

Dragon Ball: V 4 (Dragon Ball Chapter Books)

Goku's adventure from the best-selling classic manga Dragon Ball continues in this new series written by Akira Toriyama himself! Ever since Goku became Earth's greatest hero and gathered the seven Dragon Balls to defeat the evil Boo, his life on Earth has grown a little dull. But new threats loom overhead, and Goku and his friends will have to defend the planet once again in this continuation of Akira Toriyama's best-selling series, Dragon Ball! The Tournament of Power is over and Goku and Vegeta have embarked on a new adventure...in space! The Galactic Patrol experiences its worst prison break ever, and the evil Moro—a planet-eating monster—escapes! Moro's goal is attaining the Dragon Balls of New Namek, and it's up to Goku, Vegeta and the Galactic Patrol to stop him! But how can they do anything when Moro can drain them of their energy just by being near them?!

Containing the first 50 chapters of China's best-loved work, in an edited, yet complete and wholly accurate translation for the Western reader. Volume 1 begins with Monkey's birth, his secret education in the ways of magic at the hands of the Patriarch, his dealings with the Cloud Emperor, the famous revolt in heaven, and the Great Sage's fall and punishment. Then, with a reprieve, Monkey joins the Tang Priest as his guide to India. Paired with the monster Pig and Friar Sand, the quartet embark on a quest at once dazzling and comic, with non-stop action.

Goku, Earth's ultimate warrior, and his son, Gohan, must face new deadly enemies who wish to obtain the Dragon Balls to destroy the Earth.

Son Goku battles the demon king! In Dragon Ball Culture Volume 5 we'll reunite with Goku and his friends as they compete in the 22nd Tenkaichi Budokai. Then we'll join them as they fight in a life or death battle against the Demon King Pikkoro! Akira Toriyama starts us off by introducing three new characters into the story. These are Tenshinhan, Chaozu, and their evil master, Tsuru-sennin. This book reveals each of their cultural backgrounds. That's right, if you've ever said to yourself, “Why does Tenshinhan have a third eye?” and, “What the heck is Chaozu?!” then this is the book you've been waiting for. Toriyama then takes the Dragon Ball story to new depths by adding demons and gods into the mix. He increases the intensity of the series and makes it so Goku has no choice but to train harder in order to enact his revenge. And the way Goku does it is straight out of secret Daoist meditation practices of ancient China. Inside these pages you'll discover the true origin of the demon king, find out how Goku learns to sense the energy of his opponents, and understand the full power of the world famous senzu. This book contains hundreds of new revelations about your favorite characters and their adventures through the Dragon World. Volume 5 explores Chapters 113 to 161. It's time to face your demons!

The Lords of Everything are about to host the Tournament of Power! The Zen Exhibition Match between the Gods of Destruction comes to an end, and the rules for the main event are set. Having acquired a new power of his own, Vegeta has returned home to Earth for a grudge match. His Forced Spirit Fission is capable of separating Moro from the energy he's stolen, but the mighty villian still has some tricks of his own...and not just the backup copy he made of Seven-Three's powers! -- VIZ Media

What would the world be like if 80 percent of the population manifested superpowers called “Quirks” at age four? Heroes and villains would be battling it out everywhere! Being a hero would mean learning to use your power, but where would you go to study? The Hero Academy of course! But what would you do if you were one of the 20 percent who were born Quirkless? Getting into U.A. High School was difficult enough, but it was only the beginning of Izuku's long road toward becoming a superhero. The new students all have some amazing powers, and although Izuku has inherited All Might's abilities, he can barely control them. Then the first-year students are told they will have to compete just to avoid being expelled!

Goku goes west! His grand adventure begins anew as his martial arts master tells him to travel the world to increase his power. But what will happen when this naive boy enters the real world and meets people who want to harm him? Will he be able to find his grandpa's 4-Star dragon ball, or will the villainous Red Ribbon Army get to it first?! In Dragon Ball Culture Volume 4, you'll discover the origin of the Red Ribbon Army in Western cinema. You'll see how author Akira Toriyama brings Western concepts into his Eastern world and fuses them together, creating the Dragon World that we know and love. And you'll learn how monster movies, witches, and magical dragons mix together to tell a story about a young boy with a dream of becoming stronger. Volume 4 explores Chapters 54 to 112 of the Dragon Ball manga. So let's hop on our magic cloud and head west with Goku!
