

Eggs And Chicks (Usborne Beginners) (Beginners Series)

This is a story about Ted. He decides he is not content with just a red bed, he wants a red shed too. Some pages have fold-out-flaps which give young readers a chance to guess what might happen next.

Answers difficult questions and gives advice on how to deal with racism. Answering difficult questions such as What is race? and How did racism begin? in a way that's both accessible and meaningful, this book is an extremely important addition to the best-selling Lift-the-flap Questions and Answers series

A charming new addition to the best-selling 'That's Not My...' series. Babies and toddlers will love turning the pages and touching the feely patches as they try to find their fluffy friend. Part of an internationally bestselling series, which includes over fifty titles and has sold over 5 million copies in the UK alone. With simple, repetitive text, tactile patches and bold illustrations suitable for babies and toddlers. A little, white mouse appears on every page, for children to spot.

Explores the parenting behavior of birds, describing how some birds build nests, how the chicks develop inside the egg, and how the adult bird cares for its young.

Fat Cat on a Mat

From the bestselling and award-winning A.M. Howell, author of The Garden of Lost Secrets and The House of One Hundred Clocks, comes a brand-new thrilling historical mystery of stolen treasure, friendship and deep courage set in the immediate aftermath of the Second World War. February 1948. Ruth has been whisked off to the lonely Rook Farm to investigate the discovery of long-buried treasure with her mother. But at the farmhouse, she finds secrets lurk around every corner. Joe, the farmer's son, is hiding something about the treasure, while land girl Audrey watches their every move. But before Ruth can find out more, the treasure is stolen... With a storm coming, Ruth must race to uncover the secrets of the treasure keepers before all of their lives are changed forever. Praise for A.M. Howell WINNER OF THE MAL PEET CHILDREN'S AWARD WINNER OF THE EAST ANGLIAN BOOK OF THE YEAR A SUNDAY TIMES CHILDREN'S BOOK OF THE WEEK "Howell is a hypnotically readable writer, who keeps the pulse racing, while allowing every character slowly to unravel." The Telegraph "Gripping plot as well as authentic historical detail." The Daily Mail "Fans of Emma Carroll will adore this historical tale of derring-do and righted wrongs." The Times "Atmospheric, full of period detail, and most importantly, thrilling." The i

Peep inside a bird's nest to see her precious eggs nestled there. Lift a flap to see them hatch, and find out how a bird takes care of its young. Discover all kinds of different nests and chicks, from teeny-tiny humming birds nests to great big muddy flamingo nests, and even learn how penguins take care of their eggs in the snow without a nest at all.

This magical activity book is filled with lots of scenes to decorate. Fill an underwater scene with mermaids, decorate an Indian elephant, create a snowy scene and lots more. With lots of stickers of unicorns, fairies, flamingos and more, including 100 extra-special sparkly stickers to decorate the pages.

Each living thing in nature follows a life cycle. Come with us as we explore growing up from seed to sunflower! A seed is planted in the ground. Before long a shoot grows up toward the sky. Soon it will be a bright sunflower. Get an up-close look at the life cycle of this pretty plant-from seed to sunflower-all in the pages of this book. ABOUT THIS SERIES:Every living thing goes through changes as it grows. Tiny seeds grow into huge pumpkins, beautiful apple trees or tall sunflowers. Little eggs can turn into chickens or frogs. And beautiful butterflies begin life as fuzzy caterpillars. The books in the Growing Up series offer kids the chance to learn what happens at each stage of these life cycles. Engaging text, fascinating facts, and beautiful photos complete these books where readers will discover how the process of a new life starting is always fascinating.

There are lots of different trucks -- crawler trucks, road trains, flatbed trucks, monster trucks, fire trucks and many more. Find out what they all do and how they work in this fascinating book. Trucks is part of an exciting new series of books for children who are beginning to read on their own. The easy-to-read text has been specially written with the help of a reading expert. Book jacket.
