The inspiration behind the major motion picture After We Collided! From New York Times bestselling author and Wattpad sensation Anna Todd, “the biggest literary phenom of her generation” (Cosmopolitan), comes the sequel to the internet’s most talked-about book—now with new exclusive material! Tessa has everything to lose. Hardin has nothing to lose...except her. AFTER WE COLLIDED...Life will never be the same. After a tumultuous beginning to their relationship, Tessa and Hardin were on the path to making things work. She knew he could be cruel, but when a bombshell revelation is dropped about the origins of their relationship—and Hardin’s mysterious past—Tessa is beside herself. Hardin will always be...Hardin. But is he really the deep, thoughtful guy Tessa fell madly in love with despite his angry exterior, or has he been a stranger all along? She wishes she could walk away. It’s just not that easy. Not with the memory of passionate nights spent in his arms. His electric touch. His hungry kisses. Still, Tessa’s not sure she can endure one more broken promise. She put so much on hold for Hardin—school, friends, her mom, a relationship with a guy who really loved her, and now possibly even a promising new career. She needs to move forward with her life. Hardin knows he made a mistake, possibly the biggest one of his life. He’s not going down without a fight. But can he change? Will he change...for love?

A 2021 Sue Grafton Memorial Award Nominee In the highly anticipated follow-up to Flowers Over the Inferno, Superintendent Teresa Battaglia, expert criminal profiler with four decades of experience on the Italian police force, returns for a chilling cold case. A decades-old murder investigation has landed on Superintendent Teresa Battaglia’s desk. DNA analysis has revealed that a painting from the final days of World War II contains matter from a human heart. Teresa is able to trace the evidence to Val Resia, one of Italy’s most isolated, untouched regions. When Teresa’s investigation hits too close to the truth, a fresh human heart is hung at the valley’s entrance, a warning not to cross its threshold. As she hunts a ruthless killer, Teresa must face down her own rapidly deteriorating physical and cognitive abilities, as well as someone she hoped never to see again—a man who has just become her supervisor.

This book explores the contributions of psychological, neuroscientific and philosophical perspectives to the design of contemporary cities. Pursuing an innovative and multidisciplinary approach, it addresses the need to re-launch knowledge and creativity as major cultural and institutional bases of human communities. Dwelling is a form of knowledge and re-invention of reality that involves both the tangible dimension of physical places and their mental representation. Findings in the neuroscientific field are increasingly opening stimulating perspectives on the design of spaces, and highlight how our ability to understand other people is strongly related to our corporeity. The first part of the book focuses on the contributions of various disciplines that deal with the spatial dimension, and explores the dovetailing roles that science and art can play from a multidisciplinary perspective. In turn, the second part formulates proposals on how to promote greater integration between the aesthetic and cultural dimension in spatial design. Given its scope, the book will benefit all scholars, academics and practitioners who are involved in the process of planning, designing and building places, and will foster an international exchange of research, case studies, and theoretical reflections to confront the challenges of designing conscious places and enable the development of communities.

Since the 1997 publication of the first Harry Potter novel, the “Potterverse ” has seen the addition of eight feature films (with a ninth in production), the creation of the interactive Pottermore® website, the release of myriad video games, the construction of the Wizarding World of Harry Potter at Universal Studios, several companion books (such as Fantastic Beasts and Where to Find Them), critical essays and analyses, and the 2016 debut of the original stage play Harry Potter and the Cursed Child. This collection of new essays interprets the Wizarding World beyond the books and films through the lens of convergence culture. Contributors explore how online communities tackle Sorting and games like the Quidditch Cup and the Triwizard Tournament, and analyze how Fantastic Beasts and Harry Potter and the Cursed Child are changing fandom and the canon alike.

Desperate to escape an arranged marriage and the life her high-ranking government official father planned for her, Cat Hunter does the unthinkable. She runs away from her homeland Tellus, disguises herself as a boy, and stows away on an air ship. She’s ready for life in a new land where the general population isn’t poverty stricken and at the mercy of the cruel officials. What she isn’t quite ready for is meeting Fox, a crew member aboard the Stormdancer-which turns out to be a smugglers’ ship. So begins an epic adventure that spans both land and sea. This explosive debut starts a unique six-book series. Each novel will be set in a different land within the Tellus world, with repeating characters and related, nonlinear storylines that combine to create a one-of-a-kind, addictive reading experience.

Written originally as a fanfiction for the series Twilight, the popularity of Fifty Shades of Grey has made obvious what was always clear to fans and literary scholars alike: that it is an essential human activity to read and retell epic stories of famous heroic characters. The Fanfiction Reader showcases the extent to which the archetypal storytelling exemplified by fanfiction has continuities with older forms: the communal tale-telling cultures of the past and the remix cultures of the present have much in common. Short stories that draw on franchises such as Star Trek, Star Wars, Doctor Who, James Bond, and others are accompanied by short contextual and analytical essays wherein Coppa treats fanfiction—a genre primarily written by women and minorities—as a rich literary tradition in which non-mainstream themes and values can thrive.

“An instant classic...highly recommended!” —New York Times and USA TODAY bestselling author Jennifer Probst USA TODAY bestselling indie author Alice Clayton delights readers with the sexy, laugh-out-loud romance of Caroline and Simon in Wallbanger, the first book in the Cocktail series! The first night after Caroline moves into her fantastic new San Francisco apartment, she realizes she’s gaining an—um—intimate knowledge of her new neighbor’s nocturnal adventures. Thanks to paper-thin walls and the guy’s athletic prowess, she can hear not just his bed banging against the wall but the ecstatic response of what seems (as loud night after loud night goes by) like an endless parade of women. And since Caroline is currently on a self-imposed “dating hiatus,” and her neighbor is clearly lethally attractive to women, she finds her fantasies keep her awake even longer than the noise. So when the wallbanging threatens to literally bounce her out of bed, Caroline, clad in sexual frustration and a pink baby-doll nightie, confronts Simon Parker, her heard-but-never-seen neighbor. The tension between them is as thick as the walls are thin, and the results just as mixed. Suddenly, Caroline is finding she may have discovered a whole new definition of neighborly... In a delicious mix of silly and steamy, Alice Clayton dishes out a hot and hilarious tale of exasperation at first sight.

This is the first book to apply the concept of ‘contents tourism’ in a global context and to establish an international and interdisciplinary framework for contents tourism research. The term ‘contents tourism’ gained official recognition in Japan when it was defined by the Japanese government in 2005, and it has been characterised as ‘travel behaviour motivated fun or partially by narratives, characters, locations, and other creative elements of popular culture forms including film, television dramas, manga, anime, novels and computer games’. The book builds on previous research from Japan and explores three main themes of contents tourism: ‘the Contentsization of Literary Worlds’, ‘Tourist Behaviours at ‘Sacred Sites’ of Contents Tourism’ and ‘Contents Tourism as Pilgrimage’ and draws together these key themes to propose a set of policy implications for achieving successful and sustainable contents tourism in the 21st century.

A new book edited by the author of Scarlet Imprint's "Crossed Keys," in which various occult authors offer their insights into the "Knowledge and Conversation of the Holy Guardian Angel." The book is broken into four parts: the nature of the HGA; what comes after contact and how to work with the HGA; different schools of thought about the HGA; and a section devoted to some of the important blog posts made during the 2011 pan-blogosphere debates on the HGA. Essays include: "A Solar Spark of Light And Fire" - Darren Scriven;"Nine Pieces of Heart Advice For Those Seeking The HGA" - Jason Miller; "The Descended Angel" - Scott Michael Stenwick; "Never Again Alone" - Rufus Opus; "After Abramelin: Working With Your Holy Guardian Angel" - Aaron Leitch; "Passing Through The Void: Journey To Unite With Your HGA" - Frater Ashen F.N.F.; "The Voice of Light: The HGA In The Ogdoadic Tradition" - Derik Richards; "Knowledge and Conversation of The HGA: One Thelemites Perspective" - Kevin Abblett; "Holy Guardian Angel(s)? - Conjureman Ali; "Holy Guardian Angels, Helpful Spirits and The Genius" and "2 Years Later - The HGA Revisited" - Michael Cecchetelli.

In Glamorama, Bret Easton Ellis shows us a shadowy looking-glass world, the juncture where fame and fashion, terror and mayhem meet and then begin to resemble the familiar surface of our lives. The centre of the world: 1990s Manhattan. Victor Ward, a model with perfect abs and all the right friends, is seen and photographed everywhere, even in places he hasn’t been and with people he doesn’t know. On the eve of opening the trendiest nightclub in New York history, he’s living with one beautiful model and having an affair with another. Now it’s time to move to the next stage. But the future he gets is not the one he had in mind . . .

Professional football is one of the most popular television 'genres' worldwide, attracting the support of millions of fans, and the sponsorship of powerful companies. In A Game of Two Halves, Sandvoss considers football's relationship with television, its links with transnational capitalism, and the importance of football fandom in forming social and cultural identities around the globe. He presents the phenomenon of football as a reflection postmodern culture and globalization.Through a series of case studies, based in ethnographic audience research, Sandvoss explores the motivations and pleasures of football fans, the intense bond formed between supporters and their clubs, the implications of football consumption on political discourse and citizenship, football as a factor of cultural globalisation, and the pivotal role of football and television in a postmodern cultural order.

The infamous Parker–Hulme murder case inspired this frightening tale of adolescent transgression in an English seaside town. When a thirteen-year-old girl returns from boarding school to her small hometown in Merseyside for summer break, her best friend, Harriet, is not back yet, and she’s restless, anxious for something–anything–to happen. In this state of troubled anticipation, she visits the beach and encounters Peter Biggs, an elegant yet disheveled man in the throes of middle age and an unhappy marriage. A stirring inside of the budding woman makes her feel irresistibly attracted to this man . . . and simultaneously repulsed. But she doesn’t dare do anything about it until Harriet arrives. One year older and much more mischievous, Harriet returns to find her friend in a state of confused obsession. The two girls hatch a plan to “humble” Biggs. At Harriet’s command they proceed to methodically spy on him and his wife, manipulate his desires, and ensnare him in an act of incriminating humiliation, all on the premise that this will be their most daring summer yet. But the power these young women possess is perhaps more sinister and unwieldy than anyone realizes. Award-winning British author Beryl Bainbridge’s first novel, Harriet Said is loosely based on the Parker–Hulme teenage murder case in New Zealand dramatized in the Kate Winslet film Heavenly Creatures. It was originally completed in 1958; however, editors were so scandalized by its gruesome and amoral content that the book was not published until 1972. It has since become a horror classic.

The final chapter in the bestselling, critically acclaimed Daevabad Trilogy, in which a con-woman and an idealistic djinn prince join forces to save a magical kingdom from a devastating civil war. Daevabad has fallen.

After a brutal conquest stripped the city of its magic, Nahid leader Banu Manizheh and her resurrected commander, Dara, must try to repair their fraying alliance and stabilize a fractious, warring people. But the bloodletting and loss of his beloved Nahri have unleashed the worst demons of Dara’s dark past. To vanquish them, he must face some ugly truths about his history and put himself at the mercy of those he once considered enemies. Having narrowly escaped their murderous families and Daevabad’s deadly politics, Nahri and Ali, now safe in Cairo, face difficult choices of their own. While Nahri finds peace in the old rhythms and familiar comforts of her human home, she is haunted by the knowledge that the loved ones she left behind and the people who considered her a savior are at the mercy of a new tyrant. Ali, too, cannot help but look back, and is determined to return to rescue his city and the family that remains. Seeking support in his mother’s homeland, he discovers that his connection to the marid goes far deeper than expected and threatens not only his relationship with Nahri, but his very faith. As peace grows more elusive and old players return, Nahri, Ali, and Dara come to understand that in order to remake the world, they may need to fight those they once loved . . . and take a stand for those they once hurt.

This book is the first to establish the relevance of same-sex desires, pleasures and anxieties in the cinema of post-war Italy. It explores cinematic representations of homosexuality and their significance in a wider cultural struggle in Italy involving society, cinema, and sexuality between the 1940s and 1970s. Besides tracing the evolution of representations through both art and popular films, this book also analyses connections with consumer culture, film criticism and politics. Giori uncovers how complicated negotiations between challenges to and valorization of dominant forms of knowledge of homosexuality shaped representations and argues that they were not always the outcome of hatred but also sought to convey unmentionable pleasures and complications. Through archival research and a survey of more than 600 films, the author enriches our understanding of thirty years of Italian film and cultural history.

Knight wanted. Must have shiny armor and own horse, preferably white. When it comes to romance, are magic, fireworks, and a dashing knight in shining Armani really too much to ask? Apparently so, since Kate Hetherington has yet to find an appropriate mate in all of London. Her lifelong friends (and confirmed pragmatists) Sally and Tom tease her endlessly about her hopeless romanticism. But Kate knows that she’s right to want her own fairy tale. After stumbling upon an old tome titled The Hopeless Romantic’s Handbook, Kate decides to give its advice a whirl. Incredibly, the book lives up to its money-back guarantee, because before Kate can say “Cinderella” she meets Joe Rogers, a drop-dead-gorgeous American actor.

Frankly, he’s perfect—and Kate thinks she might have finally found The One. He certainly has the muscles required to sweep her off her feet. But Sal and Tom are less thrilled with Kate’s dreamboat. Are they just jealous, or do they know something about love that isn’t in Kate’s handbook? Kate’s pretty sure that finding true love isn’t supposed to alienate you from your friends, but what she doesn’t know is that her real knight is still waiting for her—and he’s closer than she ever imagined.

With their world on the brink of war, three young heroes from opposite sides of the conflict embark on a dangerous quest that could change everything. This beautiful book expands on the events of Season 1 of the hit Netflix show The Dragon Prince. WAR IS COMING . . . Four full moons past, humans crossed into the magical lands of Xadia and committed an unspeakable crime: They destroyed the only egg of the Dragon King and Queen. Now a young Moonshadow elf assassin has been sent on her first mission; she will make the humans pay for their heinous act. But before she can complete her task, she and two human princes make an astonishing discovery . . . a discovery that could change everything. And so the three reluctant allies set off in a desperate attempt to stop the coming war. Their journey won't be easy, but the trio soon learns that the most serious threat to their quest can't be fought with magic or physical strength. Can these young heroes overcome the longstanding hatred between humans and elves, and restore peace to their world?Written by Aaron Ehasz (co-creator of The Dragon Prince and head writer of Avatar: The Last Airbender) and Melanie McGanney Ehasz, this first canon novel based on the Netflix original series finally gives fans the full story.

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

In Book 3 of a three-book series, when Lily, aka the "witch queen" and bat-rider extraordinaire Thorn travel to Sultanate of Fire, things go terribly wrong. Instead of celebrating a reunion with their old friend K'leef, they are thrust into royal murder, an epic quest, and a deadly battle for the throne. While investigating the murder, Lily learns shocking truths about her life that could destroy all she has achieved. Yet, among the ruins of her old life, she has the opportunity to become someone greater . . . and more terrifying. Thorn and the magnificent bat, Hades, join the timid K'leef and the idiotic Gabriel Solar in a quest to find a phoenix. These fire birds are the key to saving the sultanate, but they nest within the Shardlands. The boys must defeat not only the monsters of that magical wilderness, but also rivals eager to claim the throne for themselves. Rivals that include a renegade from House Shadow . . . Chilling surprises, ghostly encounters, and belly laughs are just some of the treats in store for readers of this burning-hot desert adventure.

*A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do.
