All great stories start with a death. In this case, it's my own.Instead of the peary white gates and yellow brick road leading me to Heaven, my soul is chosen to join Afterworld Academy - an exclusive boarding school to train selected souls on how to manage the Afterlife. Ghosts, Demons, Reapers, and Angels. Classes on how to fly. Studies on the proper way to select souls. Weaponry. Premonition. Oh, and field trips to Hell.Sounds peachy, right?When souls turn up dead, I must work with my four sexy-as-sin mentors to uncover the truth of my new reality. Things are about to take a deadly turn. Welcome to Afterworld Academy where the price of admission...is your life. Dearly Departed is book one of a four book series by bestselling authors, Loxley Savage and Katie May. This is a reverse harem romance meaning that the main character won't have to choose between her love interests. This is medium-burn and does contain strong language and sexual themes. Oh, and death. Lots and lots of death. Book one will end in a cliffhanger. *Note from AuthorsThe main character does pass away from cancer (which is how she ends up in the Afterworld Academy). Please keep this in mind while reading, especially if that may be triggering to you. We would love for you to read our book, but we want you to take care of yourself!

Gather round close, for I have a secret to tell.Late at night, while everyone is sleeping, dreaming of white knights and fairytales, I'm making friends with the monsters. They call to me, like birds like, right? My biggest secret, I'm the scariest monster I know. I think I'm the bad guy. MFMM Reverse Harem novel with adult themes not recommended for those under 18.

This is a reverse harem romance book that we were inspired to write after reading about tribal women in indigenous villages across the world who would sometimes have 7 or 8 men that would protect them. It's a romance story through and through and it explores romance from a perspective that we normally don't usually in our MF HEA driven world here at NAP. We did a lot of research and found so many parallels that it got us into looking at reverse harem in a way that we never though before - and we realized it was a legitimate form of romance that is underserved. We hope you like reading it as much as we liked reading it.

Are they really sure they want to mess with me? Bring it on, boys. I'm patient and it's hardly the first time I got my hands dirty. *Please note this is a reverse harem and the authors suggests you always read the forward in their books. Warning, this is a standalone tale with a fierce and feisty heroine, three anti-heroes who are forces of nature, and a tale as old as time, with elements of revenge, humor, and a little bit of karmic justice thrown in.

Money can buy anything. And anyone. As the last of the Constantine family, I'm used to people bowing to my will. Cruel, rigid, unyielding—I'm all those things. When I discover the one woman who doesn't wither under my gaze, but instead smiles right back at me, I'm intrigued. Ash Elliott needs cash, and I make her trade in crudeness and degradation for it. I crave her tears, her moans. I pay for each one. And every time, she comes back for more. When she challenges me with an offer of her own, I have to decide if I'm willing to give her far more than cold hard cash. But love can have deadly consequences when it comes from a Constantine.

At the stroke of midnight, that choice may be lost for both of us.

To do what's right, I'll venture into hell, even if it will cost my life. Despite calling the Congregation my home, I, Natasha Grey don't belong. You see, unlike the other Creators in my all male team-a vampire, a werewolf, a shifter, and a fae, I neither know my heritage, nor do I have any magic. At least that's what I thought until a rogue vampire rips my throat out and everything changes. Instead of dying, I heal, and he turns to dust. The Director of the Congregation confesses that I'm an angel and now that my identity is no longer cloaked, my enemies will come for me. Sure enough, the Congregation is attacked by a half-demon, who captures the Director. Only my team can rescue our mentor. Despite our differences, the four men and I must work together to save the world. As we journey toward the lower realms, the four guys and I develop a deep bond. Soon there's more than friendship going on between me and the hot, yet stubborn vampire Alexander. Will my team's combined powers be enough? Will we rescue the Director in time? Or will we too become prisoners, tortured for all eternity? Angelic Hearts is the first book in The Angel's Guardians series. The book ends in a cliffhanger. Don't miss this delicious paranormal reverse harem romance filled with magic, sizzling romance, and heart-pounding action!

My name is Karma...and yes, it's my job too.Since I was eighteen, I have used my powers to deliver karma to those in need like my other family does. Only they are much better at it. I deliver much needed karma to both good and bad humans, but mainly the bad as it's more fun. The only rule of the job? Don't talk to the other gods, especially not the powerful ones, and definitely don't accidentally kill one of them... Whoops.Now the twin gods of justice are after me, and not even my family can save me now.If I'm caught, it will be a one-way ticket pass to the gods' correctional prison. It's a place where more than mere gods are locked up and no one ever escapes.Even gods can't escape their fate...but they sure can try to run. 17+ RH

One sassy pyromaniac thief, three sexy-as-sin monsters, and a paranormal conspiracy of epic proportions. It was an ordinary job. Another night, another asshole collector of the supernatural. I free some poor little beasts from their cages, pocket a few trinkets to pay my bills, and burn the place down on my way out. Just call me the Robin Hood of monster emancipation. I didn't count on three manly monsters following me home like lost puppies, but still. Now I've got a seductively cheeky incubus, a sweetly enthusiastic demon, and a grimly stoic angel camped up in my kitchen. They're determined to repay me for my help, and they won't get out of my apartment until they're satisfied we're even. To be fair, they've got no place else to go. A covert band of hunters captured their boss, and the trail is ice-cold. I'll lend a hand if it means I can send them packing... and when it looks like we're up against the same creeps who murdered the person I loved most, you'd better believe I'm all in. I brought them to the wilderness because we couldn't cope with our reality. The plan was to make a new life that didn't include heartache. No people. No technology. No interference. Just us. A chance to piece together what was broken. But the wilderness is untamed and harsh. Brutal and unforgiving. It doesn't give a damn about your feelings. Tragedy lives there too. No escaping the truths that won't let you go. All you can do is survive where love, no matter how beastly, is the only thing you can truly count on. Confusing. Wrong. Twisted. Beautiful. Sick. Love is wild. And we're going to set it free. WARNING: The Wild is an extremely taboo story. Most will find that the themes in this book will make you incredibly uncomfortable or maybe even offend you. This book is only for the brave, the open-minded, and the ones who crave love in even the most dismal of situations. Extreme sexual themes and violence in certain scenes, which could trigger emotional distress, are found in this story. If you are sensitive to heavy taboo themes, then this story is not for you. Seriously, you've been warned. Don't say I didn't try. You're probably going to fringe many, many, many times. Even if you're on the fence, it's probably not a good idea to proceed. However, if you're intrigued and fearless and kind of sort of trust me, then carry on. This book is for you.

Welcome to Shadow Valley where the Dirty Angels MC rule. Get ready to get Down & Dirty because this is Zak's story... After spending the last ten years in prison, Zak, former DAMC president, has a few priorities: to reconnect with his "brothers," to get drunk, and to get laid. Not necessarily in that order. When he spots a stunning woman in the clubhouse and mistakes her for one of the club's strippers, those priorities get a bit skewed. Sophie has no idea what happened to her life. One minute she's totally focused on building her bakery business, and the next? She's delivering a cake to the Dirty Angels motorcycle

club's "homecoming" celebration for a member who just got out of prison. Little does she know baking that cake will change the rest of her life, not to mention, make her a target for a rival MC. Normally, Sophie wouldn't be caught dead with a man like Zak, a tattooed, ex-con, badass biker. When a decades old territory war threatens to rip them apart, Zak will do anything to keep Sophie, his club, and the town safe. But being from two different worlds, the threat they're under may not be worth the risk. Three things I didn't know yesterday:1. The old gods still exist.2. They can inhabit a human body... like mine...when a girl is just innocently studying at the library (and maybe stealing one small microfiche...)3. The old gods are cruel and dangerous and oh, also, horny.Actually, add a fourth thing: There's a reform school for delinquent supernatural creatures.After a little mishap where I may have accidentally set my school on fire, I have to choose between human prison or a paranormal academy for the troubled. I look terrible in orange, so it's a simple call...But it turns out, all the bad boys of the supernatural world... vampires, shifters, witches... can stop fighting each other in the yard at God Fire Reform School and agree on one thing. They want the gods dead and gone again.I'm not going into this twisted new world alone though. The four boys I once loved, who have grown into sexy men, are all possessed by the gods. Not only have we inherited their powers, but a shard of their troublesome personalities, too.Which means even we're scared of what we might do next... If these men and I don't master the gods within, this school won't 'reform' us. It will bury us.MAGIC FOR DUMMIES is book 1 in a paranormal reverse harem series. Scroll up and download now to enroll in the reform school, where you'll find yourself with sexy gods, a lovable heroine, and the mess of supernatural beings who want them dead. When I'm resuscitated after a car accident, my second chance at life comes with a gift. I can hear the dead.I'm struggling to figure out my new life as a psychic. I'm trying to figure out my new feelings for my best friend since second grade, Jax. And I'd like to pass my freshman year of college, too.And then the Hunters show up. Rough Luke and gorgeous Mave. It doesn't take a psychic to tell those boys are trouble. They're trying to stop the November murders. A girl disappears from campus every November, and they believe she's being taken by a murderous pottergeist. They can't speak to the dead. They need me. Most of all, the women on our campus, and the ghosts of the dead girls, need me. I can't let them down. I hunt the ghost.And then the ghost hunts me. If I can trust Jax and these Hunters to have my back, we might all survive.But how can I ever reconcile these two worlds? I long for life with Jax, simple and sweet. And I crave the chance to use my gifts, with these two Hunters by my side. When you come back from the dead, how do you learn to live again? Welcome to Shadow Valley where the Dirty Angels MC rules. Get ready to get Down & Dirty because this is Dex's story... A stranger with a diary that contains a thirty-year-old secret. One that could rip a brotherhood apart... DAMC born and bred, Dex was never like the rest of his club brothers. Even though being a biker was his destiny, something was always missing. He could never figure out what it was or why until one day a woman walks into Shadow Valley Pawn. A sexy, badass woman who challenges him at every turn. When Brooke discovers the truth about her mother after her death, she comes to Shadow Valley. However, a simple trip to find answers twists into something she never expects. Not only that, but the successful businesswoman crosses paths with a biker who tests the control she loves so much both inside and outside of the bedroom. Unexpectedly, Brooke not only flips a switch inside Dex and shows him his true self, she learns it's okay to give up some of the independence she holds onto so tightly. But that's not the only discoveries the two make. One secret shakes the club to their core by exposing a member who's been destroying them from the inside out.
