Mermaid and Me

Mermaids come in all shapes and sizes! In this sweet picture book, a shy little girl goes on a magical underwater adventure filled with adorable mermaids, silly sea creatures, games with new friends and wonderful surprises! One sunny Saturday, Maya and her parents visit the beach. Maya loves the beach: the warm sand feels wonderful between her toes. But it would be more fun if she had a friend. Too shy to say hello, Maya watches the kids play nearby, and slowly her eyes droop closed . . . When Maya awakens she has been transported to a magical underwater world. Maya admires the sea creatures flitting around her, and she discovers that she too has a beautiful tail. Maya is a mermaid! But who is calling out a greeting from behind that coral? Whose bright eyes are peering at her from the sea grass? Whose laughter does she hear? Could it be a new friend? Or just another sea creature? This adorable picture book will delight the youngest daydreamers and shows us that making new friends may not be as hard as you think -- if you have a good imagination!

Each of King Neptune's 50 mermaid daughters boasts a special talent, except for little Minnow, who seems to be good only at asking questions. When she finds a strange object, she asks questions to a wondrous place and finds answers, including the answer to the most important question of all: Who am I? A gorgeously illustrated story about finding one's purpose. In an exuberant picture book, a glimpse of costumed mermaids leaves one boy flooded with wonder and ready to dazzle the world. While riding the subway home from the pool with his friends one day, Julián notices three women spectacularly dressed up. Their hair billows in brilliant hues, their dresses end in fishtails, and their joy fills the train car. When Julián gets home, dazzled by the magic he's seen, all he can think about is dressing up just like the ladies in his own fabulous mermaid costume: a butter-yellow curtain for his tail, the fronds of a potted fern for his hair. But what will Abuela think about the mess he makes — and even more importantly, what will she think about how Julián sees himself? Mesmerizing and full of heart, Jessica Love's debut is a jubilant picture of self-love and a radiant celebration of individuality.

Exploring legends from across the globe, this narrative text presents the story of the mermaid, offering possible scientific explanations for the myths. Dive into centuries of mermaid lore with these captivating tales from around the world. A Penguin Classic Among the oldest and most popular mythical beings, mermaids and other merfolk have captured the imagination since long before Ariel sold her voice to a sea witch in the beloved Disney film adaptation of Hans Christian Andersen's "The Little Mermaid." As far back as the eighth century B.C., sailors in Homer's Odyssey stuffed wax in their ears to resist the Sirens, who lured men to their watery deaths with song. More than two thousand years later, the gullible New York public lined up to witness a mummified "mermaid" specimen that the enterprising showman P. T. Barnum swore was real. The Penguin Book of Mermaids is a treasury of such tales about merfolk and water spirits from different cultures, ranging from Scottish selkies to Hindu water-serpents to Chilean sea fairies. A third of the selections are published here in English for the first time, and all are accompanied by commentary that explores their undercurrents, showing us how public perceptions of this popular mythical hybrid--at once a human and a fish--illuminate issues of gender, spirituality, ecology, and sexuality.

An Irish storyteller revisits the little-known legend of the Mermaid Saint in a haunting, beautifully illustrated tale of kindness, music, and longing. Long ago, on the eastern coast of Ireland, a monk from the Abbey of Bangor was collecting driftwood along the wave-tossed shore when he found a boy washed up amid a circle of seals. At first the boy, wrapped in a shawl of woven seagrass, could barely move or speak. But when he regained his strength, he recalled being brought ashore by a lady with long golden hair who sang him to safety and gave him a silver ring. The monks knew the legend of a mermaid who had wandered the coast for three hundred years. Could it possibly have been her? Inspired by a story told in medieval chronicles of Irish history about a wondrous happening in the year 558, debut author Marianne McShane weaves a captivating tale, while Jordi Solano captures the legend's spare but welcoming abbey on the rocky shore -- a setting that makes you believe that if you listen hard enough, you too can hear the mermaid's song.
