*Four You Say Which Way
Adventures: Pirate Island,
In The Magician's House,
Lost In Lion Country, Once
Upon An Island*

A certified business coach and deception-detection expert shares science-based information on reading people, outlining a seven-day program for using body-language cues to promote personal and professional goals.

Kripslod (from Realmspeak) (1) An implement that is not only useless for the application, but also dangerous to the user. (2) A bigoted, loud, and whiny complainer who causes great trouble for himself and all those around him. What would you do if you were taken from your home on Earth and brought to live on a planet in the farthest reaches of the Galaxy? Would you join a rebel band fighting to topple an oppressive regime? Would you enlist in an interplanetary space expedition and help search the universe for alien civilizations? Would you battle to save the human race from murderous robots? Not if you're Teodor Korzeniowski. No, he doesn't have time for

Acces PDF Four You Say Which Way Adventures:

Lion Country, Once Upon An Island

things like that. He is much too busy trying to get an extra pillow on a Port Leyken Spaceways' interstellar economy flight from Boulanger-Four to I Taisto Station. Welcome to the new worlds of Teodor Korzeniowski—formerly of Utica, NY and now a reluctant Citizen of the Realm. Here he will be knocked-over and stepped on by the biggest and toughest space-faring carnivores in our Galaxy. He'll meet and become the legal mate of a human female medical technician whose ancestors were once curiosities in an interplanetary traveling menagerie. He'll join his mate in attending the graduation of new officers in the Imperial Majesty's dreaded Secret Police. Then endanger them both when he becomes the typical 'ugly American' and gives his opinions about everything and everyone. Including her Imperial Majesty and her need to lose more than a little weight. In this volume, Teodor and his long-suffering mate will be joined by: Guard Admiral Reinier of the Political Police. (He insists that the condiments on the tables in the officer's mess be arranged symmetrically at all times.) Teodor's father-in-law. (He watches etiquette programs on the screens and still has a few choice metaphors for his unemployed son-in-law from Earth.) And

Acces PDF Four You Say Which Way Adventures: Pirate Island, In The Magician's House, Lost In Lion Country, Once Upon An Island

the usual assortment of radical terrorists, waiters, psychotic racists, police, muggers, pensioners, medical technicians, politicians, opera singers and pirates. It is never dull when you travel our Galaxy with Teodor Korzeniowski!

The Wonder Years Daylen Daniels and Chase McCoy are as different as night and day. Chase is the beautiful golden boy. Gorgeous, popular, and the quarterback of the football team. Daylen is the quiet introvert. Lovely curves, shy, and sees herself as an orchestra geek. After Day moves next door to Chase, a run-in with a bully, a domestic dispute, and one treehouse hideout, an impenetrable bond is made. As they grow up, their attraction for each other grows with them, but is it strong enough to risk their friendship? A party, a little game of spin the bottle, and a devious enemy could shake the very foundation of their friendship. Or it could start a tumultuous romance that spans decades. Take a journey with these two best friends through first love, heartbreak and tragedy from childhood to adulthood as the two find that young love isn't as strong as they'd hoped. A story of true growing pains in...Chasing Day. On a scale of 1 to 10, with 1 being not

Acces PDF Four You Say Which Way Adventures: Pirate Island, In The Magician's House, Lost In Lion Country, Once Upon An Island

happy at all and 10 being very, very happy, how happy would you say you are right now, BEFORE reading this book? Now remember that number. Inside "Happy As a Rat In a Trash Can" Don challenges the reader to raise that number just as a student would be challenged to raise up school grades. Don says this book is about YOU! It is about you becoming a little more faithful a little more grateful a little more understanding a little more forgiving a little more thoughtful a little more caring and a lot more loving Why? Because these are the things that beget happiness. In early 2008 Don's Mom went to be with the Lord. She was a person just like your Mom... very loving and invariably, always in your corner. Her Christian values were instilled in him and are presented to the readers throughout this book. Don presents his points with a sense of humor (as reflected in the title) but never does he joke about the seriousness of becoming a happier person. He'll explain why faith is necessary and how the Law of sowing and reaping is creating the world YOU live in. He'll give you a simple question to ask yourself whenever confronted with the tough choices that life brings to all of us. This book's objective is to raise your level of

Acces PDF Four You Say Which Way Adventures:
Pirate Island, In The Magician's House, Lost In
Lion Country, Once Upon An Island

happiness even if you are already a happy person. Don't be surprised if those around you start to wonder what got into you! This book can be your little secret happiness project. You'll learn how and why we all need to pay more attention to others and why that will result in a better future for yourself. (see Chapter 5 - Lessons from "Groundhog Day") Being Happy is the Result of Sowing Good Seeds. If you're NOT happy, you need to read this book. Here are some great ideas that you can begin to implement immediately. Buy this book NOW! ~ You'll be Glad "HAPPY" You Did! -----

What others are saying about this book:
"It takes us a lifetime to learn the lessons in this book. The author seems to have mastered them, and we would do well to learn from him. Buy this book." Helen C. Page (San Francisco) ***** "Don't let the somewhat comic tone of the title and the cover make you think that this book isn't written in all seriousness. ...it provides what can only be called wisdom ...one of this year's must-read books."
Maya Sheppard "Global GrafX Press"
(Philadelphia, PA) *****

Two Walls and a Roof

When Edy Phelps falls hard for her best friend, she knows nothing can come from it. Forget actual chemistry, or the fact that she cherishes his mother more than her own; centuries of tradition say that Hassan Pradhan will grow up, marry the girl his parents select, and think nothing of his best friend: the dancer with the bursting smile. Except he can't. He won't. In a world erupting with possibilities for the boy with a body of steel and dreams of the NFL, everything seems promised while nothing at all is; when he's denied the girl he wants most. Two hearts. Two families devoted through generations of friendship. Could Edy and Hassan really risk all that? And yet ... how could they not?

"Modern Magic: A Practical Treatise on the Art of Conjuring" by Professor Hoffmann. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read.

Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Explore a Caribbean island where legend tells of a wrecked pirate ship carrying gold. At the end of each chapter you, the reader, will make a decision that will determine which direction the story takes. You can explore all the possible outcomes over time. Will you choose to investigate an old fortress, or will you head off into the jungle? Will you find pirate treasure, or will your decisions land you in trouble? There is only one way to find out, so get reading! This interactive story for ages 9 to 12 is rich in science and nature details. Next generation storytelling, where YOU say which way the story goes.

Money, money, money! It makes the world go round and round so it seems. You can either think about it or not, but you cannot escape it! How To Gain Wealth With Just One Word is a short and sweet ebook alternative. The author shares his personal experiences on receiving wealth and how his experiences will help you. This ebook discusses the power of thought, the subconscious and how to receive the best results on receiving wealth.

The Lord brothers, their cousin Maggie and the people they love travel from Manhattan to Los Angeles in this contemporary romance. Charlie Lord knows he'll never measure up to his "perfect" brother, Belmont "Jack" Lord, and he sure as hell is tired of trying. But this time he's got it all figured out. The irreverent Monroe Blanco is exactly the kind of woman he needs to put him on the straight and narrow. But when she fails him he spirals deeper down the rabbit hole. Then, before he hits bottom fate brings Angelina Beauchamp into his life. He's instantly attracted to her. Aside from being Daisy's long lost sister, Angelina could be the one. But is he lucky enough to be ready for love or will he sabotage his chances and lose the one woman who could be his true soul mate? Say You Love Her: An L.A. Love Story is the third sexy, sensual and addictive contemporary romance in the LOVE in the USA series by author, Z.L. Arkadie. Visit zuleikaarkadie.com for more information about available and upcoming books in the LOVE in the USA series.

Travel back to the time of dinosaurs. Race through a flooded city. Ride dragons. Dare to enter the creepy house. Four complete adventures where YOU are the main character and each decision you make changes the story. Oh and watch out for T. rex, pirates, evil tharuks, and haunted washing machines!

This is the story of an Irish family from Cork Ireland. It documents how they survived in the 50's and 60's and will take you on a roller coaster ride of every emotion, sometimes all on the same page. Here you will read of an inspiring mother, always encouraging her six children to laugh at life,

Acces PDF Four You Say Which Way Adventures: Pirate Island, In The Magician's House, Lost In Lion Country, Once Upon An Island

and believe in tomorrow. She did this inspiring while battling a domineering old grandmother, and an alcoholic husband, as her children drank tea from their jam jars, and read by a candle. Its a book filled with humor, drama, and dreams that come true, culminating in the author meeting his American dream. It's said the book is like, Irish Stew for the Soul. You will feel uplifted when you finish reading a book that seems to be everyone's story.

"Blimp, blomp, blimp, bloop. Suzy gripped her sheets tightly. Was that noise coming from under her bed?" Helps Children Banish Bedtime Fears So begins Suzy's adventure where she meets Karrit, another child, and one that lives far under her bed. The two children banish their bedtime fears and become best friends by treating each other the way that they want to be treated. A Fear of Monsters is Common A fear of monsters under the bed is common with children of all ages, starting with a vague sense of the unknown with younger toddlers and graduating to perhaps a more solid image in the minds of older children. The Monster on Top of the Bed flips the idea around, like the famous Disney Movie Monsters Inc., and bases the story on the concept that it's the monsters that are actually afraid of the children. The Children Model The Golden Rule In this beautifully illustrated book we meet two children--Suzy and Karrit, and we discover that sometimes things are not always what they seem and when the monster fears the child, we come to see a different perspective on misunderstandings and ignorance. We also discover that it is easy to misinterpret the meanings of words and actions, when Karrit explains to Suzy that certain things she says and does, frightens him. Although the words, "The Golden Rule" never appear in the book, the way the two children treat each other as though they would like to be treated enable the two of them to work together to work out their differences. A friendship forms, and a new light is shed upon them both

Acces PDF Four You Say Which Way Adventures: Pirate Island, In The Magician's House, Lost In Lion Country, Once Upon An Island

when they realize that maybe they aren't so different from each other after all. A Mantra that Banishes Nighttime Fears When things get scary, both children use Grandmom's mantra, which is highly effective in banishing monsters, " " You're welcome to stay until I say, 'Nay!' Then it's time to go, and you can't say, 'no.' " This is an empowering bedtime story. The multimedia edition contains a link to an .mp4 file that features the same audio tracks in the CD version. Children can listen to the story being read by four narrators who read the story in English, Spanish and Italian. There are page turning sounds to let the child know when to turn the page. There are slight differences between the words in CD version and the Kindle version. Children like the challenge of finding the differences. In addition to reading the story, the multimedia kindle edition also contains bonus material, including an interview with the illustrator, and other stories and poems written by the author. Order Copies For Yourself and Your Friends... It's perfect for three to six-year olds, and six-to-twelve year olds (who are sometimes still afraid of monsters) find the story charming and enjoy reading it to their younger siblings.

Modern Magic: A Practical Treatise on the Art of Conjuring

Ten year old Edwin is surprised to learn that he will be travelling to America on the famous new Titanic.

Even more shocking is that he will be going with grandparents he has never known. Why does his mother want to send him away? Edwin explores the ship, meeting men such as Thomas Andrews, Bruce

Ismay, and Captain Smith. Along the way, he also learns secrets about his own family's past. When the ship sinks and Edwin ends up in a lifeboat separated from everyone he knows, he wonders if he has survived the worst only to be abandoned in the middle of the Atlantic.

The perfect reality is just a thought away, but it comes at a chilling price. In a near future world, a social network by the name of MINDS gifts its users with the unique ability to communicate directly by thoughts and recreate reality by their deepest fantasies and desires. In the MINDS network, desires are actualized in a spilt of a second and unwanted elements erased from reality. The advanced algorithms of MINDS enable the user to virtually visit any place in the world or in history within seconds, in an utterly realistic three-dimensional reality. Humans can use their mind to determine everything they please - from the weather to the way their friends look like and behave. But the ultimate comfort comes at a price, and the unexpected results reveal the grand plan behind MINDS. What stands behind this magnificent social network, and what are the consequences when the virtual merges with the actual? Netopia follows the heroes of the network in the days before its establishment, through its launch, relationships and love, and the unexpected change it wreaks on the enthusiastic users who had no idea what awaited

them the moment they gave up control over their minds. Is the MINDS network a dream come true or a nightmare come to life? Netopia is beyond science fiction: it is a groundbreaking novel that explores the implications of communication technology on human nature and society, the preference of warmth for realistic animal doll pets but coldness towards humans. the novel speaks to the connected and to the disconnected, to the great minds and the Neverminds. Netopia is a gleaming hope and a dark warning. So, where is your mind? Scroll up to grab your copy now.

Sixteen year old Regan Stone has her life all mapped out. Every choice, from her dual credit classes to the out-of-state university she's selected is deliberate. She even has a no-romance stipulation to avoid dangerous distractions. What Regan didn't anticipate was the sudden change in her best friend, Lane, leaving only glimpses of the boy she grew up with. The bombshell Lane drops on her weeks before he leaves for college compels Reagan to come to terms with her own feelings. This summer may change everything.

One week is all we were supposed to share. One week as strangers. All the things you did differently irked me. I thought it meant we couldn't get along, that there was no chance we'd work out. But when it came time for me to leave, you know what I figured out? You were my echo. My call back. And damn it if

I didn't find home in the end.

Four More You Say Which Way Adventures

An indispensable management guide to making sure that the long-term strategies and day-to-day goals a company sets are successfully executed, written by the coauthor of the national bestseller It's Not the Big That Eat the Small . . . It's the Fast That Eat the Slow. Good managers at every level recognize the importance of strategic planning and setting concrete goals for their employees. But even the best among them often fail to implement and support the crucial processes that turn well-laid plans into visible successes. Studies show that over the last fifty years, a whopping 83 percent of corporate slowdowns were attributable not to outside economic forces but to the lack of vigilant follow-through within the company itself. In IT'S NOT WHAT YOU SAY...IT'S WHAT YOU DO, Laurence Haughton identifies the missteps that allow initiatives to fall through the cracks and explains how to close the gap between what a company sets out to do and what actually happens. Drawing on interviews with top-level executives from such companies as IKEA, the Wall Street Journal, Charles Schwab, Time Warner, Watson Wyatt, Pella Corp., and scores of others both large and small, he presents the essential strategies for ensuring the success of innovations and change, including: • Get

more "buy-in" from employees on new initiatives• Balance control with coordination to make your team more effective• Make sure that expectations are crystal clear• Maintain a sense of urgency and momentum on a daily basis Filled with real-life examples of how effective follow-through stems the waste of resources, improves productivity, and prevents costly mistakes, IT'S NOT WHAT YOU SAY...IT'S WHAT YOU DO gives managers up and down the corporation or company the tools they need to eliminate failure resulting from lack of follow-through and achieve their goals.

From New York Times bestseller, Kendall Ryan, comes a sexy new standalone novel. My tempting and very alpha friend Sterling Quinn is someone I consider off-limits. It's not just that we're friends, he's also cocky, confident, and British, which means he's a walking aphrodisiac. But lately he's been giving me the look. You know the one. When he thinks I'm not paying attention, and his gaze lingers for too long. When we start working together, that's when the sexual tension between us gets so thick, I want to hack through it with a machete. I want to make all these deep feelings I've harbored for him disappear, because there's no way this can end well. The lines between business and pleasure become irrevocably blurred, and I'm stuck between a rock and Sterling's very, very hard place. Rather than keep a level head about our growing attraction, Sterling wants to go all in, showing me just how explosive we can be together. But I've been around long enough to know that this British bad boy is more than my heart can handle. I'm not about to be cast aside like yesterday's underwear when he's done having fun.

Sterling's never been told no, and he's not about to put his ego aside and play by my rules. But I never thought he'd fight so dirty.

Watch your step! This is a book which doesn't play straight. The Magician's house is like that too - things move around. If you like things that are a little unpredictable then you'll love this book. Curl up and enjoy it. This book won't mind. Dreams swirl around in the Magician's house just like dust does in the corners of other houses. Little stories get stuck in the crannies. Just for a moment, while you are sweeping, you can find yourself running across a green field, steering an iron horse through twisty roads, or picking ripe strawberries in a bright, warm field. Some mornings, just getting to breakfast is an adventure. What readers have said: This book is good, and I mean immersive, elegant, well-written good. Great for children who don't like reading as much as they should. In this interactive adventure you say which way the story goes.

Nineteen-year old CeCe Mackenzie leaves Virginia for Nashville with not much more to her name than a guitar, a Walker Hound named Hank Junior and an old car she'd inherited from her grandma called Gertrude. But Gertrude ends up on the side of I-40 in flames, and Nashville has never seemed farther away. Help arrives in the form of two Georgia football players headed for the Nashville dream as well. When Holden Ashford and Thomas Franklin stop to offer CeCe and Hank Junior a ride, fate may just give a nod to serendipity and meant to be.

Happy As a Rat in a Trash Can

I Say Unto You (Vol -I)

It's the Way You Say it

Synopsis Rest Stop is a 250 page realistic novel based on real characters I knew while I served my time in prison. It is about the convicts I lived with on a daily basis. The book starts off in prison and gives insight of the living conditions. It tells of the games that are needed in order to survive. It explains the brotherhood that forms between cell mates and the cliques you become part of, not by choice but out of necessity. Following a fight and a stabbing, the four inmates who are held responsible are being transported from a minimum security location to the main prison when they escape. The escape convicts come up with a plan to take over a rest-area on Interstate 15. It was just a few miles from Las Vegas. They figured that the people going to Vegas would have lots of cash on them. Their plan was to rob them and use the money to get out of the country. It is a long way from Oregon State Penitentiary to Las Vegas. A big part of the story takes place on the trip to get to the rest stop, with robbery, murder and rape along the way. The driving force behind the story is the dialog and vivid thought process, not only from the convicts but from the victims. Each chapter gives insight to the mind set and words of the escaped convicts, along with the Warden, the State Police and the Federal agent who is always just one step behind the inmates. The novel begins with a thrilling, fast paced opening. It holds the excited pace up to an unforgettably tense conclusion. Each chapter ends in a poem I wrote while in prison and coincides with the story. The epilogue leaves room for a sequel for a second book. Ron Lemco PO Box 63 Sumner, WA. 98390 253-2284544 rlemco@aol.com

The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers.

"The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

"Written for those who are especially interested in action, adventure, war and even romance, the novel offers an escape for people of all ages into another world that once was. Based on actual events and battles that happened, The New King also includes a lot of historical elements that make it both an entertaining and educational read." - Natalia Balcerzak

"Perhaps the next major series to captivate a generation will take place in a land closer to home, one that young people are both familiar with and could never truly understand all the same." -Ashley Moniz

It is an adaptation of the age-old Biblical tale of David and Goliath and opens the door for discussions on self-confidence and faith in the face of great obstacles. It is also an excellent book for schools, day cares and Sunday Schools. It is simple, inviting story, and is widely available in print and e-book for easy access.

How to Gain Wealth with Just One Word

Emma Wants to Be a Grown- Up

Free Roll

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

One morning, Emma decided she simply did not want to be a kid anymore. She didn't want an

Acces PDF Four You Say Which Way Adventures: Pirate Island, In The Magician's House, Lost In Lion Country, Once Upon An Island

early bedtime or have to sit in the back seat of the car, or be interrupted for dinner while playing hide-and-seek with her friends, or be told that unless she ate her vegetables, she would never grow up. But what happens when Emma starts to be a grownup and do grownup things? " Great book, great story, great lesson. My kids ages 6 and 9 enjoyed the story. It made them realize that being a kid is fun" -- Daniel. "A wonderful lesson in living in the NOW and not growing up before it is time. This was such a delight to read and the way Ms Alony put it together was perfect!Great book with beautiful illustrations, and my little niece gave it five stars!"-- Author Joyce L. Mitchel. "Excellent vocabulary" -- Kindle Costumer. Maria Alony creates high-quality, illustrated children's books that are not only fun and entertaining, but also contain an educational message and important values. As a mom herself, Maria reads picture books every night so that bedtime stories become part of her child's routine. She believes that reading children's books every day, for kids ages 4-8, is essential for developing language, fostering imagination, and promoting self-expression. When it comes to children, Maria knows that books are vital. Join Emma in the new edition of the children's book series "Emma and Everything" on her journey of self- discovery. As she learns to appreciate and love her life as it is, she discovers the beauty of being a kid.

This fully-illustrated picture book is a
great read aloud for preschool children and
is highly recommended as a self-read book for
beginner readers as well.

Can they survive the Last, Long Night of the
Civil War? Historical fiction is my passion.
I so love bringing history to life - the
reason I dedicate most of my time to writing
historical fiction books! The Last, Long
Night is the fifth book in the ongoing
Bregdan Chronicles historical novel series.
It's readers like you who have turned it into
a worldwide bestseller. Thank you!

Description: The power of the Union army
brings the South to its knees in surrender,
but not until a year of intense pain and
violence creates a chasm that may be
impossible for the country to bridge. Carrie
struggles to hold on to hope as the world
caves in around her, hanging on to the
promise she's been given. She also finally
gets to reveal the secret she has held so
close. Moses is gravely wounded in battle.
Aunt Abby faces danger as she gets more
deeply involved with women's rights, and
spends time in Washington, D.C. Robert's
plantation takes a severe loss, but is saved
from burning by an unlikely source. Rose
continues to thrive in the Contraband Camp
and finally has a dream come true. Volume # 5
of The Bregdan Chronicles continues the
sweeping saga that now encompasses the final
year of the American Civil War. ** How many

Acces PDF Four You Say Which Way Adventures: Pirate Island, In The Magician's House, Lost In Lion Country, Once Upon An Island

books will be in the Bregdan Chronicles? You'll have to ask God about that... I intend to write these character's stories, one year at a time, for as long as I'm able to write. I'm passionate about bringing history to life through historical fiction. Since I'm amazingly healthy, that could be for a very long time! I don't like stories to end any more than you do. This one won't end for a very long time! Ginny Dye Review: I waited to give a review until I had read the first 5 books. I am struggling to find appropriate words to describe the awe I am in, and I find myself failing miserably. I absolutely could not put these books down. I would finish one, and immediately hop online to go get the next one....sometimes in the wee hours of the morning, when my tail should have been asleep. The writing style of this author brings you right into the story as if you are a part of it. She has amazing talent to capture the imagination, and bring you right into a virtual reality. I have fallen in love with every one of these characters, and have become completely entranced with each life represented. The historical account of this time period was so right on, so very vivid, you almost feel like you've walked right into it. These books became so alive, I actually had dreams at night of battle. (I'm not even kidding.) But it goes further. There were conversations in these books that had me reading over them several times. Life lessons. Sage advice. The kind of wisdom that

Acces PDF Four You Say Which Way Adventures: Pirate Island, In The Magician's House, Lost In Lion Country, Once Upon An Island

comes from everyday life. God moments that were so profound, they pierced my heart with an accuracy that I can't even begin to explain. Many times, the lives and hearts of each character were changed and rocked with revelation that came about in a moment, yet, so deeply touching the deepest recesses of the heart, that you can't go beyond it, without it having changed you as well, as you read it. Thank you Ginny Dye...not only for an amazing journey...but for those God and light bulb moments throughout each book, that reached beyond the pages, and made their home inside the soul. What can I say overall? Well, let me put it like this: these books are like... "Gone with the Wind" meets up with "Eat, Pray, Love"; then whispers some "Secret life of Bees", forges some "Steel Magnolia", and at times, wraps itself with the "Color Purple." Sigh. Did I mention how much I loved these books?

Nora, Silas, and Avery are three unusual apricots! After being picked from their tree, they are taken home to live with Mr. and Mrs. Orchard. This begins their adventures with the "outside" world. They find out their favorite foods, build a roller coaster, and find new and exciting ways to climb furniture. These happy apricots will always make you smile with their newest discoveries! This book is printed in black and white.

journeys from boyhood pleasures to learning what it means to take his place among the men of the North. Full of child-friendly adventure and excitement, *Thijo - Saga of a Norseman* is a book that you and your children will want to read again and again!

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

Fiction/Fantasy! Finalist in the 2014 Book Pipeline Contest! Travel to the future - it will only cost you everyone you love.

Attacked and injected with a drug which slows his metabolism to a fraction of normal, Martin James becomes an unwilling time traveler who hurtles through the years. His children grow up, his wife grows older, and his only hope is finding the people who injected him in the first place- not an easy task when one day for Martin lasts four years. And while Martin James strives to find a cure before everyone he loves is gone, others are uncertain if his journey can be stopped at all. W. Lawrence weaves a dystopian future filled with the best and worst of humanity, highlights the blessings and curses of technology, and pushes the limits of faith and hopelessness. Above all, Syncing Forward is a tale of one man's love for his family, and their devotion to saving him from being lost forever.

It's the Way You Say It Becoming Articulate, Well-spoken, and Clear Berrett-Koehler Publishers

A guide to effectively communicating with teenagers by

the bestselling authors of The Self-Driven Child If you're a parent, you've had a moment--maybe many of them--when you've thought, "How did that conversation go so badly?" At some point after the sixth grade, the same kid who asked "why" non-stop at age four suddenly stops talking to you. And the conversations that you wish you could have--ones fueled by your desire to see your kid not just safe and healthy, but passionately engaged--suddenly feel nearly impossible to execute. The good news is that effective communication can be cultivated, learned, and taught. And as you get better at this, so will your kids. William Stixrud, Ph.D., and Ned Johnson have 60 years combined experience talking to kids one-on-one, and the most common question they get when out speaking to parents and educators is: What do you say? While many adults understand the importance and power of the philosophies behind the books that dominate the parenting bestseller list, parents are often left wondering how to put those concepts into action. In What Do You Say?, Johnson and Stixrud show how to engage in respectful and effective dialogue, beginning with defining and demonstrating the basic principles of listening and speaking. Then they show new ways to handle specific, thorny topics of the sort that usually end in parent/kid standoffs: delivering constructive feedback to kids; discussing boundaries around technology; explaining sleep and their brains; the anxiety of current events; and family problem-solving. What Do You Say? is a manual and map that will immediately transform parents' ability to navigate complex terrain and train their minds and hearts to

communicate ever more successfully.

Most people don't like the sound of their voice - but for some, their vocal and communication habits are holding back professional success. Typical problems include: voice pitches too high, nasal and gravelly, mumbling, swallowing of words, speech too soft - people constantly asking to speak up, speaking too fast, difficulty making small talk, difficulty making eye contact, stage fright and interrupting others. Other books address some of these issues but are not grounded in speech science and professional expertise. With dozens of years under her belt as a Ph.D. speech therapist and pathologist, Carol Fleming can get every reader to the right solutions quickly.

A revised and updated edition of the detailed, down-to-earth guide to speaking your mind effectively—including useful exercises. The best, most direct way to convey your intelligence, expertise, professionalism, and personality to other people is through talking to them. But most people have no idea what they sound like. And even if they do, they don't think they can change it. It's the Way You Say It is a thorough, nuts-and-bolts guide to becoming aware and taking control of how you communicate with others. Dr. Carol Fleming provides detailed advice and scores of exercises for

- Understanding how others hear you*
- Dealing with specific speech problems*
- Varying your vocal patterns to make your speech more dynamic*
- Using grammar and vocabulary to increase your clarity and impact*
- Reinforcing your message with nonverbal cues*
- Conquering stage fright*

An entire section of the book

Lion Country, Once Upon An Island

focuses on communication issues in the workplace—interviews, presentations, voice mail, and more. In addition, Dr. Fleming puts a human face on her advice through vivid before-and-after stories of forty men and women who came to her for help. “No other skills will position you ahead of your competition as much as good speaking and presentation skills. No book approaches the depth and breadth of Dr. Carol Fleming’s It’s the Way You Say It.” —Patricia Fripp, CSP, CPAE, keynote speaker, executive speech coach, and president of Fripp & Associates
