The New York Times best-selling creator of the Tapping Solution offers a three-week program of practical self-inquiry and hands-on work designed to unlock your life's full potential. Have you ever had the feeling your life just isn't working? That no matter how much you push and direct, or sit back and let go, the square peg you're holding just won't fit into the round hole that is your life? What if, instead, the roadblocks went away? What if you could experience more ease and flow in your life, banish self-doubt, fear, and anxiety, and live your greatest life? Can you imagine what that would look like--and more important, what it would feel like? Now Tapping Solution creator and New York Times best-selling author Nick Ortner helps you not only imagine it but make it a reality. The Tapping Solution for Manifesting Your Greatest Self guides you through

a 21-day process of self-discovery and self-development using the simple, proven practice called Tapping (also known as Emotional Freedom Techniques). Each of the 21 stages includes a Daily Challenge and a Tapping Meditation to help the changes you're making take root. And you can work through the program at your own pace--doing one stage every day, every three days, every week, or whatever you like--with exclusive e-mail reminders from Nick to support you throughout the process. Drawing on wisdom sources from Aristotle to Dr. Seuss, along with Nick's own deep well of insight and stories from his daily life, this book is terrific fun to read. It's also a powerful tool for transformation. "We're going to work together to let your light shine brighter than ever before," Nick writes, "to create the life experiences you most deserve and desire." Ready? Then let's get tapping! EFT (Emotional Freedom Techniques) is a self-help tool to alleviate the emotional, mental, and physical struggles that come with cancer. EFT will support you every step of the way on your cancer journey, from diagnosis and decision-making

through treatment and recovery. EFT (Emotional Freedom Techniques), commonly called tapping, is an invaluable tool for anyone who is dealing with cancer. Research has shown that it is an effective method for alleviating emotional and psychological upsets as well as physical pain. With all of these factoring into the cancer experience, adding EFT to your healing program is a form of self-care you can implement today. EFT will support you every step of the way on your cancer journey. EFT combines acupuncture (tapping on the points) and psychology's exposure therapy and cognitive behavior therapy (focusing on whatever is distressing you). It is easy to learn and apply. EFT for Cancer gives you everything you need to start using EFT now, providing simple instructions, tapping scripts for the myriad issues that arise with cancer, case histories throughout the book showing you how other people have used EFT to deal with their cancer, plus information on the science of EFT as an evidence-based practice. The 14 chapters in the book detail how you can use EFT to address the gamut of cancer experiences: diagnosis

shock, common emotions such as fear and anger, physical pain, dealing with medical decisions and treatment, relating to loved ones, asking for and accepting support, clearing regrets, improving body image and self-esteem, talking about your condition, clearing obstacles to healing, special issues women and men with cancer face, death and dying, and self-care for supporters and caretakers, as well as how to use EFT with children.

Margaret Lynch teaches us how to use Tapping (Emotional Freedom Techniques) to clear the blocks to achieving greater wealth. Emotional Freedom Techniques (EFT), also known as Tapping, have become a popular tool for realizing personal goals. For many of us, increasing our wealth is one of our greatest ambitions, but also an area where we feel the most stuck because we have limiting fears and beliefs that sabotage our success. EFT uses the fingertips to tap on acupuncture points while emotionally tuning in to negative attitudes and past experiences, thereby clearing the inner blocks to attracting and managing wealth. Tapping Into Wealth includes QR codes that link to video demonstrations of Tapping techniques. Discover how Tapping can help you release your old views of money and open the door to more wealth than you ever imagined.

Have you ever had trouble losing weight no matter how hard you restricted your calorie intake, or how vigorously you exercised on a daily basis? I know I've had my fair share of frustrating experiences here and there. If you're just like me, and many other women out there, I'm sure you know how it feels to practically exhaust all efforts to no avail. While this may be very troubling, and may seem like a hopeless feat, you might take comfort in knowing that you actually aren't alone. In the years 2017 and 2018, the recorded percentage of people suffering from obesity in the United States alone

Most of us deal with addiction in some form. While you may not be a fall-down drunk, anorexic, or a gambling addict, you likely struggle with addiction in other ways. Workaholism, overeating, and compulsively engaging with technology like video games, texting, and Facebook are also highly common examples. And if you don't suffer from addiction, chances are you know someone who does. Through more than 20 years of recovery and in working professionally with others, Tommy Rosen has uncovered core elements of recovery and healing, what he refers to as Recovery 2.0. In the book, he shares his own past struggles with addiction, and powerful, tested tools for breaking free from the obstacles that stand in the way of a holistic and lasting recovery. Building off the key tenets of the 12-Step program, he has developed an innovative approach that includes

- Looking at the roots of addiction; your family history and "Addiction Story"
- Daily breathing practices, meditation, yoga, and body awareness
- A healthy, alkaline-based

Weight loss is one of the most frustrating problems imaginable. People trying to lose weight usually fail, and most wind up weighing more than before. Not with EFT! Several studies show that by using the method in this book, called "Clinical EFT" because it's the only version of EFT validated in dozens of clinical trials, you can lose weight, and keep it off permanently. One study found that people lost an average of 11 lb. in the year after a Clinical EFT weight loss program. In this book you'll hear from dozens of people who lost weight successfully with EFT. Their deeply moving stories tell how many other parts of their lives improved too, from skin tone to marriage, from self-confidence to financial abundance. That's because EFT, also called Tapping, eliminates stress. Author Dawson Church has conducted many scientific studies of EFT. These show that Clinical EFT reduces cortisol, your main stress

Discover EFT Tapping Emotional Freedom Technique or EFT is a psychological acupressure technique that involves tapping near the end points of energy meridians in your body. EFT is an effective combination of mind-body medicine and acupressure that can help with physical, mental and emotional health issues. EFT Tapping borrows much of its healing process from the meridian system that traditional acupuncture has used for over 5,000 years. Whereas acupuncture focuses primarily on the treatment of physical ailments, EFT addresses and relieves both physical and mental issues. In essence, EFT Tapping combines the cognitive benefits of conventional therapy with the physical benefits of acupuncture. EFT is also a less invasive technique in that it stimulates meridian points by tapping with the fingertips, rather than by using needles. EFT works by tapping away negative energy blockages and disturbances. It thereby helps restore your energy flow in its natural balanced state, which is ideal for overall health and well-being. Through EFT, many people have: improved their personal performance; strengthened their relationships; freed themselves from limiting beliefs; and achieved a vibrant physical and mental health. Improve Your Life with EFT Tapping EFT Tapping has been proven useful in healing, or reducing the intensity of, physical illnesses and emotional problems. In this book you will learn the 5 basic

steps of a classic EFT exercise, which you can use to work on any specific issue you may have. You will also learn an alternative tapping sequence called the EFT Heart and Soul Protocol, so that you can add variety to your exercises and choose the tapping protocol you're most comfortable with. The book is instructive and to the point: it uses diagrams to illustrate tapping points and also includes a list of videos to practice and improve your tapping skills. Millions of people around the world already use EFT for a happier, healthier and more balanced life. Use the information you'll find in this book to improve your condition, resolve any emotional or internal conflicts you may be experiencing or any problems you may be facing. Why not give it a try? Take advantage of EFT to be more positive and happy. Use EFT Tapping to make your life better!

Nick Ortner, founder of the Tapping World Summit and best-selling filmmaker of The Tapping Solution, is at the forefront of a new healing movement. In his upcoming book, The Tapping Solution, he gives readers everything they need to successfully start using the powerful practice of tapping – or Emotional Freedom Techniques (EFT). Tapping is one of the fastest and easiest ways to address both the emotional and physical problems that tend to hamper our lives. Using the energy meridians of the body, practitioners tap on specific points while focusing on particular negative emotions or physical sensations. The tapping helps calm the nervous system to restore the balance of energy in the body, and in turn rewire the brain to respond in healthy ways. This kind of conditioning can help rid practitioners of everything from chronic pain to phobias to addictions. Because of tapping's proven success in healing such a variety of problems, Ortner recommends to try it on any challenging issue. In The Tapping Solution, Ortner describes not only the history and science of tapping but also the practical applications.

In a friendly voice, he lays out easy-to-use practices, diagrams, and worksheets that will teach readers, step-by-step, how to tap on a variety of issues. With chapters covering everything from the alleviation of pain to the encouragement of weight loss to fostering better relationships, Ortner opens readers' eyes to just how powerful this practice can be. Throughout the book, readers will see real-life stories of healing ranging from easing the pain of fibromyalgia to overcoming a fear of flying. The simple strategies Ortner outlines will help readers release their fears and clear the limiting beliefs that hold them back from creating the life they want. If you've ever tried tapping but weren't sure what to say, this book is your solution! This book contains 50 tapping scripts on a variety of subjects. Whether you're trying to avoid overeating, want to learn how to set healthy boundaries, let go of criticism for yourself or others, or if you simply want to uplift your energy, this book will have a script for you. Tapping, also known as Emotional Freedom Technique or EFT, is a simple and effective technique that can be used to shift fears, phobias, long-held limiting beliefs and behavior patterns that no longer serve us. Tapping involves lightly tapping with the fingertips on different points on the face and body. Tapping is a tool you can use to empower yourself and create a shift in your behavior and thinking. As we tap on the different points, we state the issue and feelings that are troubling us. After we get everything out about the issue, the next step is to take ownership and acknowledge that we have the power within ourselves to change. Lastly, we describe the new behavior, attitude or action that will take the place of the old way. The result is liberation of the old way and empowerment into what serves us. When in doubt, tap it out and feel better!

gets right down to the heart of what it takes to change and have a better, healthier, and more love-filled life." -- Christiane Northrup, M.D. Why do we fear the unknown so intensely that we're willing to shy away from our deepest desires and settle for playing small? Why do we get enthused when we first start something, only to burn out the moment things feel challenging? And why, even when we get the outcomes we desire, do we often struggle to sustain them and instead slip back into old, self-sabotaging patterns? In *The Tapping Solution to Create Lasting Change*, available for the first time in paperback, New York Times best-selling author Jessica Ortner shares the lessons she's learned about what it feels like to flow through change and how to bring about real transformation in ways that are both authentic and empowering. Her gentle, relatable guidance shows you how to use Tapping, also known as EFT, as a tool for finding the clarity and the ease you crave to move forward; how to navigate the unknown with new energy, hope and an open heart; and how to release the doubts and fears that are clouding your judgment so you can rediscover your true path. It's a new way to look at the one unavoidable constant in life--change--not as an obstacle in our path but as a doorway to joy.

points to tap and in what order Tapping, or Emotional Freedom Technique (EFT), is a simple form of acupressure that treats the energetic roots of emotional and physical suffering. By tapping on specific meridian points you can quickly and easily dissolve blockages in the body's energy system, caused by past traumas and suppressed emotions such as grief and anger, and restore the natural flow of energy in your body, the key to optimal health and overall well-being. In this step-by-step guide to EFT, Sophie Merle details the practice of tapping, illustrating the easily accessible points on the face, hands, and torso to tap and in what order. Explaining how to open your energetic system to EFT treatment for fast and long-lasting results, she reveals how the energy psychology practice of tapping can be applied to any area of your life but is particularly effective for emotional and psychological conditions, including panic attacks, anxiety, depression, PTSD, grief, anger, jealousy, and phobias, such as stage fright or fear of flying, providing immediate results in many cases. She also shows how this method can treat chronic pain, nausea, and headaches; alleviate insomnia and nightmares; assist physical healing from illness; encourage the release of painful memories; boost self-confidence; support weight loss; and improve concentration. The author explains how tapping can be done anywhere, offering both the full tapping protocol, which only takes a few minutes, and a short-form version, which takes less than a minute, for acute issues. Including remarkable success stories of EFT in practice, this comprehensive guide to tapping shows how the solution to many of life's problems is at your fingertips.

EFT (Emotional Freedom Techniques or "tapping") is used by an estimated 10 million people worldwide. Yet a lack of standardization has led to a field in which dozens of forms of EFT, with varying degrees of fidelity to the original, can be found. This led to the establishment of Clinical EFT, the form of EFT taught in the original EFT Manual and associated materials, and validated in over 20 clinical trials. In this volume, the most noted scholars, researchers and clinicians in the field compile a definitive outline of the EFT protocol, as it is applied in medicine, psychiatry, psychotherapy, and life coaching. This first volume covers • Biomedical and Physics

Principles • Psychological Trauma • Fundamental Techniques of Clinical EFT. This series of handbooks is essential reading for anyone wishing to understand EFT as validated in research, science, and best clinical practice.

The most important relationship we will ever have will be with ourselves. It is the basis of who we are, our foundation. The beliefs we have about ourselves dictate what happens in our lives, how we are treated, and what we can expect out of life. If we do not believe we have any worth that energy will be sent out to everyone we interact with. This energy will determine our posture, the words we speak, and our reaction to what is spoken to us. Here is a preview of what you'll learn inside...

what your personal roadblocks are, tapping can help you get over them Health is not a condition of matter, but of Mind. -Mary Baker Eddy Right now take a moment and ask yourself what are the issues you are struggling with that are currently holding your back? Do you experience crippling stress? Are you prone to procrastination? Do you want to quit smoking or lose weight? Whatever it is take heart and know that you are not alone. To one extent or another everyone you meet is fighting their own desperate battle. What's more I'm sure that you've made many attempts to overcome your own personal demons in the past only to come up short. Why is making real, positive change so difficult? The problem, more often than not, is in your mind. From the time you are born your brain is constantly trying to understand and relate to the world by way of cause and effect relationships. Some cause and effect relationships, such as the seemingly instantaneous urge to remove your hand from fire, are obviously beneficial. However as we get older these cause and effect relationships can become mixed up and confused and actually hold us back. An example of this is learning to respond to stress by drinking, smoking, or overeating. This is the problem that most of us face. Often without knowing it we have constrained ourselves in invisible chains of our own creation. This is what holds us back and why it can be so hard to change. Breaking these invisible bonds and replacing them with positive habits is what meridian tapping is all about. Not unlike acupuncture or

The body, like everything in the universe is composed of energy. And Chakras are energy centers within the human body that help to regulate all its processes, from organ function to the immune system and emotions. EFT (The Emotional Freedom Technique) is a method of tapping with the fingertips, on the meridian points located on different parts of the body, while focusing on a particular issue. In this book, advanced EFT techniques are used for the scripts designed to help one tap on each chakra--as the issues that relate to each chakra are explored and the energy around them, regulated and balanced. Take-Aways: The techniques used in the book are detailed, yet simplified to allow ease of use. Anyone will be able to follow the simple instructions to tap and balance their energy. After tapping on each chakra, the chakra's energy will be regulated, and the negative emotions and physical symptoms that stem from the energy disruption will also be dissolved. When all the seven Chakras are open optimally, this helps the individual to function properly physically, emotionally and spiritually. Other benefits include, but are not limited to: -Reduced anxiety, stress and fear.-Clarity and faith. -Feel unconditional love for the self and others.-Achieve emotional freedom from the negative past. -Speak your truth without fear.-Achieve physical well-being. -Feel grounded, calm and confident. Whether you are a Coach who wants to help your clients regulate and balance their Chakras and hence their

“Gabrielle is the real thing. I respect her work immensely.” —Dr. Wayne Dyer “A new role model.” —The New York Times “I came to one of Bernstein’s monthly lectures and got my first look at the woman I’d one day unabashedly refer to as ‘my guru.’” —Elle From #1 New York Times bestselling author Gabrielle Bernstein comes a clear, proactive, step-by-step process to release the beliefs that hold you back from living a better life. This six-step practice offers many promises. Petty resentments will disappear, compassion will replace attack, the energy of resistance will transform into freedom and you’ll feel more peace and happiness than you’ve ever known. I can testify to these results because I’ve lived them. I’ve never felt more freedom and joy than I have when writing and practicing these steps. My commitment to healing my own relationship to judgment has changed my life in profound ways. My awareness of my judgment has helped me become a more mindful and conscious person. My willingness to heal these perceptions has set me free. I have been able to let go of resentments

and jealousies, I can face pain with curiosity and love, and I forgive others and myself much more easily. Best of all, I have a healthy relationship to judgment so that I can witness when it shows up and I can use these steps to quickly return to love. The Judgment Detox is an interactive six-step process that calls on spiritual principles from the text A Course in Miracles, Kundalini yoga, the Emotional Freedom Technique (aka Tapping), meditation, prayer and metaphysical teachings. I've demystified these principles to make them easy to commit to and apply in your daily life. Each lesson builds upon the next to support true healing. When you commit to following the process and become willing to let go, judgment, pain and suffering will begin to dissolve. And the miracles will keep coming. Once you begin to feel better you start to release your resistance to love. The more you practice these steps, the more love enters into your consciousness and into your energetic vibration. When you're in harmony with love, you receive more of what you want. Your energy attracts its likeness. So when you shift your energy from defensive judgment to free-flowing love your life gets awesome. You'll attract exactly what you need, your relationships will heal, your health will improve and you'll feel safer and more secure. One loving thought at a time creates a miracle. Follow these steps to clear all blocks, spread more love and live a miraculous life.

“The Tapping Solution for Weight Loss and Body Confidence may just go down in history as a game-changer when it comes to leading women out of weight loss hell.” — Cheryl Richardson, New York Times best-selling author of The Art of Extreme Self-Care Placing conditions on our lives and our happiness has become the norm. We see it all the time: We must establish a career before looking for a relationship. We must find love before feeling fulfilled. We must feel stressed out until we finish everything on our to-do list. But by far, the most common conditions we put on ourselves revolve around our weight—no love until we lose the weight, no pursuing a dream until we lose the weight, no happiness until we lose the weight. But now there’s a better option. Using tapping, also known as EFT, Jessica Ortner walks you through a process that helps you drop stress so you can drop pounds—without dieting, deprivation, or extreme exercise. Tapping, a tool that is based on the principles of both ancient acupressure and modern psychology, helps you address the underlying issues that make your body hold on to weight and gives you the ability to overcome some of the most common

*More than 100 million Americans deal with chronic pain every day. And if you're one of them, you've probably tried all the normal "solutions": doctors, injections, medications, and surgeries. While these all have a place in healing, they have fallen short in dealing with the pain epidemic. So what can you do? In *The Tapping Solution for Pain Relief*, Nick Ortner presents a startling alternative. He lays out a step-by-step plan that teaches you how to use tapping, or EFT (emotional freedom techniques), to reduce or eliminate chronic pain. Looking at the scientific research surrounding pain, stress, and tapping, he opens your eyes to just how powerful tapping can be, and then outlines tips and techniques to address pain in both the short and long term. Nick guides you on a journey that begins on the surface—tapping to address the pain itself—and moves to the deeper issues that often affect pain. With easy-to-follow tapping scripts and exercises, Nick helps you heal the emotional pain and underlying beliefs that often keep people stuck. He also addresses topics that you may not think of as associated with chronic pain, such as:*

- Creating personal boundaries*
- Dealing with toxic relationships*
- Clearing resistance to change*
- Understanding the power of a diagnosis*
- Working through anger*
