For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

From #1 New York Times bestselling author Brandon Sanderson, the Mistborn series is a heist story of political intrigue and magical, martial-arts action. The impossible has been accomplished. The Lord Ruler -- the man who claimed to be god incarnate and brutally ruled the world for a thousand years -- has been vanquished. But Kelsier, the hero who masterminded that triumph, is dead too, and now the awesome task of building a new world has been left to his young protégé, Vin, the former street urchin who is now the most powerful Mistborn in the land, and to the idealistic young nobleman she loves. As Kelsier's protégé and slayer of the Lord Ruler she is now venerated by a budding new religion, a distinction that makes her intensely uncomfortable. Even more worrying, the mists have begun behaving strangely since the Lord Ruler died, and seem to harbor a strange vaporous entity that haunts her. Stopping assassins may keep Vin's Mistborn skills sharp, but it's the least of her problems. Luthadel, the largest city of the former empire, doesn't run itself, and Vin and the other members of Kelsier's crew, who lead the revolution, must learn a whole new set of practical and political skills to help. It certainly won't get easier with three armies - one of them composed of ferocious giants - now vying to conquer the city, and no sign of the Lord Ruler's hidden cache of atium, the rarest and most powerful allomantic metal. As the siege of Luthadel tightens, an ancient legend seems to offer a glimmer of hope. But even if it really exists, no one knows where to find the Well of Ascension or what manner of power it bestows. “Deftly written, gripping and informative. Empire of Wild is a rip-roaring read!”—Margaret Atwood, From Instagram “Empire of Wild is doing everything I love in a contemporary novel and more. It is tough, funny, beautiful, honest and propulsive—all the while telling a story that needs to be told by a person who needs to be telling it.”—Tommy Orange, author of There There A bold and brilliant new indigenous voice in contemporary literature makes her American debut with this kinetic, imaginative, and sensuous fable inspired by the traditional Canadian Métis legend of the Rogarou—a werewolf-like creature that haunts the roads and woods of native people’s communities. Joan has been searching for her missing husband, Victor, for nearly a year—ever since that terrible night they’d had their first serious argument hours before he mysteriously vanished. Her Métis family has lived in their tightly knit rural community for generations, but no one keeps the old ways . . . until they have to. That moment has arrived for Joan. One morning, grieving and severely hungover, Joan hears a shocking sound coming from inside a revival tent in a gritty Walmart parking lot. It is the unmistakable voice of Victor. Drawn inside, she sees him. He has the same face, the same eyes, the same hands, though his hair is much shorter and he's wearing a suit. But he doesn't seem to recognize Joan at all. He insists his name is Eugene Wolff, and that he is a reverend whose mission is to spread the word of Jesus and grow His flock. Yet Joan suspects there is something dark and terrifying within this charismatic preacher who professes to be a man of God . . . something old and very dangerous. Joan turns to Ajean, an elderly foul-mouthed card shark who is one of the few among her community steeped in the traditions of her people and knowledgeable about their ancient enemies. With the help of the old Métis and her peculiar Johnny-Cash-loving, twelve-year-old nephew Zeus, Joan must find a way to uncover the truth and remind Reverend Wolff who he really is . . . if he really is. Her life, and those of everyone she loves, depends upon it.

Raise. Your. Phantom. In a world on the brink of the next Great Dying, no amount of training can prepare us for what is to come. A young heir will raise the most powerful phantom in all of Baiseen. A dangerous High Savant will do anything to control the nine realms. A mysterious and deadly Mar race will steal children into the sea. And a handsome guide with far too many secrets will make me fall in love. My name is Ash. A lowly scribe meant to observe and record. And yet I might be destined to surprise us all...
