After becoming the most educated woman in the American South, Lottie Moon (1840-1912) spent thirty-nine years in China. As she watched her fellow missionaries fall to disease and exhaustion, she became just as dedicated to educating Christians about the often preventable tragedies of missionary life as she was to educating Chinese people about the Christian life. Today, an annual missionary offering taken in her name continues to enable countless others to give their all for the gospel.

"The spiritual needs of the Muslim world, long neglected by Christian missionaries, came to the world's attention again when Samuel Zwemer dedicated himself to the advancement of the gospel in Arabia. It was a tremendous task, but a pledge the young American kept despite opposition, difficulty, and death."--P. [4] of cover.

A Prisoner and Yet...

A Prisoner and Yet... reveals a belief in Christ that carried an innocent woman through some of the worst agonies man can devise. Here is one of the most tragic, yet most inspiring and faith-giving true stories of Corrie ten Boom during her time spent in a Nazi concentration camp.

*Pam Roswell Moore had her doubts when she interviewed to be companion of the much-loved author Corrie ten Boom. Corrie's bestselling book *The Hiding Place*, which recounted how she and her family had hidden Jews during World War II in Holland until their betrayal and arrest by the Nazis, had launched for Corrie a worldwide ministry of travel and speaking. Awed by the spiritual challenge this companionship posed, Pam wondered how she could keep up with the energetic 83-year-old. But God knit a strong bond between the young Englishwoman and the remarkable Dutch evangelist. Then Corrie suffered a stroke. Hospitalization followed; physical therapy; then long, loving hours at home. Corrie regained a little mobility for a time--until the next strokes hit. She never regained*

her speech. But the ministry that had touched millions continued as Corrie communicated through her eyes, through elaborate guessing games with those around her, through silent intercession for people God brought to mind. For those five silent years of imprisonment, Corrie's spiritual depth offered mute testimony to her ongoing trust in her heavenly Father. The details of these years will move all who loved Corrie ten Boom. They will encourage those involved with the elderly or handicapped--and those who are themselves bedridden--that God is at work mysteriously in and through even the most incapacitated. This book attests to the truth Corrie loved so dearly: that, in spite of everything else, Jesus is always Victor.

These guides turn great adventure reading into an even greater learning experience. With international breadth and spiritual depth, they provide the Christian school teacher and homeschooling parent with countless ways to teach and reinforce diverse curriculum areas as they relate to the life of a Christian missionary. Methodist bishops in America, English-born Francis Asbury devoted his life to ministry, traveling on horseback to preach and teach to those living on the vastly isolated American frontier. Alone in a new country, with no home of his own, Asbury rode over 300,000 miles-across rivers and through rocky, overgrown roads-shining God's light on the fledgling colonies. When many Methodist clergy left America during the Revolutionary War, Asbury stayed. His tireless leadership saw the movement grow from 5,000 members in 1776 to 214,000 at the time of his death in 1816, fulfilling the great destiny of his call and inspiring future generations.

The eighth book of the Corrie ten Boom Library, this is the first to focus on the years leading up to World War II and the events of "The Hiding Place." More than a collection of memories from her colorful life, this book explores the human side of one of the most authentic Christian witnesses and the faith that kept ten Boom strong.

Let C.S. Lewis inspire and equip you to share your faith. Evangelism is an extraordinary task; it's what

God uses to bring people from death to life. But it has always been difficult. C.S. Lewis was used by God in the conversions of countless people, from friends and acquaintances in his own lifetime to modern-day readers of books such as *The Chronicles of Narnia* and *Mere Christianity* (the most influential Christian book of the 20th century). As Tim Keller comments, "C.S. Lewis was incredibly skilled at getting Christianity across in a way that's powerful to thoughtful people." So, if we want help with evangelism, there is much we can learn from the clarity and imagination of this hugely influential Christian writer. You may feel inadequate to the task; after all, there is only one C.S. Lewis. But evangelist Randy Newman skillfully helps us to apply the methods Lewis used (storytelling, humor, imagery and more) in our own conversations. You will be equipped to talk about your faith and engage with unbelievers wisely, whatever their attitude towards the Christian faith.
