‘ The best police procedural I ’ ve read in years ’ Jane Casey ‘ Grabbed me from the first page ’ Ian Rankin

At the same time that Matt and Parker find the body of the dead man in the creek, they recognize George Evans, the owner of the antique shop where Parker's mother works. This is a collection of anecdotes from Dale Davidson about growing up next to a line of the Milwaukee Railroad and the State of Washington Convalescent Home, known to the locals as the bum camp. In 1935, King County opened a convalescent centre in Tolt, Washington for the purposes of removing homeless alcoholics from the street. If a man was found on the streets in the north-west cities of Olympia, Tacoma, Seattle and Everett and didn't have a job, he would soon be on a bus and headed east to the town of Tolt, home to this state-owned camp. This camp became the favourite place of young Dale Davidson and he learned many life lessons from his time spent there. He learned the value of hard work, how to listen, how to make friends and how to be a friend. He also learned the importance of accepting others, regardless of their differences. Written in a down-home, conversational style, the book openly depicts the rough and tumble life experienced by so-called winos and other less fortunate members of society. But it also shows how kids are able to look beyond those labels imposed by people higher in the

social order and see the fascinating characters that exist in all walks of life. Accompanied by numerous charming cartoons, the book also offers sketches of life on a farm in the rural Snoqualmie Valley. By turns entertaining, amusing, ribald and even earnest, this book is sure to be enjoyed by all. The book is made up of two parts and presents the stories in a chronological order. The first section mostly involves anecdotes about the goings-on in the bum camp and the author's interactions and fascination with the individuals who lived there. The section ends with the closing of the camp. The second part of the book focuses on the author's life on the farm, working at the family sawmill and other personal and familial experiences and adventures. It also celebrates the rural way of life, particularly in the north-west region of Washington State. The book ends with some words of wisdom and final thoughts on life and how to live it. There are cartoons throughout the book that relate to the various anecdotes.

If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.

Cape Cod is magical at any time of year. However, many permanent residents, including sisters Rachel and Beth Brewster, find it hard to make ends meet during the cold, lonely winter months, which is why they must work extra-long hours at multiple jobs all through the short summer season to save enough for the rest of the year. To complicate matters, Beth is only fifteen and is restricted as to how many hours she can work during the school year. It wouldn't be so bad if their mother weren't an alcoholic who absolutely refuses to help with the bills. Then the dead bodies begin cropping up in the neighborhoods and marshes surrounding scenic Lewis Bay. The Yarmouth and Barnstable Police begin to see a pattern linking both Rachel and Beth to the murders, but they can't seem to assemble enough proof to make an arrest. Meanwhile, a regular patron of a bar where Rachel frequently works in the evening provides some help in the young woman's search for a better-paying job, and life becomes hell for Beth as she is stalked by several teenage boys who have their own ideas about what constitutes a loving relationship.

In 1982, Sister Helen Prejean became the spiritual advisor to Patrick Sonnier, the convicted killer of two teenagers who was sentenced to die in the electric chair of Louisiana's Angola State Prison. In the months before Sonnier's death, the Roman Catholic nun came to know a man who was as terrified as he had once been terrifying. She also came to know the families of the victims and the men whose job it was to execute—men who often harbored doubts about the rightness of what they were doing. Out of that dreadful intimacy comes a profoundly moving spiritual journey through our system of capital punishment. Here Sister Helen confronts both the plight of the condemned and the rage of the bereaved, the fears of a society shattered by violence and the Christian imperative of love. On its original publication in 1993, Dead Man Walking emerged as an unprecedented look at the human consequences of the death penalty. Now, some two decades later, this story—which has inspired a film, a stage play, an opera and a musical album—is more gut-wrenching than ever, stirring deep and life-changing reflection in all who encounter it.

Capitalism has become strange. Ironically, while the 'age of work' seems to have come to an end, working has assumed a total presence - a 'worker's society' in the worst sense of the term - where everyone finds themselves obsessed with it. So what does the worker tell us today? "I feel drained, empty... dead." This book tells the story of the dead man working. It follows this figure through the daily tedium of the office, to the humiliating mandatory team building exercise, to awkward encounters with the funky boss who

pretends to hate capitalism and tells you to be authentic. In this society, the experience of work is not of dying...but neither of living. It is one of a living death. And yet, the dead man working is nevertheless compelled to wear the exterior signs of life, to throw a pretty smile, feign enthusiasm and make a half-baked joke. When the corporation has colonized life itself, even our dreams, the question of escape becomes ever more pressing, ever more desperate...

Waking up covered in her murdered husband's blood with no knowledge of what happened, defense lawyer Andrea Wilson flees the police and turns to detective Mike Coletti, a man from her past, to help prove her innocence.

A THRILLER IN THREE PARTS The SECOND direct to digital short-story in a race-against-time three-part adventure from the bestselling author of Relentless, Siege and Ultimatum, Simon Kernick. MP Tim Horton is waiting to hear from his son's kidnappers. Knowing he's being watched, and too scared to go to the police, he contacts the only man who may be able to

help him, his brother-in-law: an ex-soldier called Scope who has a reputation for sorting things out and getting things done ... 'Simon Kernick writes great plots, great characters, great action.' Lee Child 'Simon Kernick writes with his foot pressed hard on the pedal. Hang on tight!'
