Twenty-five days. Twenty-five men. One over-the-top romance. For some women, a trip to the Strudford Storms locker room would be a dream come true. For Gemma, it's just another day on the job. Or at least it was until the team puts an offer on the table that Gemma can't refuse. The proposal? Twenty-five hot dates to prove to Gemma that sometimes the best choice is not making one at all... You've never met a harem quite like this.

Adelina Yousef is sent home penniless and thankless for the job she's done protecting her country. On her way home, she meets a demon, who tests her courage: If she lives for a full seven years under a cloak of a bearskin, never washing, never trimming her hair or nails, she will forever have all the money she will ever need. If she dies during the seven years, he claims her soul. She agrees, and at first she lives okay, but as the years go on, as people begin to turn their backs on that ugly, filthy girl in the bearskin, her courage begins to falter. Can anyone ever look past her appearance to give her food, shelter, or even

This is a very dark, erotic, adult interpretation of the classic fairy tale of Sleeping Beauty. It begins when Beauty is already awake and about to become Queen. Yet, because of a series of dark and sometimes deviant sexual encounters, Beauty must be cleansed of her sins by the Maid, the Scholar, the Warrior, and the Mage before she can be forgiven. The final cleansing will require a hundred years of sleep for Beauty and her Kingdom during which Beauty will learn what service to her Kingdom really means. Warning: This is a work of fiction that contains sexually explicit materials meant for those over the age of 18 and contains elements of dubious consent, dominant male, and submissive female.

Shifters are myths that are told as cautionary tales to children. They're not supposed to be real. But on my eighteenth birthday, I learn the truth when five of them appear. Only the more time I spend with my shifters, the more I'm drawn to them. How am I supposed to ignore my heart when I am responsible for the fate of two kingdoms? his shifting abilities. He is volatile, angry, and far stronger than she had imagined. His brothers, who commissioned her, present her with a challenge - fix it, or lose everything. Soon the curse is spreading throughout the castle, taking brother alike. It's a race against the clock, buffeted by dark magic, intrigue, and a strange attraction that has her looking at the four brothers in a new light.

Inspiration builds empires one day and topples them the next. The battle with the gods isn't going the way Lexi anticipated, which forces her to side with the lesser of two evils—Zeus and the asinine inventor he swears will make things right. Icarus has no interest in helping the bratty hero who broke things that didn't belong to her, but his attraction to Lexi is impossible to ignore, and the things she can do with illusion inspire him in new and amazing ways. Icarus is only the beginning of Lexi's problems. Cerberus is keeping secrets. Actaeon's past love is back in the most inconvenient manner imaginable. And the dead are trying to increase their numbers by calling loved ones to the other side of the veil. To make matters worse, Lexi can hear those voices crying in pain. Suddenly working with Icarus doesn't seem like such a big deal. Can she hang onto her sanity long enough to save the world from her father? My car broke down on an icy road in the middle of nowhere. I've got no money in the bank, no place to stay, and no food for my kids. Can it get any worse? Sure. A police car pulls up. The county sheriff calls his twin brother to tow my car for repairs that'll probably cost more than the beater is worth. They say don't worry about it. They only want to help. Sure they do. These gorgeous guys just happen to have two friends who own a luxurious motel called Little Cypress Lodge. I walk into this incredible hotel and it's like I've entered a new fantasy world. It's warm, there's plenty of food for my kids, and they say I can stay. For free. As long as I need a place. The four of them even want to hire me to do some modeling work for their new fashion line. Crazy, right? Me. The broke down, homeless single mom. If I can keep up the act long enough to make some deposits on a new place, I can start a new life for me and my kids. If I don't lose my heart first.

Welcome to Hell. Gym class, the academy, my tormentors, they have nothing on this place. It thrives on unimaginable power. Consuming magic pulses all around me. It owns me. I have to escape. I have to be stronger than the evil that's all around me. And I have to remind myself that this isn't where I belong. I belong in that prison of a school with my friends. With my

Kinda dead. Straight-up psycho. Totally obsessed with her. I did a bad, bad thing. Thanks to a blank in my memory, I'm not sure what that thing was, but it was horrible enough to get me locked up in the mental ward for seven years. Horrible enough that my little sister won't even speak to me. But when I'm released back into a town determined to rub my unknown sins in my face, the past isn't the only thing that's haunting me. The four "imaginary" friends who made my childhood bearable barge into my life in a very real way. They're crude, criminally inclined, and more than a little unstable after ages trapped in afterlife limbo. All they want is to protect me. Worship me. Avenge me. So they'll bludgeon, maim, eviscerate-tear a strip of havoc right through this sleepy town. Even rise from the dead. Maybe I'm still not all that sane either, because part of me finds them strangely appealing. In ways very different from how I felt as a kid. And that's not the only strangeness stirring inside me... I promised myself I'd stick to the straight and narrow from here on. But what if the only way to set things right is to get a little ghoulish? *The Stalking Dead is the first in a darkly humorous new paranormal romance series by bestselling author Eva Chase. If you love sarcastic heroines with unexpected powers, obsessive supernatural men who'll do anything to defend their woman, and plenty of mystery and mayhem, dive right in!*

The king is dead... ...and now my future, as my heart, hangs in the balance. With the kingdom in chaos and my powers still fighting me for control, I'm left to wonder if there's even a place for me among the fae. Or among the three men who have been there since the beginning of

this journey. Because even they feel like they're slipping away... Especially since the court mage hates me and is conspiring against me at every turn. But those aren't my only problems. Finding the truth of who I am and what my destiny will be is consuming me and threatening to ruin all that I have and all those I love. If I can't find a way to stop my enemies, we are all doomed and the fae realm will be lost. And I can't let that happen. I won't. Even if it means a fight to the death... sea witch claims my mother never told me what she really went through to have what she truly wanted. And now, I'm bound by the same fate. Three conditions, three ways to fail. But first, I need to do something for Ursula. The spell comes with a price, and it might just be dearer than I thought. Giving up my memories is fine. Serving her for a year is also manageable. Getting Eric to fall in love with me in three days, maybe. But marrying Ursula's son? When I learn about a prophecy, things become even more confusing, not to mention when I actually meet the guy. Sparks fly, and I am more confused than ever. Memories I never knew I had return and the question is up in the air: Am I willing to lose everything again in order to have it for ever? I've been cursed to serve a bad-tempered elemental in my beastly form for centuries. There's only one way to lift the curse: a kiss from three true loves. To acquire even one is nearly impossible. How am I going to get three? Then three gorgeous-as-sin, yet clueless dragon princes stumble into my lair. Only they do not come to kiss me. They come to slay me without knowing who I really am. After centuries spent in suspended animation, I'm hangry. Now, a team of sexy men have been sent to hunt me down... *Licks lips* Let them come. Thanks to a protective spell gone wrong, I am what the world calls a 'siren'. Yep, you heard me right. I'm a siren. The lost princess of Atlantis. During the horrific battle between light and darkness, as Atlantis sank beneath the waves, I was caught in some crazy magic that changed my body and put me down for a really long nap. The humans, still greedy as ever, woke me up when they stumbled on an energy source near the heart of my home. I battled alongside my Atlantean brothers and sisters as evil spread like a plague from city to city. We fought bravely, but in the end, I lost everything. I have nothing left to lose. That same darkness has continued to take over the world while I slept. My mission is to cleanse the world of evil, so I need to get busy. It is easy to find the men with blackened hearts and drag them to their watery graves beneath the sea. But it isn't long before the disappearances are noticed, and I go from hunter to hunted. Cleansing the world of evil takes a lot out of a siren. So, when the three good-hearted men cross my path, I'm ready to make them bad. I just need to figure out how things work with my new anatomy... This paranormal reverse harem book is for 18+ readers. It contains steamy content and darker elements/themes. This is not the usual bubbly mermaid tale! It is full of sexy scenes, humor, a coffee-addicted and slightly feral siren, and totally ripped guys you will want to sink your fangs into! It will have a HEA... eventually!
