

Beg: Not Until You, Part 5 (Loving On The Edge Series)

I want my life to be read like a good story—a story that is eventful. I want my life to be so much more than just survival. I will not feel cheated on my deathbed and think, *Is this all there is?* I would hope you feel the same. I would also like to be the author of my own story. This is the exact opposite of being a victim, who must live a life authored by others. Statistics show that we grow older and older, but we question the content in many people's lives. It's not the years in your life that count; it's the life in your years! Many people live their lives based on old hypothesis which have been proven wrong. Through new neuroscience you will be guided to get an understanding on how the body and mind cooperates, so you can be able to fulfill your wishes and desires. Join me on a journey towards how you can create your own future.

Because Ian Foster doesn't play games he can't win. Foster knows his desires aren't for the faint of heart, especially not for someone as sweet and innocent as his pretty neighbor. great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

Satan has placed highly trained and skilled taskmasters over you to afflict many with pain, low self-esteem, and a poverty mentality. A taskmaster is something or someone designed just for you, to keep you in bondage and an impoverished state of mind. The enemy wants to keep you immobile. You know what you want to do and what you need to do, but you can ' t function, because the enemy has left you paralyzed. Even though you want to move, and even though you have the strength to move, a voice inside your head keeps talking to you. It keeps saying the same thing over and over again. That

voice is designed to keep the cycle of bad thoughts in your head. If we refuse to terminate the cycle and allow it to be passed down from generation to generation, you will keep producing stagnated, non-prospering offspring who will never progress in their spiritual walk. That ' s why it is so important to renew our minds with right thinking.
