French writer Gaston Leroux. Christine Daaé travels with her father, a famous fiddler, throughout Europe, and plays folk and religious music. When Christine was six years old, her mother died and her father was taken to rural France by a patron, Professor Valerius. While Christine was a child, her father told her many stories about the "Angel of Music", who is the personification of musical inspiration. Christine meets and befriends the young Raoul, Viscount of Chagny. One of Christine and Raoul's favourite stories is one of Little Lotte, a girl who is visited by the Angel of Music and possesses a heavenly voice. Christine now lives with "Mamma" Valerius, the elderly widow of her father's benefactor. She eventually is given a position in the chorus at the Paris Opera House (Palais Garnier). She begins hearing a beautiful, unearthly voice which sings to her and speaks to her. She believes this must be the Angel of Music and asks him if he is. The Voice agrees and offers to teach her "a little bit of heaven's music". The Voice, however, belongs to Erik, a physically deformed and mentally

When a wonderful new book arrives at the library, at first it is loved by all, checked out constantly, and rarely spends a night on the library shelf.

But over time it grows old and worn, and the children lose interest in its story. The book is sent to the

library's basement where the other faded books live. How it eventually finds an honored place on a little girl's bookshelf—and in her heart—makes for an unforgettable story sure to enchant anyone who has ever cherished a book. Kate Bernheimer and Chris Sheban have teamed up to create a picture book that promises to be loved every bit as much as the lonely book itself.

In fact, we see heroines. Wily women and clever girls, valiant queens and brave villagers--these are the people to save the day in this collection of folktales from around the world and across the ages. Long before J.K. Rowling brought us Hermione

Granger, well before Katniss Everdeen entered the arena, these

fierce protagonists were the role models for strong girls through the ages. Here we read the story of Jimena, who dresses like a

The best known of his tales include Le Petit Chaperon rouge (Little Red Riding Hood), Cendrillon (Cinderella), Le Chat Botté (Puss in

Many of Perrault's stories were rewritten by the Brothers Grimm, continue to be printed and have been adapted to opera, ballet (such as Tchaikovsky's The Sleeping Beauty), theatre, and film (Disney). "A rhymed introduction to real and imaginary animals featuring illustrations from classic books by Dr. Seuss"--

There was once an emperor who was only interested in one thing, his clothes. He spent all his money on his outfits and had a different one for every time of day and every occasion. One day, two thieves arrived in town pretending to be weavers who knew how to make the most beautiful and sophisticated fabrics, which had the marvellous property of only being visible to those who did their job well.. It was the perfect offer for our king, who immediately placed an order.

Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales include "The Emperor's New Clothes", "The Little Mermaid", "The Nightingale", "The Steadfast Tin Soldier", "The Snow Queen", "The Ugly Duckling" and "The Little Match Girl". His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films "The Little Mermaid" in 1989 and "Frozen", which is loosely based on "The Snow Queen", in 2013. Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day.
