Poetry, First published in 1977, Ronald Johnson's RADI OS revises the first four books of Paradise Lost by excising words, discovering a modern and visionary poem within the seventeenth-century text. As the author explains, "To etch is to cut away," and each page, as in Blake's concept of a book, is a single picture." With God and Satan crossed out, RADI OS reduces Milton's Baroque poem to elemental forces. In this retelling of the Fall, song precipitates from chaos, sight from fire: "in the shape / as if / above the / rose / through / rose / rising / the radiant sun."

What do you do when your marriage is so unhappy that you begin to fantasize about your husband's funeral? That's how bad it got for Alisa Bowman. . . . she launched a last-ditch effort to save her marriage. Project: Happily Ever After is her fearlessly honest and humorous account of how she went from being a "divorce daydreamer" to renewing her wedding vows -- and all of the steps in between. From bikini waxes to erotica, romance instruction manuals to second honeymoons, the silent treatment to power struggles, she goes where many marriage-improvement gurus have feared to tread. Equal parts funny, poignant, and most importantly, so. Bowman's story will give other miserably-married folks courage and hope. And in addition to telling her own story, she packs straightforward prescriptive guidance, including a "10-Step Marital Improvement Guide." Readers will laugh. They'll cry. And they can't wait to read the road toward their own happy ending!

A Russian defector is assassinated in a sleepy English seaside town. Group Fifteen agents John Milton and Michael Pope find themselves in a rush to uncover the culprits and bring them to justice. Their investigation leads them to Moscow and a confrontation with Directorate S, the agency responsible for seeding Russian sleeper agents around the world. When lies and double crossing mean that no-one is what they seem, the two agents - alone and without backup - struggle to achieve their goals under the most dangerous of circumstances. Set one week before the opening of The Cleaner, this compulsive thriller turns back the clock to Milton as a barely functioning alcoholic, still tormented by the ghosts of the men and women he has killed in the service of his country. Milton must fight his own demons as well as the Russian assassin sent to eliminate him. Will he be able to complete his mission and escape with his life? --

Stegner ' s Pulitzer Prize-winning novel of personal, historical, and geographic discovery. Confined to a wheelchair, retired historian Lyman Ward sets out to write his grandparents' remarkable story, chronicling their days spent carving civilization into the surface of America's western frontier. But his research reveals even more about his own life than he's willing to admit. What emerges is an engrossing portrait of four generations in the life of an American family. "Cause for celebration . . . A superb novel with amplitude of scale and intricacy of detail lost in contemporary fiction." —The Atlantic Monthly "Brilliant. . . . Two stories, past and present, merge to produce what important fiction must: a sense of the enchantment of life." —Los Angeles Times This Penguin Classics edition features an introduction by Jackson J. London, 1940: the Luftwaffe blitzes London every night for fifty-seven nights. Houses, shops and entire streets are wiped from the map. The underworld is in flux: the Italian criminals who dominated the West End have been interned and now their rivals are fighting to replace them. Meanwhile, hidden in the shadows, the Black-Out Ripper sharpens his knife and sets for his grisly work. Henry Irving is a disgraced reporter on a Fleet Street scandal rap. Genius detective sergeant Charlie Murphy is a fresh face in the Metropolitan police, hunting corrupt colleagues but blinkered by ambition and jealousy. His brother, detective inspector Frank Murphy, searches frantically for his runaway daughter, terrified that she will be the killer's next victim. As the Ripper stalks the terrified streets, the three men discover that his handiwork is not quite what it seems. Conspirators are afoot, taking advantage of the chaos to settle old scores. The murders invade the lives of the victims and victimizers on both sides of the law, as everyone is sucked deeper and deeper into Soho's black heart. Based on a little known true story, The Black Mile is a rollercoaster ride of a novel that was previously the most downloaded novel on the Kindle Store. If you enjoy the thrillers of James Eloy, Peter James and Dennis Lehane, you'll love THE BLACK MILE. PRAISE FOR MARK DAWSON 'A brilliant debut novel from a very promising writer.' John Milton is trying to make amends for a career spent killing for the British Secret Service. He has a burning need to right wrongs - and rewrite his own bloody past. He finds himself in Louisiana - the Big Sleazy, the bayou, and the post-Katrina wreckage of the Gulf Coast - with a debt of honor to repay. Isadora Bartholomew, who saved his partner's life, needs his help. Joel Babineaux, a ruthless property magnate, is out to sink the charity she established to help rebuild the Lower Ninth Ward. Just when Milton thinks he has neutralised Babineaux's scheming, a dangerous man from his past takes an unhealthy interest in his present. Claude Boon used to work for the Mossad and might be more than Milton can handle. And then the stakes get even higher... 'Salvation Row' is the most explosive thriller yet in Mark Dawson's bestselling John Milton series. It's a book no self-respecting suspense fan will want to be without.

John Milton had started to hope that he might have a future... On the run from the agency that wants him dead, former assassin Milton has found anonymity driving a taxi around the streets of San Francisco. But when a girl he takes to a party goes missing and two dead bodies are found, the police treat him as their prime suspect. Milton needs extra attention like he needs a hole in the head. But as unpleasant secrets leak out and the body count rises, one thing is for sure. He might just be the right guy in the wrong place at the wrong time... "The mind is its own place and in itself can make a heaven of hell, a hell of heaven." John Milton, Paradise LostNEW YORK PARADISE LOST Bushwick Era Disco is an intimate photographic journey to the pandemonium and paradise of New York City during the 1970s through the early 1990s. Carrying her camera everywhere, Meryl documented a tumultuous time in the city's history; epidemics of arson, AIDS, crack, and crime intensified by a paralyzing blackout, political and fiscal crises. Nevertheless, Meryl's effervescent images are a personal memoir - love letters filled with compassion and humor mixed with angst, kept secret for decades. The viewer explores a serpentine-like adventure. Split seconds of a flash expose hedonistic hangouts filled with overly sexual and drug activity, celebrities, and people out to have a good time. Daylight reveals the beauty of those who loved and thrived in the destruction of Bushwick. Unique to New York PARADISE LOST, Meryl creates an insider's point of view of Bushwick's school life - students, staff, and families working together to create a safe space to learn and grow despite societal ills of poverty and prejudice. Meryl's photos show the beginnings of the local community and government working together to rebuild Bushwick. From one small neighborhood and a larger city on the brink- new music, art, fashion, literature, creative thinking, and culture emerge and remain influential today. Flash forward four decades - many between the sanctification of cities like New York City, the renaissance of small towns and neighborhoods like Bushwick. There is nostalgia for a "realness" and a sense of community lost in the process of change. New York PARADISE LOST Bushwick Era Disco is a story of discovery, tenacity, and the resilient human spirit that can inspire us today. Then and now, individuals and communities must work together locally and globally to recover from a crisis. From our losses, may we learn, preserve, create and appreciate with renewed strength.

Headhunters

John Milton has been off the grid for six months. He surfaces in Ciudad Juarez, Mexico, and immediately finds himself drawn into a vicious battle with the narco-gangs that control the borderslands.

John Milton thought he could run forever. He was wrong. For years, former secret service agent and trained killer John Milton thought he could outrun his past, his demons and his enemies. His enemies had other ideas. Captured and imprisoned by the organisation he once worked for, Milton must do one last job in exchange for his freedom. Bulheaded billionaire fixer Tristan Huxley is brokering a weapons deal between Russia and India. He needs protection and he wants Milton by his side. Huxley has trusted Milton with his life before but these days his world is more decadent and his enemies more dangerous, in ways that nobody could have suspected. Finally, the man who thought he'd never be forgiven has the chance to wipe the slate clean, once and for all. But is it really a case of no more running for Milton? Can the Group be trusted to keep their word and let him go? And who is it that really needs protecting? After all, nobody is bulletproof, not even Milton. -- cover.

Bury your enemies, and bury them deep. John Milton thought he was done with Avi Bachman. The most dangerous man he's ever known has been incarcerated in Angola, the brutal Louisiana prison. Inmates rarely leave Angola. Once you go in, the only way out is in a box. But Bachman is no ordinary prisoner. He was an assassin for the Mossad, and he has favours to call in. Milton is in the Australian outback with an old friend and his flirtatious kid sister, looking for a summer's peace to put his troubled mind to rest. But Bachman has other plans. He thinks that Milton killed his wife, and now he wants revenge. From Australia to Israel, from Hong Kong to Croatia, here is the conclusion of this brutal chapter in Milton's life. The two headhunters are on a collision course, and only one of them will walk away.

Mark Dawson is the new master of the page-turning thriller and more than 350,000 copies of the Milton series have been downloaded since it was first published. Don't start this book in bed - you will lose sleep.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The Sword of God

The Art of Falling Apart

Sarah Summers is enjoying a holiday on a Nigerian beach when a young girl named Little Bee crashes irrevocably into her life. All it takes is a brief and horrifying moment of crisis — a terrifying scene that no reader will forget. Afterwards, Sarah and Little Bee might expect never to see each other again. But Little Bee finds Sarah's husband's wallet in the sand, and smuggles herself on board a cargo vessel with his address in mind. She spends two years in detention in England before making her way to Sarah's house, with what will prove to be devastating timing. Chapter by chapter, alternating between Little Bee's voice and Sarah's, Chris Cleave wholly and caringly portrays two very different women trying to cope with events they'd never imagined. Little Bee is experiencing all the fullness and emptiness of the rich world for the first time, and her observations are hopeful, charming and piercing: "Most days I wish I was a British pound coin instead of an African girl," she says. "Everyone would be pleased to see me coming." Sarah is more cynical and disheartened, a successful magazine editor trying to find meaning in the face of turmoil at home and work. As the story develops, however, we learn about what matters most to her, including her fierce, protective love for her funny little son ("From the Spring of 2007 until the end of that long summer when Little Bee came to live with us," Sarah says, "my son removed his Batman costume only at bathtimes.") Sarah is trying to find herself as much as Little Bee is — and, unexpectedly, each character discovers a ray of hope in the other. What follows when Little Bee comes back into Sarah's life is a powerful story of reconciliation and healing, but it is mixed in with a generous helping of satire about the daily difficulties of modern life. This is a novel about important issues, from refugee policy to the devastating effects of violence, but more than that, it does something only great fiction can. Little Bee teaches us what it is like to live through experiences most of us think of only as far off disasters: the news. As ever, the author says it best: "It's an uplifting, thrilling, universal human story, and I just worked to keep it simple. One brave African girl; one brave Western woman. What if one just turned up on the other's doorstep one misty morning and asked, Can you help? And what if that help wasn't just a one-way street?"

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle in 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began-a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. Arc of Justice is the winner of the 2004 National Book Award for Nonfiction.

Kant and Milton brings to bear new evidence and long-neglected materials to show the importance of Kant's encounter with Milton's poetry to the formation of Kant's moral and aesthetic thought. Sanford Budick reveals the relation between a poetic vision and a philosophy that theorized what that poetry was doing. As Plato and Aristotle contemplate Homer, so Kant contemplates Milton. In all these cases philosophy and poetry allow us to better understand each other. Milton gave voice to the transformation of human understanding effected by the Protestant Revolt, making poetry of the idea that human reason is created self-sufficient. Kant turned that religiously inflected poetry into the richest modern philosophy. Milton's bold self-reliance is Kant's as well. Using lectures of Kant that have been published only in the past decade, Budick develops an account of Kant based on his lifelong absorption in the poetry of Milton, especially Paradise Lost. By bringing to bear the immense power of his reflections on aesthetic and moral form, Kant produced one of the most penetrating interpretations of Milton's achievement that has ever been offered and, at the same time, reached new peaks in the development of aesthetics and moral reason.

Six gentlemen, one goal: the destruction of Hitler's war machine In the spring of 1939, a top-secret organization was founded in London: its purpose was to plot the destruction of Hitler's war machine through spectacular acts of sabotage. The guerrilla campaign that followed was every bit as extraordinary as the six men who directed it. One of them, Cecil Clarke, was a maverick engineer who had spent the 1930s inventing futuristic carsavans. Now, his talents were put to more devious use: he built the dirty bomb used to assassinate Hitler's favorite, Reinhard Heydrich. Another, William Fairbairn, was a portly pensioner with an unusual passion: he was the world's leading expert in silent kinetic, hired to train the guerrillas being parachuted behind enemy lines. Led by dapper Scotsman Colin Gubbins, these men—along with three others—formed a secret inner circle that, aided by a group of formidable ladies, single-handedly changed the course Second World War: a cohort hand-picked by Winston Churchill, whom he called his Ministry of Ungentlemanly Warfare. Giles Milton's Churchill's Ministry of Ungentlemanly Warfare is a gripping and vivid narrative of adventure and derring-do that is also, perhaps, the last great untold story of the Second World War.

When sixteen-year-old Angel meets Call at the mall, he buys her meals and says he loves her, and he gives her some candy that makes her feel like she can fly. Pretty soon she's addicted to his candy, and she moves in with him. As a favor, he asks her to hook up with a couple of friends of his, and then a couple more. Now Angel is stuck working the streets at Hastings and Main, a notorious spot in Vancouver, Canada, where the girls turn tricks until they disappear without a trace, and the authorities don't care. But after her friend Siena disappears, and when Call brings home a girl who is even younger and more vulnerable than her, to learn the trade, Angel knows that she and the new girl have got to find a way out.

John Milton hasn't seen Elijah Warriner for three years. The last time they met, Milton's efforts to keep the boy safe didn't go exactly to plan. Now Elijah is a promising boxer, preparing for the bout that will take him to the big time. Milton decides that he will spend the week before Christmas in London so that he can watch the fight. But Elijah's burgeoning fame has brought him to the attention of old acquaintances with long memories and grudges to bear. They have noticed Elijah, too, and decide that now is the time to settle old scores. Can Milton keep the young man and his mother safe, or will Elijah's old running mates get to him first? Traitsors (A Sophie Racine Assassin Thriller, Book 1)

A story of greed, ambition, and desire. A flamboyant, super-ego world of rock celebrities. Dystopia have rocketed up the charts in Europe, so now it's time to crack the American market. The opening concert in Las Vegas is a huge success -- but secret envy and open animosity have begun to tear the group apart. The lead singer, Vid, is on a roller-coaster of self-indulgence and egomania... Jared, the lead guitarist, increasingly resents being shoudered out of the limelight... Spin, the warm-up DJ, just cannot resist a dangerous extra-marital adventure... nor can their manager, Alex, resist the lure of personal gain that greed and duplicity could bring him. Then one of them dies, in an apparent accident, and there begins to unravel a chilling saga of dark emotions, cynical manipulation, and murderously ruthless self-interest.

Is John Milton on the path to redemption or the road to revenge? John Milton has done some bad things in his life. Very bad things. Now he's looking for ways to make amends. But trouble always seems to be looking for him. Heading from San Francisco to Las Vegas, Milton's solo road trip takes an unexpected turn when he picks up Jessica Russo, a young woman in distress at the side of the road. She urgently needs a ride and he's happy to help her. But what starts out as a simple favour quickly becomes something more sinister. Once they get to their destination, it's clear something isn't right. Working for the Vegas casinos has got Jessica's father wrapped up with the wrong people. A mistake that could prove fatal for him and his family. This is just the beginning of a dangerous journey that will take Milton from Sin City to Siena and beyond. As Milton goes deeper into a world of violence, ruthlessness and revenge, will he finally put his demons to rest? Or is he about to awaken the devil he's been trying to smother for so long?" "A can't-put-it-down western." —Kirk Siegler, NPR Longlisted for the PEN/ESPN Award for Literary Sports Writing The Last Cowboys is Pulitzer Prize-winning reporter John Branch's epic tale of one American family struggling to hold on to the fading vestiges of the Old West. For generations, the Wrights of southern Utah have raised cattle and world-champion saddle-bronc riders—many call them the most successful rodeo family in history. Now they find themselves fighting to save their land and livelihood as the West is transformed by urbanization, battered by drought, and rearranged by public-land disputes. Could rodeo, of all things, be the answer? Written with great lyricism and filled with vivid scenes of heartache and broken bones, The Last Cowboys is a powerful testament to the grit and integrity that fuel the American Dream.

The Man Who Never Was

New York Times Bestseller For those who could read between the lines, the censored news out of China was terrifying. But the president insisted there was nothing to worry about. Fortunately, we are still a nation of skeptics. Fortunately, there are those among us who study pandemics and are willing to look unflinchingly at worst-case scenarios. Michael Lewis's taut and brilliant nonfiction thriller pits a band of medical marines against the wall of ignorance that was the official response of the Trump administration to the outbreak of COVID-19. The characters you will meet in these pages are as fascinating as they are unexpected. A thirteen-year-old girl's science project on a transmission of airborne pathogens develops into a very grown-up model of disease control. A local public-health officer uses her worm's-eye view to see what the CDC misses, and reveals great truths about American society. A secret team of dissenting doctors, nicknamed the Wolverines, has everything necessary to fight the pandemic: brilliant backgrounds, world-class labs, prior experience with the pandemic scares of bird flu and swine flu, everything, that is, except official permission to implement their plan. Michael Lewis is not shy about calling these people heroes for their refusal to follow directives that they know to be based on misinformation and bad science. Even the internet, as crucial as it is to their exchange of ideas, poses a risk to them. They never know for sure who else might be listening in.

The start of a gripping new crime thriller series introducing Intelligence officer Sophie Racine and featuring ex-SAS officer Aidan Snow! 'Alex Shaw is one of the best thriller writers around!' Stephen Leather

"Milton is keeping a low profile in London when he meets Eddie Fabian. Fabian confesses that he is considering suicide, and that the reason for his depression was the abuse that he suffered as a child. Milton offers to help, but, before he can, Eddie is found dead in circumstances that Milton considers suspicious. And then events take a turn that no-one could have anticipated... Milton's attempted good deed becomes a quest to unveil corruption at the highest levels of government and murder at the dark heart of the criminal underworld. Milton is pulled back into the game, and that's going to have serious consequences for everyone who crosses his path"Publisher's description.

A mother. A son. His girlfriend. And the lie they'll wish had never been told. Laura has it all. A successful career, a long marriage to a rich husband, and a twenty-three-year-old son, Daniel, who is kind, handsome, and talented. Then Daniel meets Cherry. Cherry is young, beautiful, and smart but hasn't led Laura's golden life. And she wants it. When tragedy strikes, a decision is made and a lie is told. A lie so terrible it changes their lives forever... The Girlfriend is a taut and wickedly twisted debut psychological thriller—a novel of subtle sabotage, retaliation, jealousy and fear, which pivots on an unforgivable lie, and examines the mother–son–daughter-in-law relationship in a chilling new light. "One of the best books I've read in a long, long time. I loved The Girlfriend!" —Lisa Jackson, New York Times bestselling author "The Girlfriend is a taut psychological thriller, the elite chillingly drawn. Every character is layered and beautifully twisted. Makes me consider running background checks on any potential spouses my children bring home!" —Karen Rose, New York Times "A juicy thriller and utterly compulsive reading." —Jenny Blackhurst, author of How I Lost You "An original and chilling portrayal of twisted relationships." —Debbie Howells, author of The Bones of You
