Welcome to this collection of best-loved animals from all over the world, chosen for their special talents and characteristics, with fun illustrations by Adrienne Barman. Meet 'the architects', the 'noisy neighbours', the 'homebodies', the 'forever faithfuls', the 'champions of forgetfulness' and more in this alphabetically ordered encyclopedia. Filled with fascinating facts, curious creatures and characterful cartoons, this book will keep young explorers busy for hours.

The most comprehensive and up-to-date catalogue of the Vespa ever compiled, featuring all the models and versions produced to date, listed year by year through a series of files illustrated with invaluable archive materials and accompanied by detailed technical information. Vespa is an overview unique in its completeness and wealth of data, a resource of particular interest to those who still ride Vespas today, to collectors and to all those who have a place in their heart for the Vespa. The celebrated scooter, born at Pontedera in the immediate post-war years inaugurated a new era of personal mobility, taking on diverse roles with the passing of the years: from a vehicle for out-of-town trips to a symbol of aggregations, from an emblem of freedom to a design icon, from the queen of calendars to a star of competition, without ever losing sight of its primary function, that of the "urban" vehicle par excellence. Over the course of the years, Piaggio has produced dozens of models, from the overtly utilitarian to the most sporting and through to the Vespa Elettrica of today.

5-Minute Avengers Stories

*A guide from the International Sprite League on how to recognize true sprites, how to catch them, and how to care for them and keep them happy.*

*Carl, a retired salesman, attaches thousands of balloons to his house in hopes of traveling to a South American jungle, but his plans change when a boy named Russell stows away for the ride and they meet up with a talking dog named Dug.*

*Earth's Mightiest Heroes are quite busy saving the day from battling crooks and robbers to evil alien invaders and super villains! Each of these twelve stories is the perfect length for reading aloud in about five minutes, making great quick reads. This treasury stars old favorites (such as Captain America and Iron Man) as well as new*

*Avengers (Falcon and Vision). With a padded cover, and action-packed full-page and spot illustrations, Super Heroes's adventures are the way to go before bedtime, on the go, or any time of day! Ding dong! Flush! Moo! Roar! What's that sound? Press the buttons to find out! Listening is an important part of language development, and Twirl's first sound book will engage very young children as they explore sounds and words found in familiar settings, and perhaps some not-so-familiar ones. The 20-button sound panel includes 100 sounds and words; each button accompanies a spread where the actions, objects, and animals are named, followed by the appropriate sounds. From sounds in the home and on the street to sounds in the jungle and even in the ocean, little ones will be able to quickly identify sounds and name the animals and objects that make them. Big sounds for little ears!*

**The author of Book of Shadows digs deep into the practices and principles of Witchcraft to provide a comprehensive guidebook that anyone—novices and seasoned practitioners alike—can use to incorporate the beauty and power of Wicca into their own daily lives. Phyllis Curott's first book, Book of Shadows, was an inspirational, spiritual memoir that chronicled her journey from Ivy League-educated, New York City attorney to Wiccan High Priestess. By inviting readers of all faiths to share in her own personal transformation, Phyllis debunked many of the myths surrounding Wicca and revealed it for what it really is: a spiritual movement whose tenets of Goddess worship and reverence for Nature were a great deal more accessible and familiar than she'd ever expected. Far from being just another mechanical spell book, Witch Crafting is**

**the first book to offer readers not only the how-to of Witchcraft, but also the why-to, explaining the profound spiritual tenets behind Wiccan techniques. Filled with both traditional and innovative shamanic practices, Phyllis also provides an empowering new definition of magic and reexamines the ethics under which Witchcraft is practiced, offering a groundbreaking alternative to the Threefold Law. With enchanting stories from Curott's own experiences, Witch Crafting will also teach you how to:**

- Master the secret arts of effective spellcasting
- Create sacred space and personal rituals
- Perform divinations for spiritual insight and earthly success
- Tap into the power of altered states, such as dreaming, meditation, prayer, and trance
- Keep a magical journal and create your own Book of Shadows

**Rich with detailed advice for making magic, working with Nature, and finding the Divine within, as well as thought-provoking evaluations of this remarkable spirituality, Witch Crafting is the special volume that you've been searching for. Whether you are a beginner or have been practicing Witchcraft for years, whether you worship in a coven or on your own, Witch Crafting is the ideal handbook for you, or anyone seeking to unlock the divine power that makes real magic happen and experience the ecstasy, energy, and gifts of the Universe more fully.**

Free Fall tells the brutal engrossing story of the Second Chechen War, through the eyes of a young Russian Soldier. Nicolai Lilin was trained as a sniper in an unorthodox Russian Special Forces regiment called the Saboteurs. This hardened and close-knit band of brothers, operating beyond the control of military code, faced mercenary fighters, anti-personnel mines and torture of the most extreme kind. Free Fall offers a sniper's-eye view of one of the most controversial wars in living memory. It is unflinching, unforgiving and unputdownable.
