Be an amazing boyfriend for your girlfriend and surprise her with this wonderful gift! Let this notebook serve her in a wonderful way :) - 100 Pages - Simple notebook with a modern and stylish design - Clear white pages with lines - Dimensions: 6" x 9"

Isadore Mouse, who doesn't exactly have a way with words, finds it difficult to tell his friend Athena that he wants her to be his valentine.

Amelia Bedelia goes to school and mixes up just about everything in this bright and funny picture book about the childhood of the iconic character. In the first book in the nationally bestselling series about the childhood of America's favorite literal-minded housekeeper, Amelia Bedelia is sure that she will absolutely love school—after all, what's not to love? But after hopping on the bus “just like a bunny” (hurry up, sweetie!), confusing her name tag with a game (we are not playing tag), and gluing herself to her seat (oh, dear), Amelia Bedelia discovers that what she takes for granted is not always the way the world works. Still, friendships are formed, lessons are learned, and projects are completed, and through it all Amelia Bedelia's teacher, Mrs. Edwards, offers gentle guidance and an open heart. The Amelia Bedelia books have sold more than 35 million copies!
