

Dr Bob And The Good Old Timers

One of the earliest and most valuable discoveries by author Dick B. in his search for the facts about the early A.A. program, which had such great successes, was the many, varied, and important Christian and other books read, studied, and circulated by A.A. Cofounder Dr. Bob among early AAs and their families. These are of great importance and utility today if you are to be healed of alcoholism. They cover the Bible, Jesus Christ, prayer, healing, alcoholism, daily devotions, Quiet Time, the Oxford Group, Rev. Samuel M. Shoemaker, conversion, and other relevant religious topics. Dick discovered the books in the homes of Dr. Bob's children, read and analyzed and categorized them, and placed them in this title. Other books were mentioned elsewhere as having been read and circulated by Dr. Bob, and are included.

Bob Jones was only a man. He would have been the first to acknowledge his sins, his faults, his failings. But he was a man whom God used. Having given his heart to the Lord as a little boy from a simple country home in Southeast Alabama, he gave Him his life as well. God took the willing clay and fashioned a vessel for His own use. God used him as a faithful evangelist, a friend to sinners, a preacher with power -- the power of the Holy Spirit of God. God used him as a fearless prophet, an enemy of God's enemies. God used him as a fruitful educator. Sensing a compelling need, at the prompting of the Spirit of God, Bob Jones founded a college for Christian young people which, with the prayers and support of faithful believers, has grown under the evident blessing of heaven to become the university which bears his name -- the world's largest fundamental Christian university. For more than half a century, its graduates have proclaimed worldwide -- in businesses, in classrooms, in pulpits, and in homes -- the testimony of God's saving grace. - Back cover.

The purpose of Book # 1 is to teach kids ages 4 to 12 what it's like to be a medical doctor and an adult general practitioner (internist). It shows a normal day at work in the clinic office and hospital. It looks at the instruments that Dr. Bob uses every day to diagnose different medical problems. It talks about other medical professionals such as PAs, NPs nurses, physical therapists, phlebotomists, and surgeons. This book is part of a 5-book Health for Kids series of books. In a fun and easy way, the books in this series reveal the world of medicine, clinics, hospitals, health, and the amazing human body. Dr. Bob knows that a person has a physical body, mind, and spirit. He tries to treat the entire person when they are sick. As a medical doctor, Dr. Bob is deeply interested in the body and how it works. The books in this series will give you a glimpse of the wonder of the eyes, ears, mouth, heart, lungs, brain, nerves, skin, and many more body systems.

A.A. Co-founder Dr. Bob stated he had had "excellent training" in the Bible as a youngster in St. Johnsbury, Vermont. This title is a guide to that training and to the multi-volume resource compendium that describes the major influences on his training. They include the Town of St. Johnsbury, the Congregational Churches, his own church--the North Congregational Church, Sunday School, Christian Endeavor Society, the enormous impact of the Fairbanks family on the community and church and educational system. Dr. Bob's own deep family involvement in the church and town activities, the St. Johnsbury Academy, the town library (Athenaeum) and Fairbanks Museum, the YMCA, and the Great Awakening of 1875 that brought revivals, Gospel meetings, conversions, prayer, and Bible study to the fore.

The story of Bill Wilson and how the AA. message reached the world/

Dr. Bob DeMaria, a Natural Health Doctor with over years of experience helping women of all ages have optimal hormonal health has simply created a simple tool to help all ages achieve optimal health. Dr. Bob has created a simple prgram for women to follow on their onw or with the assistance of their own health care provider without bio-identical supplementation or creams. The readers will be able to follow along the simple information and assess their own body signals and make wise healthy choices. Dr. Bob's experience is evident in the pages by creating women of all ages seeking to improve their own health from the inside out.

When Dr. Bob Jones, Sr., died on January 16, 1968, the curtain came down on the triple career of this man of God. But the impact goes on. By the time Dr. Jones was 42, amazing crowds thronged the glant temporary board tabernacles in scores of cities rivaling the crowds of Billy Sunday and Dr. Torrey. And even more amazing, he had seen already, a million converts publicly claim the Lord! Whole cities were changed, sometimes doubling the membership of cooperating churches. Newspaper reports were so laudatory in their comparisons with the other one th evangelists then active that Dr. Bob would not allow further reports of the number of converts in his meetings to be published. But here are detailed accounts, newspaper reports of revivals such as this generation never saw nor knew about! How glad we are that multitudes may read about and rejoice in them again. Then Dr. Bob's career as founder and builder of the World's Most Unusual University is pictured: Florida: Cleveland, Tennessee; Greenville, South Carolina. Over 5,000 ministers, pastors, and missionaries in every country in the world preaching "the religion without apology," cross on bridges Dr. Bob built, win souls as he taught them, defend the faith of Christ that he defended. For culture, character training, soul-winning emphasis and solid Christianity, no school in the world compares. We sincerely believe, with Bob Jones University. But Dr. Jones was left in the world for another contemporary career. Like Luther, Wesley, Spurgeon, Torrey, Gray, and Riley, Dr. Jones was a great defender of the faith, left, when others of his generation of old-time evangelists were gone Home. To face the latest compromise!

Evangelicals" arose to sneer at old-time fundamentalists, to mock at their standard about alcohol, tobacco, theater, dancing, and gambling, their insistence on direct creation or their fight against evolution and for the word-for-word inspiration of the Bible. These New Evangelicals joined with infidels in denominations and in mass evangelism, insisted on no fight exposing modernism. Dr. Jones was attacked, slandered, misrepresented, but he nobly stood his ground, encouraged thousands to stay true, kept the University true. Along with the giants of yesterday mightly man, Dr. Bob Jones Sr., builder of bridges for us all. What a triumphal entry into Glory he must have had! - Jacket flap.

The basic text for Alcoholics Anonymous.

A wise, witty, sometimes heartbreaking love story about a pet doctor who discovers that the best relationships are often the most surprising Dr. Robert Heller is one of New York City's leading veterinarians, and his "Ask Dr. Bob" advice column is hugely popular among pet-lovers. Yet Dr. Bob understands animals a lot better than people, and he definitely could use some advice of his own—especially when it comes to his family. His father is angry and controlling, his mother is nearly invisible, and his brother seems bent on destroying not just his own life but the lives of everyone around him. As for Bob's wife, Anna, she is all but perfect, assuming one can ignore her own colorful but deeply dysfunctional clan. And then, just when Bob thinks he's figured out what it takes to thrive in the human world as comfortably as he does among cats, dogs, and hamsters, tragedy strikes. How can he go on living when he is suddenly, soul-killingly alone? In previous books, Peter Gethers has written charming true tales about what a man can learn from a beloved cat. Now he ventures into new territory with a funny, touching novel about a pet doctor who finds out what it means to be human, and what a family must do to truly become a family. Full of unforgettable characters, Ask Bob will remind everyone that sometimes we need a lot more than love to make the world go around—but that love is an awfully good place to start.

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 32. Chapters: Aubrey W. Young, Bill W., Bill W. and Dr. Bob, Bill Wilson House, Bob Smith (doctor), Captain Stone House, Charles B. Towns, Ebbv Thacher, Effectiveness of Alcoholics Anonymous, Higher Power, History of Alcoholics Anonymous, Jim Burwell, John Hughes (counselor), Lois W., Marty Mann, My Name Is Bill W., Rowland Hazard III, Sam Shoemaker, Serenity Prayer, Sister Ignatia, Stepping Stones (home), The Big Book (Alcoholics Anonymous), Twelve-step Suite, Twelve Traditions, William C. Borchert.

There is a biological force within the body that wants you to live to old age. While conventionally this force is known in medicine as the immune system, Dr. Bob calls it: "The Biological Soul." The Biological Soul is designed to protect you and allow you to live a healthy life. This force is tangible, measurable, lives within the physical body and determines our age and wellbeing through life. It is physical and complex and, in many ways, spiritual. It is affected by life's stresses, by diets, and by overall health and though not immortal; it both shapes your life and your life shapes it. IMMUNITY STRONG walks readers through how the immune system works, what makes it safe and what modern science reveals about how it connects to every part of the body to keep it alive—as the seat of our "Biological Soul." Written in Dr. Bob's trade-mark down-to earth style, the book explains that the normal immune system functions like a police department protecting the body from harm. While as a nation we have recently been focused on the effects of infections, the book reveals that it is important to note that disorders of immunity are at the root of most diseases that shorten or impact our lives. From chronic pain and fatigue syndromes, heart disease and clogged arteries and even the ability to recognize and destroy cancer, to multiple sclerosis, lupus, celiac disease, rheumatoid arthritis and autoimmune disorders are all linked to one or another glitch in the immune system. The purpose of this book is to provide significant information on the incredible complexity of the immune system and how the integration of spiritual, scientific, and emotional values can enhance health. It is Dr. Bob's hope that readers will find a new appreciation of the miracle that is the physical body and to understand the potential within our Biological Soul to promote longevity and overall happiness to life. IMMUNITY STRONG: Boost Your Body's Natural Healing Power and Live to 100 is a must-read for anyone wishing to nurture and enhance their health.

Be Healed

In his bestselling Guide to Turning Back the Clock, Dr. Bob Arnot showed men everywhere how to look younger, feel younger, be younger Now, in his new book, he reveals the secrets of permanent weight loss for both men and women -- and gives us a breakthrough eating plan for the twenty-first century. Drawing on up-to-the-minute research in many disciplines, Arnot demonstrates that foods act like drugs on the body: some invariably promote weight gain and we feel terrible; others almost guarantee weight loss and make us feel terrific. Armed with these findings, Arnot shows step-by-step how anyone can discover new energy, shed unwanted pounds, and never suffer from hunger pangs -- simply by eating the right foods in the right combinations. Complete with the most potent food charts ever assembled -- a complete arsenal of foods to promote weight control -- plus fat-loss accelerators, fat-tipping exercises, tips on dining in restaurants, and much more, Dr. Bob Arnot's Perfect Weight Control for Men and Women, is the ultimate guide for everyone who wants to feel great, lose weight, and look great.

This journey will equip you with priceless information, empower you to make necessary improvements, and enable you to be a good steward of the body God has given you.

The textbook, Dr. Bob and the Good Oldtimers, is a detailed biography of this co-founder of Alcoholics Anonymous. This workbook is intended to help the reader make a thorough study of his life.

Shares advice on the risk factors, symptoms, treatment, and prevention of heart disease.

A.A. co-founder Bill W. tells the story of the growth of Alcoholics Anonymous from its make-or-break beginnings in New York and Akron in the early 1930s to its spread across the country and overseas in the years that followed. A wealth of personal accounts and anecdotes portray the dramatic power of the A.A. Twelve Step program of recovery — unique not only in its approach to treating alcoholism but also in its spiritual impact and social influence. Bill recounts the evolution of the Twelve Steps, the Twelve Traditions and the Twelve Concepts for World Service — those principles and practices that protect A.A.'s Three Legacies of Recovery, Unity and Service — and how in 1955 the responsibility for these were passed on by the founding members to the Fellowship (A.A.'s membership at large). In closing chapters of Alcoholics Anonymous Comes of Age, early "friends of A.A.," including the influential Dr. Silkworth and Father Ed Dowling, share their perspectives. Includes 16 pages of archival photographs. For those interested in the history of A.A. and how it has withstood the test of time, Alcoholics

Anonymous Comes of Age offers on the growth of this ground-breaking movement. Alcoholics Anonymous Comes of Age has been approved by the General Service Conference.

Many thousands have benefited from "The Big Book" and its simple but profound explanation of the doctrines behind Alcoholics Anonymous, which was founded in 1935 by Bill Wilson and Dr. Bob Smith. This original 1939 edition outlines the famous 12 steps, and offers counsel for those who wish to join the program but doubt the existence of a higher power. It also contains encouraging personal stories, in which AA members relate their experiences with alcohol and how they found the path to sobriety. "The Big Book" has gone through numerous editions and remains the most widely used resource for recovering alcoholics. Only the original 1939 edition includes all 29 stories of the program's pioneers, which share the details of their full journey, including initial recovery, sometimes followed by relapse and eventual success. This edition also features the key to the solution claimed by Bill Wilson: a vital spiritual experience that allows followers to rediscover, or discover, God. This realistic portrayal of the program as offered by its founders has been lost in subsequent editions of the work, and is presented here to serve as a reminder that success comes in many forms.

Medical practice is undergoing the most radical changes seen in decades. Novel reimbursement models, impersonalization caused by technology, and increasing demands on providers' limited time are causing unhappiness among practitioners and patients alike. Yet, the patient experience and patient satisfaction are more important than ever. Patient experience affects patient outcomes, and patient satisfaction scores will affect how much physicians and other health care providers get paid. In The Performance of Medicine, Dr. Bob Baker offers practical strategies and techniques that physicians and other practitioners can implement easily and immediately to give patients the best possible experience with no additional expenditure of time. An internist/gastroenterologist with 35 years of private practice experience, and a professional magician/ventiloquist with 50 years of live performance experience, Dr. Baker seamlessly weaves the techniques he used to garner top reviews from his patients

Women's health.

In the tradition of such beloved spiritual teachers as Francis MacNutt and Michael Scanlan, Be Healed: A Guide to Encountering the Powerful Love of Jesus in Your Life offers in book form Bob Schuchts's popular program for spiritual, emotional, and physical healing through the power of the Holy Spirit and the sacraments. This renowned program for spiritual restoration is steeped in scripture and the wisdom of the Catholic Church. Deeply intimate and vulnerable about his own journey of healing, Catholic therapist Bob Schuchts connects with his readers by sharing the series of betrayals he endured in high school—his father's infidelity, his parents' divorce, and his older brother's drug addiction—and his subsequent seasons of struggle with God and faith. Be Healed is based on the program first used in dioceses across the United States to form the hearts and minds of Catholic clergy. Schuchts's trusted process for finding inner peace and healing is now expanded to serve the entire body of Christ, helping people recognize their brokenness and find hope in the risen Christ.

A fascinating, account of the discovery and program of Alcoholics Anonymous, Not God contains anecdotes and excerpts from the diaries, correspondence, and occasional memoirs of AA's early figures. The most complete history of A.A. ever written. Not God contains anecdotes and excerpts from the diaries, correspondence, and occasional memoirs of A.A.'s early figures. A fascinating, fast-moving, and authoritative account of the discovery and development of the program and fellowship that we know today as Alcoholics Anonymous. The Vaccine Book offers parents a fair, impartial, fact-based resource from the most trusted name in pediatrics. Dr. Bob devotes each chapter in the book to a diseaseVaccine pair and offers a comprehensive discussion of what the disease is, how common or rare it is, how serious or harmless it is, the ingredients of the vaccine, and any possible side effects from the vaccine. This completely revised edition offers: Updated information on each vaccine and disease More detail on vaccines' side effects Expanded discussions of combination vaccines A new section on adult vaccines Additional options for alternative vaccine schedules A guide to Canadian vaccinations The Vaccine Book provides exactly the information parents want and need as they make their way through the vaccination maze.

Dr Bob and Bill W Speak

We live in a very toxic time in history. Daily headlines in newspapers, internet news and major magazines continuously report on the negative conditions of our water, food and air. The green movement is popularly creating a mindset to secure a safer cleaner environment, but little is said about the circumstances our bodies need to contend with. Dr. Bob Drugless Guide to Detoxification is a logical plan for you to establish true wellness in your body from the inside out. You will be provided with clinically proven time tested protocols that can b be followed in the comfort of your own home environment. You do not need to travel to distant clinics or follow strict stressful diet plans. You will learn what you can purchase at your own grocery or select food mart. Dr. Bob has successfully helped thousands over his career with the information in this guide.

Dr Bob Arnot, drawing on the most recent scientific findings on the way the human body processes food, has developed a comprehensive weight control program.
