the celebrated actress recounts the life of his mother, her most noted performances, and her work as a goodwill ambassador with events in his own life.

A portrait of the celebrated movie actress, as presented by her son, recounts her most noted performances, her work as a goodwill ambassador for UNICEF, and her role as a dedicated wife and mother, in a tribute complemented by previously unpublished photographs and Hepburn's own words. Everyone, it seems, is a fan of Audrey's. She was Gigi, a princess, Holly Golightly, a nun, Maid Marian, even an angel. And we believed her. But Audrey Hepburn was also one of the most admired and emulated women of the twentieth century, who encouraged women to discover their own strength. By example, she not only changed the way women dress--she forever altered the way they viewed themselves. But her beauty was more than skin deep. "You know the Audrey you saw onscreen? Audrey was like that in real life, only a million times better," says Jeffrey Banks. For the first time, this style biography reveals the details--fashion and otherwise--that contributed so greatly to Audrey's iconic look. Original interviews with Hubert de Givenchy, Gregory Peck, Nancy Reagan, Doris Brynner, and Audrey Wilder, as well as reminiscences of her friends like Steven Spielberg, Ralph Lauren, noted Hollywood photographer Bob Willoughby, Steven Meisel, and Kevyn Aucoin, Audrey Style gives measure to the grace, humor, intelligence, generosity, and inimitable fashion sense that was Audrey Hepburn.

From popular TV correspondent and writer Rocca comes a charmingly irreverent and rigorously researched book that celebrates the death of a woman who made life worth living.

Audrey Hepburn collection of 50 best quotes

A debut collection of poems by a poet whose works has appeared in Poetry, Colorado Review, and New England Review evokes Catullus, Petrarch, Spenser, Chaucer, Foucault, and others. Original.

Infatuated with actress Audrey Hepburn, young Toshi comes of age in Tokyo, where he tries to make a living while balancing family secrets, American friends and lovers, and his own burgeoning identity

Vivien Leigh's mystique was a combination of staggering beauty, glamour, romance, and genuine talent displayed in her Oscar-winning performances in Gone With the Wind and A Streetcar Named Desire. For more than thirty years, her name alone sold out theaters and cinemas the world over, and she inspired many of the greatest visionaries of her time: Laurence Olivier loved her; Winston Churchill praised her; Christian Dior dressed her.

Through both an in-depth narrative and a stunning array of photos, Vivien Leigh: An Intimate Portrait presents the personal story of one of the most celebrated women of the twentieth century, an engrossing tale of success, struggles, and triumphs. It chronicles Leigh's journey from her birth in India to prominence in British film, winning the most-coveted role in Hollywood history, her celebrated love affair with Laurence Olivier, through to her untimely death at age fifty-three in 1967. Author Kendra Bean is the first Vivien Leigh biographer to delve into the Laurence Olivier Archives, where an invaluable collection of personal letters and documents ranging from interview transcripts to film contracts to medical records shed new insight on Leigh's story. Illustrated by hundreds of rare and never-before-published images, including those by Leigh's "official" photographer, Angus McBean, Vivien Leigh: An Intimate Portrait is the first illustrated biography to closely examine the fascinating, troubled, and often misunderstood life of Vivien Leigh: the woman, the actress, the legend.

A rare glimpse into the woman behind the mystique and the definitive guide to living genuinely with glamour and grace. "Living is like tearing through a museum. Not until later do you really start absorbing what you saw, thinking about it, looking it up in a book and remembering—because you can't take it all in at once."—Audrey Hepburn

On many occasions, Audrey Hepburn was approached to pen her autobiography, the definitive book of Audrey, yet she never agreed. A beloved icon who found success as an actress, a mother, and a humanitarian, Audrey Hepburn perfected the art of gracious living. More philosophy than biography, How to Be Lovely revisits the many interviews Audrey gave over the years, allowing us to hear her voice directly on universal topics of concern to women the world over: careers, love lives, motherhood and relationships. Enhanced by rarely seen photographs, behind-the-scenes stories, and insights from the friends who knew her well, How to Be Lovely

uncovers the real Audrey, in her own words.

this fast-paced and superbly written novel. Rome in Love will capture the hearts of readers everywhere. "A timeless classic" (San Antonio Express-News), reissued with a new foreword, afterword, and ten percent more material about a black man who spent seventeen years on a brutal Texas prison plantation and underwent a remarkable transformation. First published in 1984, Racehoss: Big Emma's Boy is Albert Race Sample's "unforgettable" (The Dallas Morning News) tale of resilience, revelation, and redemption. Born in 1930, the mixed-race son of a hard-drinking black prostitute and a white cotton broker, Sample was raised in the Jim Crow South by an abusive mother who refused to let her son—who could pass for white—call her Mama. He watched for the police while she worked, whether as a prostitute, bootlegger, or running the best dice game in town. He loved his mother deeply but could no longer take her abuse and ran away from home at the age of twelve. In his early twenties, Sample was arrested for burglary, robbery, and robbery by assault and was sentenced to nearly twenty years in the Texas prison system in the 1950s and 60s. His light complexion made him stand out in the all-black prison plantation known as the "burnin' hell," where he and over four hundred prisoners picked cotton and worked the land while white shotgun-carrying guards followed on horseback. Sample earned the moniker "Racehoss" for his ability to hoe cotton faster than anyone else in his squad. A profound spiritual awakening in solitary confinement was a decisive moment for him, and he became determined to turn his life around. When he was finally released in 1972, he did just that. Though Sample was incarcerated in the twentieth century, his memoir reads like it came from the nineteenth. With new stories that had been edited out of the first edition, a foreword by Texas attorney and writer David R. Dow, and an afterword by Sample's widow, Carol, this new edition of Racehoss: Big Emma's Boy offers a more complete picture of this extraordinary time in America's recent past.

An Audrey Hepburn Biography

Enchantment

Looking back on her own traumatic childhood and the early death of her husband, the author discusses her anguish over the suicide of her twenty-four-year-old son and her struggle to cope with the pain and grief over the death of her child. Before Breakfast at Tiffany's Audrey Hepburn was still a little-known actress with few film roles to speak of; after it – indeed, because of it - she was one of the world's most famous fashion, style and screen icons. It was this film that matched her with Hubert de Givenchy's "little black dress". Meanwhile, Truman Capote's original novel is itself a modern classic selling huge numbers every year, and its high-living author of perennial interest. Now, this little book tells the story of how it all happened: how Audrey got the role (for which at first she wasn't considered, and which she at first didn't want); how long it took to get the script right; how it made Blake Edwards' name as a director after too many trashy films had failed to; and how Henry Mancini's soundtrack with its memorable signature tune 'Moon River' completed the irresistible package. This is the story of how one shy, uncertain, inexperienced young actress was persuaded to take on a role she at first thought too hard-edged and amoral – and how it made Audrey Hepburn into gamine, elusive Holly Golightly in the little black dress - and a star for the rest of her life.

of this beautiful, elusive and talented woman. Tracing her astonishing rise to stardom, from her harrowing childhood in Nazi-controlled Holland during World War II to her years as a struggling ballet dancer in London and her Tony Award-winning Broadway debut in *Gigi*, Spoto illuminates the origins of Audrey's tenacious spirit and fiercely passionate nature. She would go on to star in some of the most popular movies of the twentieth century, including *Roman Holiday*, *Sabrina*, *Funny Face*, *The Nun's Story*, *Breakfast at Tiffany's* and *My Fair Lady*. A friend and inspiration to renowned designer Hubert de Givenchy, Audrey also emerged as a fashion icon and her influence on women's fashion virtually unparalleled to this day. Behind the glamorous public persona, Audrey was a different and deeper person and a woman who craved love and affection. Donald Spoto offers remarkable insights into her professional and personal relationships with her two husbands, and with celebrities such as Gregory Peck, William Holden, Fred Astaire, Gary Cooper, Robert Anderson, Cary Grant, Peter O'Toole, Albert Finney and Ben Gazzara. The turbulent romances of her youth, her profound sympathy for the plight of hungry children, and the thrills and terrors of motherhood prepared Audrey for the final chapter in her life, as she devoted herself entirely to the charity efforts of an organization that had once come to her rescue at the end of the war: UNICEF.

Fashion goddess; UNICEF heroine; Givenchy's twinkly-eyed muse: there'll never be anyone quite like Audrey Hepburn. But there's more to the effortlessly classy Hollywood starlet than meets the eye. Did you know, for instance, that Audrey kept a pet fawn named Pippin? That she was a gifted linguist, fluent in five different languages? That she inherited her poise from a Dutch baroness mother? That there's a breed of snowy tulip named after her? Or perhaps that Henry Mancini wrote 'Moon River' especially for her? Filled with fascinating facts and stunning photos, *100 Reasons to Love Audrey Hepburn* reveals the woman behind the little black dress.

The life of a beloved American composer reflected through his music, writings, and letters. New York City native and gifted pianist George Gershwin blossomed as an accompanist before his talent as a songwriter opened the way to Broadway, where he fashioned his own brand of American music. He composed a long run of musical comedies,

many with his brother Ira as lyricist, but his aspirations reached beyond commercial success. A lifetime learner, Gershwin was able to appeal to listeners on both sides of the purported popular-classical divide. In 1924—when he was just twenty-five—he bridged that gap with his first instrumental composition, *Rhapsody in Blue*, an instant classic premiered by Paul Whiteman's jazz orchestra, as the anchor of a concert entitled "An Experiment in Modern Music." From that time forward his work as a composer, pianist, and citizen of the Jazz Age made him in some circles a leader on America's musical scene. The late 1920s found him extending the range of the shows he scored to include the United Kingdom, and he published several articles to reveal his thinking about a range of musical matters. Moreover, having polished his skills as an orchestrator, he pushed boundaries again in 1935 with the groundbreaking folk opera, *Porgy and Bess*—his magnum opus. Gershwin's talent and warmth made him a presence in New York's musical and social circles (and linked him romantically with pianist-composer Kay Swift). In 1936 he and Ira moved west to write songs for Hollywood. Their work was cut short, however, when George developed a brain tumor and died at thirty-eight, a beloved American artist. Drawing extensively from letters and contemporaneous accounts, acclaimed music historian Richard Crawford traces the arc of Gershwin's remarkable life, seamlessly blending colorful anecdotes with a discussion of Gershwin's unforgettable oeuvre. His days on earth were limited to the summertime of life. But the spirit and inventive vitality of the music he left behind lives on.

"UNICEF thought that with my mother they would get a pretty princess to show up at galas. What they really got was a badass soldier." — Luca Dotti, Audrey Hepburn's son. **Warrior: Audrey Hepburn completes the story arc of Robert Matzen's Dutch Girl: Audrey Hepburn and World War II.** Hepburn's experiences in wartime, including the murder of family members, her survival through combat and starvation conditions, and work on behalf of the Dutch Resistance, gave her the determination to become a humanitarian for UNICEF and the fearlessness to charge into war-torn countries in the Third World on behalf of children and their mothers in desperate need. She set the standard for celebrity humanitarians and--according to her son Luca Dotti--ultimately gave her life for the causes she espoused.

“A sumptuous book which will delight idolaters of high fashion and movie stardom.” *Times Literary Supplement* Audrey Hepburn is a sumptuous celebration of Hepburn as a beloved fashion icon and actress. Karney tells the story of Hepburn’s life, from her childhood in Nazi-occupied Holland, through her early aspirations to become a ballet dancer, the instant and universal acclaim of her onscreen debut and her years as one of Hollywood’s most sought-after stars, to her later life working among the poorest children of the Third World. Karney’s book gives fans a rare view into the life of a beloved star. Hepburn’s acting career began after a series of minor revue and film roles in London. Hepburn was spotted by the writer Colette, who immediately cast her in the central role of a Broadway adaptation of her story, *Gigi*. Soon afterwards, Hepburn was offered a role alongside Gregory Peck in *Roman Holiday*, for which she collected an Oscar for Best Actress. The book highlights all her success that followed: she won the Tony Award for Best Actress for *Ondine*, captivated audiences as Natasha in *War and Peace*, and was highly praised for her brilliance in a serious role in *The Nun’s Story*. Hepburn’s style was perfection, and her clothes—many of them designed by Givenchy, who dressed her for *Funny Face* in 1957—placed her on the world’s Best-Dressed Women list for several consecutive years. Her personality and sensuous yet untouchable beauty made her irresistible to the public. On Hepburn’s death, Liz Taylor said, “God has a most beautiful new angel now that will know just what to do in heaven.” Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
