If you're like me and love Rachel Bloom, this hilarious, personal book will make you love her even more." - Mindy Kaling "Rachel is one of the funniest, bravest people of our generation and this book blew me away." - Amy Schumer Rachel Bloom has felt abnormal and out of place her whole life. In this exploration of what she thinks makes her 'different', she's come to realise that a lot of people also feel this way; even people who she otherwise thought were 'normal'. In a collection of laugh-out-loud funny essays, all told in the unique voice (sometimes singing voice) that made her a star, Rachel writes about everything from her love of Disney, OCD and depression, weirdness, and female friendships to the story of how she didn't poop in the toilet until she was four years old.

recovery. With a warm, funny, and approachable voice, Caitlin tells readers the full story, even sharing what it was like to go from a size 32G bra--giant, for a woman who is barely over five feet tall!--to a 32C. Engaging and open, she admits to having hated her breasts long before her surgery, and enjoying the process of "designing" her new breasts, from the shape of the breasts to the size and color of the nipples. While Caitlin's primary narrative explores the BRCA gene and breast cancer, her story is also one

proper sexting etiquette, and finally to breaking up a midget bar fight (you have to shoo them away). With the incredible comedic chemistry of Vince Vaughn and Owen Wilson in *Wedding Crashers* and the uncensored honesty of Tucker Max, Mike and Dave insist there 's nothing wrong with just seeing where life takes you. Hard-headed evidence on why the returns from investing in girls are so high that no nation or family can afford not to educate their girls. Gene Sperling, author of the seminal 2004 report published by the Council on Foreign Relations, and Rebecca Winthrop, director of the Center for Universal Education, have written this definitive book on the importance of girls '

education. As Malala Yousafzai expresses in her foreword, the idea that any child could be denied an education due to poverty, custom, the law, or terrorist threats is just wrong and unimaginable. More than 1,000 studies have provided evidence that high-quality girls' education around the world leads to wide-ranging returns: Better outcomes in economic areas of growth and incomes Reduced rates of infant and maternal mortality Reduced rates of child marriage Reduced rates of the incidence of HIV/AIDS and malaria Increased agricultural productivity Increased resilience to natural disasters Women's empowerment What Works in Girls' Education is a compelling work for

bottom, *The Big Fix* tells her story of transformation from homeless heroin addict to stable mother of three—and the hard work and hard lessons that got her there. Rather than dwelling on the pain of addiction, Tracey focuses on her journey of recovery and rebuilding her life, while exposing the failings of the American rehab system and laying out a path for change. Starting with the first step in her recovery, Tracey re-learns how to interact with men, build new friendships, handle money, and rekindle her relationship with her mother, all while staying sober, sharp, and dedicated to her future. A decidedly female story of addiction, *The Big Fix* describes the unique
