Over twenty years after Levi De La Fuente's parents opened the first Emelia's, Levi and his cousin Ryan are getting ready to open a second location. Emma De La Fuente manages the first Emelia's in Essex, Vermont for her parents. She's in town to assist her brother and cousin in getting the new restaurant ready for its grand opening. However, she didn't plan on the strong attraction she feels toward the town Sheriff. The man with his sweet words and heated looks has managed to derail her plans on returning home. While his sister is distracted, Levi finds himself in need of rescuing from a rather embarrassing situation. Luckily for him, Vivien Taylor, owner of Temptations, Blossom Creek's handmade chocolate store, appears just at the right time. If only he didn't crave the sweet woman, then maybe, this situation wouldn't be so awkward. Blossom Creek just might be warm enough to melt the snow this holiday season.

You don't have to wait for Thanksgiving day to say thank-you, because saying thank-you should be an everyday thing! And you should never think it is silly to say thank-you for anything. This is a book about giving thanks, and that means saying thank-you. This is a book about praise, but you can also say thank-you to the people in your life, and not only to God. You can begin by making a list of all the things for which you want to give thanks, a new version of counting blessings instead of sheep! And while you are at it, draw some pictures if your very own to go along with your list! Award winning author, attorney and former teacher, Penelope Dyan, wrote this book to encourage two things, or perhaps three. These things are writing, creativity and learning to read! Again, the kid-friendly drawings and rhyme encourage kids to shout out what they think is coming next; and this contributes to word recognition. Don't forget to go to YouTube and to look at the video on the Bellissimavideo channel that goes along with this book to further enhance the fun of the learning process.

In dark times, a message of hope. In her bestselling Excuse Me, Your Life Is Waiting, Lynn Grabhorn told how to literally create your own reality. Then--as she tells here--her own life and health inexplicably fell apart. After years of struggle, she learned that the reason why involves nothing less than the age-old struggle between positive and negative forces. More important, she learned how this struggle began, how it is playing out, why times today are so hard for so many, and--WHAT WE CAN DO ABOUT IT. This book is, above all, a message of hope. In Grabhorn's trademark down-to-earth style, she shows how we--each of us--can choose to embrace the positive in such a way that the negative loses all power over us. Forever. This powerful message, if heeded, will change the course of human history for the better. Since the age of 14, Jayme's life has been hell and she has one person to thank for it, Pastor James Madison. He stood in the pulpit on Sundays waving the same hands that abuse God with the same mouth he used to chip away her self-esteem, daily. He was a man of God who had turned her away from the same God he told people they needed to serve. He supposed to pray for, take care of and eventually love her. Instead he preyed on, took advantage of and shattered her heart before it had a chance to truly love someone else. Now she finds herself needing God yet she doesn't know how to reach Him. Image if you could write to god, what would you say? What would you ask? This "Letters to God" style Journal allows you to sit down and write a personal letter to God. Treat this book as your personal communication book with God. Have a real conversation with God, you can write anything you like, maybe you would like to ask what he has planned for you? Or perhaps you wish to thank him for all the blessings in your life. I began writing personal letters to God in 2015. It had been a hard year for me and my family. Although surrounded by loved ones I often felt the only person I could confide in was God himself. I begin writing one letter a month, then it turned to one a week and now I write one letter to God each and every day. It was an amazing experience to look back over the many letters I had "sent" to him that year. It was then I realised how much my relationship with the good Lord had evolved and grown. I knew I had to share this with the world, the help ordinary people like me build a real, authentic and personal relationship with God. This "Letters to God" style journal has helped me form a very strong bond with God, it has helped me true the good times and the bad and I am sure it will help many people for many years to come. I challenge you to try it, just give yourself one month of writing these intimate letters to God and he will welcome you with open arms. A Great Gift this Holiday Season!

For author Virginia Kiernan, February 2003 is a month, though more than ten years past, that remains vivid in her memory. It was the month her husband, Verner Kiernan, a father of six, was deployed with the 101st Airborne Division in Fort Campbell, Kentucky, only one month before the war with Iraq began. In Dear God, Please Keep Daddy Safe, Virginia narrates the trials and triumphs of a year of deployment. She discusses the struggles army families face as she provides insight into the unknown world of army life in one of the nation's top units—including a deadly grenade attack on her husband's unit, the emotion of attending heart-wrenching memorial services, and the family crisis that becomes compounded with separation. A compelling true story written by a mom raising six children while her husband was deployed during the early days of Operation Iraqi Freedom, Dear God, Please Keep Daddy Safe chronicles the highs and lows of events both overseas and on the home front, showing that the often overlooked issues at home can sometimes be as stressful as serving in uniform.

In Dear God (the sequel to Letters To God), author Norhafsah Hamid weaves a tender story of young love, second chances and a soul that is lost, seeking to find what has been missing in his heart all along. Jonah thought he had everything a guy could ever needed to sail through life. A family that is supportive, cool friends that made university life a breeze and looks that won him the affection of many girls. Except for one - Sarah. An encounter with Sarah made Jonah realise that there is more than the one revolving around him. Jonah decides to brave the path least taken in the search for the meaning of eternal contentment. He found himself connecting to the One that he has long forgotten since he was little. Is there still hope for him? 'Dear God, grant me strength', prayed Jonah silently.

Tessa Chauncy is the best kind of trouble. Beautiful, sweet and completely off limits. I've sat by and watched other men drool after her and forced myself to stay in check. Hey, I'm in the NHL... I have self-control in spades. Except when it comes to her. With the bat of her lashes and quick whip of that sharply pointed tongue Tessa can knock grown men to their knees. I've seen them wither and crumble under her confident stare— something I'm pretty sure she learned from sparring with me, thank you very much. But I'm not just falling

for her. I'm down for the count. She's the girl I wanted, when wanting her was wrong. She's also my new roommate-- And oh yeah, my best friend's little sister. Heaven help me, I'm probably going to get his fist to my face or his hockey stick shoved in very dangerous places for what I'm about to do, but I don't think I care anymore. I'm in love with my best friend's little sister....and I'm done waiting.

Everyone needs encouragement as they're growing up. Here's an easy to understand series written to help kids see God in everyday life.

"I would like to write a beautiful prayer," writes the young Flannery O'Connor in this deeply spiritual journal, recently discovered among her papers in Georgia. "There is a whole sensible world around me that I should be able to turn to Your praise." Written between 1946 and 1947 while O'Connor was a student far from home at the University of Iowa, *A Prayer Journal* is a rare portal into the interior life of the great writer. Not only does it map O'Connor's singular relationship with the divine, but it shows how entwined her literary desire was with her yearning for God. "I must write down that I am to be an artist. Not in the sense of aesthetic frippery but in the sense of aesthetic craftsmanship; otherwise I will feel my loneliness continually . . . I do not want to be lonely all my life but people only make us lonelier by reminding us of God. Dear God please help me to be an artist, please let it lead to You." O'Connor could not be more plain about her literary ambition: "Please help me dear God to be a good writer and to get something else accepted," she writes. Yet she struggles with any trace of self-regard: "Don't let me ever think, dear God, that I was anything but the instrument for Your story." As W. A. Sessions, who knew O'Connor, writes in his introduction, it was no coincidence that she began writing the stories that would become her first novel, *Wise Blood*, during the years when she wrote these singularly imaginative Christian meditations. Including a facsimile of the entire journal in O'Connor's own hand, *A Prayer Journal* is the record of a brilliant young woman's coming-of-age, a cry from the heart for love, grace, and art.
