*Language Learners is design to meet the needs of your intermediate and advance ESL business communication students. Essentials of Business Communication for English Language Learners maintains the streamlined, efficient approach to communication that has equipped past learners with the skills needed to be successful in their work. It is ESL friendly and has been modified to help postsecondary and adult second-language learners prepare themselves for new careers, plan a change in their current careers, or upgrade their writing and speaking skills. The text is well-organized, comprehensive and clear. It is helpful for all students who require techniques in successful business writing and speaking skills and is especially helpful to students for whom English is not their first language. The language in this text has been simplified but not "dumbed down". Grammar exercises and sample letters have been revised to suit the ESL learner. For example, terms like, "in the ball park" or "blanket mailings" have been removed or reworded. The section(s) on email strategies as well as communication for the job search are especially upbeat and relevant. The author, Ausra Karka is an expert in the field of ESL instruction and currently teaches at the highly regarded Humber College ESL program. The revisions she incorporated were based on her own class-testing and student feedback. Essentials of Business Communication Cengage Learning*

Capitalist Nigger is an explosive and jarring indictment of the black race. The book asserts that the Negroid race, as naturally endowed as any other, is culpably a non-productive race, a consumer race that depends on other communities for its culture, its language, its feeding and its clothing. Despite enormous natural resources, blacks are economic slaves because they lack the 'devil-may-care' attitude and the 'killer instinct' of the Caucasian, as well as the spider web mentality of the Asian. A Capitalist Nigger must embody ruthlessness

in pursuit of excellence in his drive towards achieving the goal of becoming an economic warrior. In putting forward the idea of the Capitalist Nigger, Chika Onyeani charts a road to success whereby black economic warriors employ the 'Spider Web Doctrine' – discipline, self-reliance, ruthlessness – to escape from their victim mentality. Born in Nigeria, Chika Onyeani is a journalist, editor and former diplomat.

This softcover text centers on the communication skills necessary for conducting a successful job search or making a change in jobs. The ability to conduct research online, present a professional image, and communicate well with potential employers is critical to any job search. The workshops provided give instruction on how to create effective resumes and cover letters, search for job information, prepare for a successful interview, understand job expectations, and make a job change. Multimedia components enhance the impact of the workshops so users can complete a variety of exercises on the computer, watch video footage of people effectively communicating on the job, and use the Internet to conduct further research.

***This new text, *The Practice of Business Communication*, completes the trio of pedagogical approaches offered in the Canadian Guffey series by foregrounding the more student-centred/active learning Problem Based Learning method. In Problem Based Learning, a real-world problem is posed that students try to solve using the skills they currently have as communicators. The problem is designed to get students thinking about material the instructor before the instructor covers it. Problem Based Learning increases classroom activity and engagement levels, fosters self-directed learning, and promotes collaborative learning.***
