Hands down the best book series I have ever read. I Devour the books and coming from somebody who reads all the time this is an extreme compliment. I can't wait to read more please please keep writing! your writing style and everything is perfect I have never read such a well-written book where the story line develops with so many characters I love knowing what's going on with everybody I love that you switch characters back and forth it is so awesome. Also the steamy love scenes are to die for! Love Love Love this book! This book had me hooked right from the beginning! I had to read every book in the series one right after the other and I can't wait for the next! This is probably the best series I've read and that's saying a lot since some of my favorite Authors are JR Ward, Christine Feehan and Sherrilyn Kenyon! Best in the genre I. T. Lucas pens an exceptionally well developed story. Many writers in this genre are predictable and formulaic. The Children of the Gods series is never predictable. This series stands with the best of fantasy writers - the fact that it is romance fantasy is almost beside the point. That said, even the sex scenes are well done and NOT predictable! A must read. I love this series. I am a huge BDB fan..never miss a book EVER. Now I have added this series to that list. So well written and never drags on--always a page turner. And it is not typical stuff, it is very unique! An absolute must read!" I literally read this entire series in 3 days

and now I'm going through character withdrawal waiting for the next. I.T. Lucas is an amazing writer with a brilliant mind and has quickly been added to my favorite author list. Syssi's paranormal foresight lands her a job at Dr. Amanda Dokani's neuroscience lab, but it fails to predict the thrilling yet terrifying turn her life will take. Syssi has no clue that her boss is an immortal who'll drag her into a secret, millennia-old battle over humanity's future. Nor does she realize that the professor's imposing brother is the mysterious stranger who's been starring in her dreams. Since the dawn of human civilization, two warring factions of near-immortals - the descendants of the gods of old - have been secretly shaping its destiny. Leading the clandestine battle from his luxurious L.A. high-rise, Kian is surrounded by his clan, yet alone. Descending from a single goddess, clan members are forbidden to each other. And as the only other immortals are their hated enemies, Kian and his kin have been long resigned to a lonely existence of fleeting trysts with human partners. That is, until his sister makes a game-changing discovery - a mortal seeress who she believes is a dormant carrier of their genes. Ever the realist, Kian is skeptical and refuses Amanda's plea to attempt Syssi's activation. But when his enemies learn of the Dormant's existence, he's forced to rush her to the safety of his keep. Inexorably drawn to Syssi, Kian wrestles with his conscience as he is tempted to explore her budding interest in the darker shades of sensuality.

Violence on both large and small scales has a tremendous impact on society. The causes and impacts of violence have been under study for decades; however, in the modern era, it is important to remain knowledgeable of the current research on violence. As tragic events flood news headlines around the world, it is essential to evaluate violence, its causes, and its impact on society in order to mitigate and prevent violence globally. The Research Anthology on Modern Violence and Its Impact on Society discusses the causes, ideologies, and perceptions of modern violence and examines its impact on society. It presents emerging research on modern violence in multiple dimensions from interpersonal to mass violence. Covering topics such as gun violence, radicalization, and victim-offender overlap, this major reference work is an essential resource for sociologists, politicians, government officials, law enforcement, community leaders, educators and administrators of both K-12 and higher education, students of higher education, psychologists, criminologists, victimologists, researchers, and academicians. As the past collides with the present, a new future emerges.

While sheltered in the clan's stronghold, Syssi is unaware that Kian and Amanda are not human, and neither are the supposedly religious fanatics that are after her. She feels a powerful connection to Kian, and as he introduces her to a world of pleasure she

never dared imagine, his dominant sexuality is a revelation. Considering that she's completely out of her element, Syssi feels comfortable and safe letting go with him. That is, until she begins to suspect that all is not as it seems. Piecing the puzzle together, she draws a scary, yet wrong conclusion.

A former beauty queen, a retired undercover agent, and a successful model, Mey is not the typical damsel in distress. Following a vague clue that Kalugal might be in New York, Kian sends a team headed by Yamanu to search for him. "Honestly the best series I've read since Outlander." "Wow!! What a series!! Heart thumping!! This paranormal series is EVERYTHING!!! This is the ultimate romance, fantasy, mind-blowing sex, mystery, everything you'll ever want in a paranormal book. My heartbeat speeds up, my pulse quickens, my breathing comes in gasps as I work my way through this work! I can't wait to get my hands on and my mind wrapped around each new installment. You'll fall in love with the characters! They are so well-developed with flaws and strengths that make them so very human but with also with special abilities that as humans you envy and wish you possessed. I can't say enough good about this series. You won't be disappointed!" "Brundar and Calypso is definitely one of the most beautiful love stories. Tessa and Jackson is sweet and romantic. Two stories with traumatic events in their childhood and how it changes the life of those that suffer them. In one is Brundar and in the other is Tessa and how those that love them help them heal there wounded souls." "Hooked!!! Over the last two months, I have read/listened to the entire series and have pre-ordered the next book! I haven't picked up another series during this time. Normally I listen to one series and read another. I could not put these books down. I have never read any series

like this one. I absolutely love that throughout the books you still hear what is going on with the previous characters. Instead of each book having its own story, it is more like one long story where new people get introduced as events happen. For me, this is the right balance of paranormal content. Nothing too crazy but just outside the realm of possibility. I.T Lucas - please continue to write these stories for as long as possible. I am in love with all the characters and don't want to let them go. -----

----- Get ready for the heart pounding conclusion to Brundar and Calypso's story. -----

----- Oh God, Shawn was dead. Callie still couldn't wrap her head around it, nor could she summon even a smidgen of sorrow or regret. After all, she had some memories with him that weren't horrible. She should've felt something. But there was nothing, not even shock. Not even horror at what had transpired over the last couple of hours. Maybe it was a typical response for survivors--feeling euphoric for the simple reason that they were alive. Especially when that survival was nothing short of miraculous. Brundar's cold hand closed around hers, reminding her that they weren't out of the woods yet. Her injuries were superficial, and the most she had to worry about was some scarring. But, despite his and Anandur's reassurances, Brundar might never walk again. If he ended up crippled because of her, she would never forgive herself for getting him involved in her crap. "Are you okay, sweetling? Are you in pain?" Brundar asked. Her injuries were nothing compared to his, and yet he was concerned about her. God, she loved this man. The thing was, if she told him that, he would run off, or crawl away as was the case. Hey, maybe this was the perfect opportunity to spring it on him. The threads of fate converge, mysteries unfold, and the clan's future is forever altered in the least expected way. The Children of Westminster Abbey is the book of the history of the Westminster Abbey from its foundation to the times of the book creation. The book is aimed at children and teenagers, although it may be interesting to different age groups.

“For headlining, nonstop adventure and for vivid, even florid, scenery, no one even comes close to Howard.”—Harry Turtledove In a meteoric career that covered only a dozen years, Robert E. Howard defined the sword-and-sorcery genre. In doing so, he brought to life the archetypal adventurer known to millions around the world as Conan the barbarian. Witness, then, Howard at his finest, and Conan at his most savage, in the latest volume featuring the collected works of Robert E. Howard, lavishly illustrated by award-winning artist Greg Manchess. Prepared directly from the earliest known versions—often Howard’s own manuscripts—are such sword-and-sorcery classics as “The Servants of Bit-Yakin” (formerly published as “Jewels of Gwahlur”), “Beyond the Black River,” “The Black Stranger,” “Man-Eaters of Zamboula” (formerly published as “Shadows in Zamboula”), and, perhaps his most famous adventure of all, “Red Nails.” The Conquering Sword of Conan includes never-before-published outlines, notes, and story drafts, plus a new introduction, personal correspondence, and the revealing essay “Hyborian Genesis”—which chronicles the history of the creation of the Conan series. "I read A LOT of paranormal romance and The a Children of the Gods has fast become my favorite series. I love how the author continues to grow and weave in the stories of the original characters like Syssi, Kian, Amanda and Andrew while developing the supporting characters. The stories keep you on edge, wanting to know more. The romance is hot and steamy and the mystery is just mysterious enough to keep you guessing. Will Syssi and Kian have children and start a new line, will her vision for Andrew come true, will Amanda find more dormants, is Nathalie one of them, will Bhathian find Eva and live immortally ever after, will Anandur find out what Alex is up to and find love on the way, and why is Brundar so grumpy? I can't wait to read book 8 and 9 to find out what happens with Andrew and Nathalie and eagerly hope she is working on Bhathian's story in books 10-12". "I am a HUGE fan of this series and read all of the books as quickly as possible, always eager for the next book in the series to come out. These stories have become a truly addicting read. The characters pull you right in and you're held right to the end. The cliff hanger at the end was a slight disappointment because all of the other books in the series are pretty much complete in the story line, but I don't mind as long as the next book in the series comes out shortly. I think any fan of the series won't mind at all." "Excellent series, I have enjoyed each book the story slips easily into each character a and you feel a connection between all storyline that makes the whole series." Since the dawn of human civilization, two warring factions of immortals, the descendants of the gods of old, have been secretly shaping its destiny. Amanda's small clan champions progress and peace, while their powerful enemy, the Doomers, propagates ignorance and war. Descending from a single goddess, the only one to survive the ancient cataclysm that wiped out her kind, Amanda's clan members are forbidden to each other. And as the only other known immortals are their hated enemies, they've been long resigned to a lonely existence of fleeting trysts with human partners. That is, until Amanda, the goddess's youngest daughter and a researcher of paranormal abilities, makes a game-changing discovery; two of her test subjects might be dormant carriers of the immortal gene. But before she can prove it, she gets snatched off a Beverly Hills street by a huge Doomer. Dalhu can't believe his luck when he stumbles upon the beautiful immortal professor. Presented with a once in a lifetime opportunity to grab an immortal female for himself, he kidnaps her and runs. If he gets caught, either by her people or his, his life is forfeit. But for a chance of a loving mate and a family of his own, Dalhu is prepared to do everything in his power to win Amanda's heart, and that includes leaving the Doom brotherhood and his old life behind. Amanda soon discovers that there is more to the handsome Doomer than his dark past and a hulking, sexy body. But succumbing to her enemy's seduction, or worse, developing feelings for a ruthless killer is out of the question. No man is worth life on the run, not even the one and only immortal male she could claim as her own. Her clan and her research must come first.
