

Between Heaven And The Real World: My Story

****NEW YORK TIMES BESTSELLER** Her story. His story. The love story of Joey and Rory. By inviting so many into the final months of Joey's life as she battled cancer, Joey and Rory Feek captured hearts around the world with how they handled the diagnosis; the inspiring, simple way they chose to live; and how they loved each other every step of the way. But there is far more to the story. "My life is very ordinary," says Rory. "On the surface, it is not very special. If you looked at it, day to day, it wouldn't seem like much. But when you look at it in a bigger context—as part of a larger story—you start to see the magic that is on the pages of the book that is my life. And the more you look, the more you see. Or, at least, I do." In this vulnerable book, he takes us for the first time into his own challenging life story and what it was like growing up in rural America with little money and even less family stability. This is the story of a man searching for meaning and security in a world that offered neither. And it's the story of a man who finally gives it all to a power higher than himself and soon meets a young woman who will change his heart forever. In *This Life I Live*, Rory Feek helps us not only to connect more fully to his and Joey's story but also to our own journeys. He shows what can happen when we are fully open in life's key moments, whether when meeting our life companion or tackling an unexpected tragedy. He also gives never-before-revealed details on their life together and what he calls "the long goodbye," the blessing of being able to know that life is going to end and taking advantage of it. Rory shows how we are all actually there already and how we can learn to live that way every day. A gifted man from nowhere and everywhere in search of something to believe in. A young woman from the Midwest with an angelic voice and deep roots that just needed a place to be planted. This is their story. Two hearts that found each other and touched millions of other hearts along the way.**

So how should we spend our time on Earth? Don Piper, the Minister of Hope who spent 90 minutes in Heaven, brings us God's message. Hope for the here and now from the multimillion-selling author of *90 Minutes in Heaven*. Millions believe in Heaven. Don Piper's been there. He was pronounced dead after a car accident on January 18, 1989. Ninety minutes later, Piper came back to life with an extraordinary story. His *90 Minutes in Heaven* has strengthened the faith of countless people. When Piper returned to this life, he had a long road back to health, dealing with painful treatments and physical disabilities—the "new normal," as Piper calls it. Still, he had been transformed spiritually and this allowed him not only to cope with his suffering, but to transcend it. Piper found purpose in his pain, he found the message in the mess, and so can anyone else who embraces God's grace in the here and now—as well as the Hereafter. Don Piper did not return from Heaven alone—he brought the gift of hope back with him. Those who read *Heaven Is Real* can use what he learned to live the lives God has called them to live.

Be Transformed by a Glimpse of Paradise · What will heaven be like? What will we do? Who will we see? · How can I become more excited about heaven as my true home? · Is it possible that knowing more about heaven will result in greater joy and purpose in my daily life? It's not easy separating fact from fiction when it comes to heaven, nor is it always easy to see how the afterlife can affect our lives today. After a car accident caused his nineteen-year-old son to unexpectedly enter heaven, Pastor Steve Berger chose to reject despair and commit himself to carefully studying his son's new, eternal home. He had no idea how much there was to learn, and his life hasn't been the same since. This biblical and deeply personal study of heaven will give you hope for the future. But more than that, it will show you what it means to live today in light of the reality of heaven. If your view of heaven isn't life-changing, it needs to be adjusted. Let Pastor Berger's exploration of eternity fill you with overflowing hope, courage, and purpose. "Sometimes we feel stuck--stuck between the hope of heaven and the pain of this world. In *Between Heaven and Earth*, my friend Steve Berger shows us how to not only live in that tension, but how--and why--we should embrace it."--Dave Ramsey, *New York Times* bestselling author and nationally syndicated radio show host "I grew up hearing people say, 'Some Christians are so heavenly minded they are of no earthly good.' Nowadays it seems like the church has become so earthly minded we're of no heavenly good. In *Between Heaven and Earth*, my friend Pastor Steve Berger shows us the absolute necessity of having a heavenly mind-set (Colossians 3:1-2) in order to make a real difference in people's lives while we remain on earth. Embrace the truths of this book--learn how to have your heart in heaven and your hand in the harvest. It's one decision you'll never regret!"--Jeremy Camp "When my friend Steve Berger talks about heaven, I sit up and listen. I've walked with Steve as he's faced the trials of this life, and I've observed how he has emerged with a deeper faith and love for the Father and the people around him. What he has taught me makes me long for heaven. It also makes me want to spend my time on earth making a difference . . . and finishing well."--Michael W. Smith "A beloved pastor and teacher, Steve Berger taught for years on the reality of heaven even as we serve Christ on earth, never knowing that one tragic event would bring both realities irrevocably into sharp focus in a moment. . . . Some of God's greatest mysteries are wrapped up in tragedy, but the tear-stained wisdom mined in that darkness is a gift to us all. In this marvelous book, heaven will become a greater reality even as we are invited to live our lives on earth with greater passion."--Sheila Walsh, author of *The Storm Inside* "Steve has a rich, compelling perspective on Glory that will give you fresh grace to lean into the perfect love of Jesus today. Therefore, I encourage readers not to stop at just one--instead buy a whole case of these puppies and pass them out to all your friends and family!"--Lisa Harper, author, Bible teacher and Women of Faith speaker "In stark contrast to the Bible--and the whole of Christian history--today's believers think little about heaven and much about the comforts, challenges, and distractions of this life. In this much-needed corrective, Pastor Steve Berger challenges and equips us to be more heavenly minded, so we can, in fact, be more earthly good."--Michael Hyatt, *New York Times* bestselling author

There's so much more to the story. Todd and Sonja Burpo's almost-four-year-old son Colton made an unforgettable trip to heaven and back during the darkest,

most-stressed-out days of their lives. Times were tough, money was scarce and the bills, frustrations, and fears were piled high. The story of Colton's visit to heaven changed their lives—and the book they wrote about it, *Heaven Is for Real*, gave new hope to millions of readers. In *Heaven Changes Everything*, the Burpos share details about their experience and about Colton's visit to heaven that they weren't able to include in the original story or in the Sony Pictures release of the *Heaven Is for Real* movie. Practical and inspiring, the short essays shed light on living with a miracle and the afterlife, each ending with a relevant scripture. Listen in as Todd, and for the first time ever Sonja, from her perspective as a mom, show you how believing heaven is for real helps us survive hardships here on earth, including the death of a loved one or the loss of a child through tragedy, miscarriage, or even abortion. This newly revised edition offers bonus material including: New foreword Never-before-seen family photos Favorite scenes from the movie Q&A section Come see how heaven can indeed touch earth and change everything.

*NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.*

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Real Heaven

It was early in the morning while I was on my way to the store. I wanted confirmation regarding what God had done and what he wanted me to do. He reminded me to write the things that I saw when the sovereign God of the universe revealed himself to me when I was dead to the flesh but alive in my spiritual body. I was taken out of my physical body and appeared in that large room in the heavens where the first judgement takes place for all humanity. God said, "I will do whatever I want and with whom I want for my pleasure." He said the title of the book will be *God, the Creator of Heaven and Earth, Is Real: I Have Seen His Face*.

"This story has incredible intrigue and emotional power." --Randall Wallace, Director *Heaven Is for Real*, *We Were Soldiers*, and *Secretariat* "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." When four-year-old Colton Burpo made it through an emergency appendectomy his family was overjoyed at his miraculous survival. What they weren't expecting, though, was the story that emerged in the following months—a story as beautiful as it was extraordinary, detailing their little boy's trip to heaven and back. This true story, retold by his father but using Colton's uniquely simple words, offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." *Heaven is for Real* will forever change the way you think of eternity, offering the chance to see, and believe like a child. This is the book you've been waiting for! Picking up where bestselling 90 Minutes in Heaven left off, Don Piper reveals for the first time the sacred, intimate details of the people who met him at the gates of heaven and the profound impact they had on his faith on earth. In this incredible follow-up to his eight-million-copy bestseller, 90 Minutes in Heaven, Don Piper shares untold stories about his encounters with people who greeted him at the gates of heaven, and offers powerful insights about the way for us to live our lives on earth. Don Piper's unforgettable account of a horrific car accident that took his life, and what happened next has riveted more than eight million readers. Something happened as he shared his story in the years since. Not only did Piper realize he had more to tell, he had yet to share the most sacred and intimate details of his time in heaven about the people who met him at the gates. "I have never left a speaking engagement without people wanting to know more," he said in THE PEOPLE I MET IN HEAVEN, Piper takes readers deeper into his experience, which includes never-before-told encounters with the people who met him when he arrived in heaven-those who helped him on his journey that led to the entrance to God's heavenly home. Even more, Piper recounts the majesty of heaven and the glorious reunion that awaits us there. He offers practical insights, inspiration, and a challenging call that while we're on earth we need to obey Jesus' command to "go and make disciples of all nations."

A doctor's account of her own experience of death, heaven and return to life with a new realization of her purpose on earth. Dr Mary Neal, an orthopaedic surgeon, was on a kayaking holiday in Chile. Sceptical of near death experiences, she was to have her life transformed when her kayak became wedged in rocks at the bottom of a waterfall and was underwater for so long that her heart stopped. To Heaven And Back is Mary's faith-enriching story of her spiritual journey, her first-hand experience of heaven and its continuing life-enhancing effects.

Between Heaven and Earth explores the relationships men, women, and children have formed with the Virgin Mary and the saints in twentieth-century American Catholic history, and reflects, more broadly, on how people live in the company of sacred figures and how these relationships shape the ties between people on earth. In this boldly argued and beautifully written book, Robert Orsi also considers how scholars of religion occupy the ground in between belief and analysis, faith and scholarship. Orsi infuses his analysis with an autobiographical voice steeped in his own Italian-American Catholic background--from the devotion of his uncle Sal, who had cerebral palsy, to a "crippled saint," Margaret of Castello; to the bond of his Tuscan grandmother with Saint Gemma Galgani. Religion exists not as a medium of making meanings, Orsi maintains, but as a network of relationships between heaven and earth involving people of all ages as well as the many sacred figures they hold dear. Orsi argues that modern academic theorizing about religion has long sanctioned dubious distinctions between "good" or "real" religious expression on the one hand and "bad" or "bogus" religion on the other, which marginalize these everyday relationships with sacred figures. This book is a brilliant critical inquiry into the lives that people make, for better or worse, between heaven and earth, and into the ways scholars of religion could better study of these worlds.

INTERNATIONAL BEST SELLER HEAVEN IS SO REAL! WITH OVER 1 MILLION COPIES SOLD Do you believe heaven really exists? Choo Thomas retells a stunning, personal story of how she saw the living Christ, visited Hell, and walked in Heaven. "On January 19, 1996, I woke up at 3:00 in the morning. My body was shaking...I turned my head on the pillow to look in the direction of the sound, and there, all aglow, was a figure dressed in white garments. IT WAS THE LORD..." How could this be happening to me? I wondered...as I began to tremble...and to weep tears of love and joy. "My daughter...I am your Lord, and I want to talk to you. I am going to visit you many times before this work is done." "The impact of His voice, His words, His message hit me with a supernatural force..." Not once not twice but ten times that month, the Lord Jesus appeared by her bedside and spoke to her. Then the journey began.... SHARE Choo's humble narrative, as each heavenly visit prepares her for the next. SENSE the growing wonder of Jesus presence. FEEL the weight of His tender words. JOURNEY through heaven led by the Savior learning His holy thoughts. HEAR the heart-tearing, supernatural words spoken from the throne. DRINK in the Spirit of God. WONDER at the beauty of this revelation of heaven.

True Stories From People Who Have Glimpsed the World Beyond

Your Real Home...From a Higher Perspective

What happens when we die? What is heaven really like? How do spiritual beings--angels and demons--interact with us here and in the hereafter? Real-life, credible stories of near-death experiences and spiritual encounters gathered by the authors of Heaven and the Afterlife paint a clearer, fuller picture of exactly what readers can expect when it's their turn to "cross over."

These gripping true stories--written from a solidly biblical perspective but accessible to seekers--provide fascinating glimpses into the spiritual world around us and the one that awaits us.

DJ is David McLean's eldest grandson, so it stands to reason that he be the one to scatter his beloved grandfather's ashes. At least that's how DJ sees it. He's always been the best at everything—sports, school, looking after his fatherless family—so climbing Kilimanjaro is just another thing he'll accomplish almost effortlessly. Or so he thinks, until he arrives in Tanzania and everything starts to go wrong. He's detained at immigration, he gets robbed, his climbing group includes an old lady and he gets stuck with the first ever female porter. Forced to go polepole (slowly), DJ finds out the hard way that youth, fitness level and drive have nothing to do with success on the mountain—or in life. DJ's adventures start in Jungle Land, part of The Seven Prequels and continue in Sleeper, part of The Seven Sequels.

In August in Rio Seco, California, the ground is too hard to bury a body. But Glorette Picard is dead, and across the canal, out in the orange groves, they'll gather shovels and pickaxes and soak the dirt until they can lay her coffin down. First, someone needs to find her son Victor, who memorizes SAT words to avoid the guys selling rock, and someone needs to tell her uncle Enrique, who will be the one to hunt down her killer, and someone needs to brush out her perfect crown of hair and paint her cracked toenails. As the residents of this dry-creek town prepare to bury their own, it becomes clear that Glorette's life and death are deeply entangled with the dark history of the city and the untouchable beauty that, finally, killed her.

A New York Times bestselling historian of early Christianity takes on two of the most gripping questions of human existence: where did the ideas of heaven and hell come from and why do they endure? What happens when we die? A recent Pew Research poll showed that 72% of Americans believe in a literal heaven and 58% believe in a literal hell. Most people who hold these beliefs are Christian and assume they are the age-old teachings of the Bible. But eternal rewards and punishments are found nowhere in the Old Testament and are not what Jesus or his disciples taught. So where did these ideas come from? In this "eloquent understanding of how death is viewed through many spiritual traditions" (Publishers Weekly, starred review), Bart Ehrman recounts the long history of the afterlife, ranging from The Epic of Gilgamesh up to the writings of Augustine, focusing especially on the teachings of Jesus and his early followers. He discusses ancient guided tours of heaven and hell, in which a living person observes the sublime blessings of heaven for those who are saved and the horrifying torments of hell for those who are damned. Some of these accounts take the form of near death experiences, the oldest on record, with intriguing similarities to those reported today. One of Ehrman's startling conclusions is that there never was a single Greek, Jewish, or Christian understanding of the afterlife, but numerous competing views. Moreover, these views did not come from nowhere; they were intimately connected with the social, cultural, and historical worlds out of which they emerged. Only later, in the early Christian centuries, did they develop into notions of eternal bliss or damnation widely accepted today. In this "elegant history" (The New Yorker), Ehrman helps us reflect on where our ideas of the afterlife come from. With his "richly layered-narrative" (The Boston Globe) he assures us that even if there may be something to hope for when we die, there certainly is nothing to fear.

GOD IS FOR REAL, a new book from author of the best-seller HEAVEN IS FOR REAL, addresses soul-searching questions about God, like What is God like? Why are things the way they are in spite of who God is? If Todd's first book, Heaven Is for Real, was about the then and there of heaven, GOD IS FOR REAL is about the here and now on earth: Why are there are so many hypocritical church people? Why do Christians make such a big deal about the cross? Why doesn't God seem to answer our biggest prayers? People are tired of pat answers offered up in churchy language explaining away their questions; we want the down-and-dirty truth. What bothers us about life and faith is real and gritty. We need a plain-spoken voice to offer God's answers to difficult struggles and painful doubts. Todd charges into these subjects with a fireman's courage, a small-town friend's vulnerability, and a local pastor's compassion. He helps articulate the questions people have, then gives them relevant biblical wisdom for taking their next steps in faith. God is ready to meet you! Are you ready to meet Him?

For decades, Steven Curtis Chapman's music and message have brought hope and inspiration to millions around the world. Now, for the first time, Steven openly shares the experiences that have shaped him, his faith, and his music in a life that has included incredible highs and faith-shaking lows. Heaven has received a lot of attention in recent years as bestselling books and movies have told the stories of people who claim to have been there. But what does the Bible actually say about heaven? What difference does it make? What happens the moment after we die? What will our relationships be like in heaven? Chip Ingram sets aside the hype and myths and digs into the Scriptures to discover what God actually wants us to know about the hereafter. Most importantly, Ingram shows why our understanding of heaven matters now, in this life. Because what we believe about heaven actually affects us today in ways we may not have imagined.

A true story book, written by Tony Davis and Avan C. Hardwell.....In Los Angeles, CA ? As he lay in the middle of a Los Angeles street near death after being shot several times at close range, Minister Tony Davis had an out-of-body experience where he saw heaven. While witnesses and medical personnel stood in disbelief scrambling to give much-needed CPR and rush him to the hospital, Davis was able to clearly see a brilliant kaleidoscope of heavenly colors and images. This experience is chronicled in great detail in his much-heralded new book, Heaven Is Real.

The Transforming Touch of God

The mega bestselling book that started the heaven publishing phenomenon is now a major motion picture starring Hayden Christensen and Kate Bosworth and produced by Michael Polish. Don Piper's incredible true story continues to expand its reach to more people than ever before. After a semi-truck collided with Don Piper's car, he was pronounced dead at the scene. For the next ninety minutes, he experienced the glories of heaven. Back on earth, a passing minister felt led to stop and pray for the accident victim even though he was told Piper was dead. Miraculously, Piper came back to life, and the pleasure of heaven was replaced by a long and painful recovery. This special edition of Don's life-changing story includes a new preface from Don about the making of the movie, plus a personal update on the impact the book has had on him, his family, and the millions who have already heard his story. It also includes a note from the publisher, stories from readers, and Scriptures and quotations on heaven. Describes Colton's experiences in Heaven, where he learned what Heaven looks like, who lives there, and how one can get to live there if they love Jesus.

The New York times best selling book, "Heaven Is for Real" outlines the tale of four year old Colton Burpo's emergency surgery for a ruptured appendix and the startling revelations that followed. In the months and years after the successful surgery Colton began to unfold a fantastic story to his parents. But is the account logical - and most important - is it biblical? Find out in the booklet "Heaven Is For Real: The Book Isn't, An Astounding Refutation Of A Story About A Trip To Heaven And Back" by pastor and writer D. Eric Williams. If you've read the best seller, you need to read this critique!

For the past twenty-five years, Heaven has inspired us to live well on earth even as we long for eternity. Drawing on Scripture, Joni Eareckson Tada answers the deepest questions of our hearts about what heaven will be like, who we will see there, and who we will be there. This updated and expanded edition of Joni's classic brings a new understanding of what heaven is, along with new mysteries and hopes. Now in her late 60s, Joni is much closer to heaven than she was when she first wrote the book in her mid 40s. And she says, "I will soon—soon!—hear His voice, look into His eyes, and feel His embrace. And He will say, 'Welcome home, Joni.'" It is from this vantage point that Joni now speaks about how we can live for Jesus as we look forward to our real home. As a quadriplegic for fifty years, Joni has also endured cancer and extreme ongoing pain. She doesn't speak lightly when she reminds us that, "God knows the precise tools to use in your life to cut, facet, cleanse, and refine the diamond that is your eternal soul.... Every good thing that God has ever given you will last for all eternity—including the best part of every affliction." At the end of each chapter in this updated book, Joni includes additional reflections that speak to where she is now, higher up on the hill of perspective. She calls these thoughts Climbing Higher, and that's her invitation to all who make this journey with her.
