

## Collins Primary Thesaurus: Illustrated Learning Support For Age 7 (Collins Primary Dictionaries)

Never be lost for words with this perfect reference book for young readers and writers. With more than four thousand words, Children's Illustrated Thesaurus has everything a child needs to develop their vocabulary. Each entry in the book is supported by a definition and used in a sentence as an example to explain their usage to young readers. This comprehensive book shows a range of synonyms to provide extra words that can be used during writing, from types of emotion to weather phenomenon. Colorful images and supporting illustrations place every word in context and help you better understand its meaning. With its fresh and fun design, the Children's Illustrated Thesaurus will inspire children to build a rich and vibrant vocabulary and help boost their confidence when they begin their next writing project.

Includes the latest vocabulary from a wide range of fields, with special features about life and culture in Italy. The clear, easy to read layout with special treatment of complex words ensures the user finds the right translation quickly and easily. The extensive Language in Use section gives real-life examples of how Italian is used in a variety of contexts, including letters, e-mails and text messages; and an up-to-date Business & Finance section is ideal for those who need to use Italian professionally.

An ideal introduction to the world of words and dictionaries for children starting school aged 5 and above. The simple, full sentence definitions reflect the child's experience of the world, and the colourful illustrations help make learning easy, memorable, and fun. This book offers children in learning the alphabet, English spelling, and the basic meanings of everyday words. With the alphabet at the edge of every page, and each letter a different colour, it is easy for children to learn how to recognise different letters, look up words and find out how to spell them. The illustrations make the dictionary fun and appealing, allowing children to understand what words mean, while example sentences show how the words can be used. The simple grammatical labels provided introduce children to different word groups. Simple, fun and easy-to-use, this is the perfect for any child's first school dictionary."

Edited at the Australian National Dictionary Centre in Canberra, this innovative reference book is a dictionary and thesaurus in a single volume. Completely revised and updated, with hundreds of new entries, this single volume includes: over 15 000 headwords -- a simple respelling system to guide pronunciation clear definitions with Australian usage -- interesting and useful derivations that shed light on meaning and help with recognition of word elements -- example phrases or sentences that identify the different meanings of the headword and show how it is used in context -- the top section of each page contains the dictionary text, while the lower section contains corresponding thesaurus entries for two-thirds of the words covered by the dictionary -- new words and terms include 'anime', 'webcam', 'counterterrorism', 'ringtone', 'cyberspace', 'techno', 'carbon offset', 'chocker', 'HDTV', 'google' and 'text'.
