Paint by Sticker is the most exciting new idea in activity books, both for grown-ups and kids. A compelling activity for crafters and artists, doodlers and colorers of all ages, each Paint by Sticker Kids book includes everything you need to create ten vibrant, full-color "paintings." The original images are rendered in low-poly, a computer graphics style using geometric polygon shapes to create a 3D effect. As in paint-by-number, each template is divided into spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next—it's an activity that's utterly absorbing, both in the pleasure of peeling and sticking and the growing satisfaction of watching a "painting" come to life, emerging from a flat black-and-white illustration to a dazzling image with color, body, and spirit. Paint by Sticker Kids: Under the Sea is a journey into the world beneath the waves. Kids will create a dolphin, a shark, an octopus, and other denizens of the watery world. The card stock pages are perforated so kids can remove them easily and display, or share, their finished works of art.
