everything your baby is learning, as well as all the new experiences, such as feeding and sleeping patterns and baby's favorite bathtime toy. You'll also record developmental milestones and those all-important "firsts," from your first night at home together to baby's first steps. There is also space to note information about the world your little one was born into, such as who was president, popular music, and prices of stamps and milk. A month-by-month section allows you to keep track of your baby's constant achievements and changing behavior, and also includes advice from Annabel Karmel on your baby's development and handy tips to encourage it. Five recipes will inspire you to make delicious, healthy food for your baby at various stages, as well as marking celebrations, such as a first birthday cake. Pockets and spaces for photographs are included throughout to make sure every milestone is documented. This book will become a wonderful and unique memento of the first year of your child's life, to look back on and share with your child over the years.
