Summary of Awaken the Giant Within

“Most people fail in life simply because they major in minor things.”

“Any time you sincerely want to make a change, the first thing you must do is to raise your standards. When people ask me what really changed my life

Read Book Awaken The Giant Within : How To Take

Immediate Control Of Your
Mental, Emotional, Physical
And Financial Destiny!

eight years ago, I tell them that absolutely the most important thing was changing what I demanded of

myself. I wrote down all the things I would no longer accept in my life, all the things I would no longer tolerate, and all the things that I aspired to becoming.” “You see, in life, lots of people know what to do, but few people actually do what they know. Knowing is not enough! You must take action.” “Once you have mastered time, you will understand how true it is that most people overestimate what they can accomplish in a year— and underestimate what they can achieve in a decade!” How to create lasting change: Raise your standards Change your limiting beliefs Change your strategy Here is a Preview of What

book he shares his most effective strategies and techniques for mastering your emotions, your body, your

relationships, your finances, and your life. Ask any person and you're bound to get the same answer, every individual has a dream. Every person dreams of achieving his or her ambitions, whether it's now or in the future. At some point, all people wonder what they could do with their lives. Even if they don't say it out loud, most people have a vision of sorts for the type of life they desire. However, only a few individuals manage to make their dreams come true. Everyday problems and struggles often distract people, obscuring and ultimately pushing their dreams and ambitions at the bottom of their to-do list. Over

wants to increase their energy and strength, to those looking for healing. Life Force provides answers that can transform and even save your life, or that of someone you love.

Minimalism is the thing that gets us past the things so we can make room for life's most important things—which actually aren't things at all. At age 30, best friends Joshua Fields Millburn & Ryan Nicodemus walked away from their six-figure corporate careers, jettisoned most of their material possessions, and started focusing on what's truly important. In their debut book, Joshua & Ryan, authors of the popular website The Minimalists, explore their troubled pasts and descent into depression. Though they had achieved the American Dream,

Read Book Awaken The Giant Within : How To Take

Immediate Control Of Your Mental, Emotional, Physical And Financial Destiny)

they worked ridiculous hours, wastefully spent money, and lived paycheck to paycheck. Instead of discovering their passions, they pacified themselves with ephemeral indulgences—which only led to more debt, depression, and discontent. After a pair of life-changing events, Joshua & Ryan discovered minimalism, allowing them to eliminate their excess material things so they could focus on life's most important "things": health, relationships, passion, growth, and contribution.

Inner Strength

Summary, Analysis & Review of Tony Robbins's Awaken the Giant Within by Instarea

A smart, sexy guide to embracing the repressed, tabooed, and often unwanted aspects of ourselves so we can discover our inner power and finally live the life we deserve. 'We always get exactly what we want; but often, though we may not be aware of it, what we most want is dark - very dark.' Each of us has a dual nature: we are light (conscious) and dark

Read Book Awaken The Giant Within : How To Take

Immediate Control Of Your
Mental, Emotional, Physical
And Financial Destiny!

(unconscious). The dark side of our personality - the "other," the shadow side - is made up of what we think is our primitive, primal, negative impulses - our "existential kink." Our existential kink also drives the dark or negative repeating patterns in our life: always choosing the abusive partner or boss, settling for less, thinking that we're undeserving, not worthy. But it also is the source of our greatest power. In *Existential Kink*, Carolyn Elliot, PhD, offers a truth-telling guide for bringing our shadow into the light. Inviting us to make conscious the unconscious,

Read Book Awaken The Giant Within : How To Take

Immediate Control Of Your
Mental, Emotional, Physical
And Financial Destiny!

Elliot asks us to own the subconscious pleasure we get from the stuck, painful patterns of our existence. Existential Kink provides practical advice and meditations so we truly see our shadow side's "guilty pleasures," love and accept them, and integrate them into our whole being. By doing so, Elliot shows, we bring to life the raw, hot, glorious power we all have to get what we really want in our lives.

may be self-interested schemers, we benefit by pretending otherwise.

The less we know about our own ugly motives, the better - and thus we don't like to talk or even think about the extent of our selfishness. This is "the elephant in the brain." Such an introspective taboo makes it hard for us to think clearly about our nature and the explanations for our behavior. The aim of this book, then, is to

confront our hidden motives directly - to track down the darker, unexamined corners of our psyches and blast them with floodlights. Then, once everything is clearly visible, we can work to better understand ourselves: Why do we laugh? Why are artists sexy? Why do we brag about travel? Why do we prefer to speak rather than listen? Our unconscious motives drive more than just our private behavior; they also infect our

lives. Even if they don't say it out loud, most people have a vision of sorts for the type of life they desire. However, only a few individuals manage to make their dreams come true. Everyday problems and struggles often distract people, obscuring and ultimately pushing their dreams and ambitions at the bottom of their to-do list. Over time, the same dreams become relegated to the world of fantasy and eventually the once vivid dream becomes something impossible to obtain. Available in a variety of formats, this summary is aimed for those who want to capture the gist of the book but don't

Success is attainment, without regard to the things attained. Success is essentially the same in all cases; the difference is in the things the successful people want, but not in the success. Success is essentially the same, whether it results in the attainment of health, wealth, development or position; success is attainment, without regard to the things attained. And it is a law in nature that like causes always produce like effects. You will learn many of the hidden secrets of Prof. Wattles and the art and science of success in this book.

relationships, career, finances, and personal lives. Everyone is born with the capacity to be happy and achieve their greatest destiny, but not everyone is happy and fulfilled. To illustrate the powerful lessons he's learned about success, personal growth, and transformation, Robbins taps into his years of experience as a personal and professional coach, his own experience in surmounting obstacles and thriving, and anecdotes about high-achieving people. He indicates that these lessons are available for anyone to apply regardless of background or past failures. At one time or another,
