by the tales of suffering and expressions of hope contained in the letters, which he discovered in a suitcase 75 years later, Ted Gup initially set out to unveil the lives behind them, searching for records and relatives all over the country who could help him flesh out the

family sagas hinted at
in those letters. From

these sources, Gup

has re-created the
impact that Mr B.

Virdot's gift had on

each family. Many

people yearned for

bread, coal, or other

necessities, but many

others received

money from B. Virdot

As Gup's investigations revealed, all these things had the power to turn people's lives around- even to save them. But as he uncovered the suffering and triumphs of dozens of strangers, Gup also learned that Sam Stone was far more

Gup unearths deeply

explain why he felt
