

Get Over Your Damn Self: The No BS Blueprint To Building A Life Changing Business

A 2018 Nautilus Book Award Winner for Business and Leadership! The founder of Menlo Innovations and author of the business culture cult classic Joy, Inc offers an inspirational guide to leaders seeking joy in the challenge of leading others. Rich Sheridan's Joy, Inc. told the story of how his tiny software company in Ann Arbor, Michigan achieved success and renown by embracing offbeat culture and human-centered values. In Chief Joy Officer, he turns his attention from culture to leadership, and draws on his experience running Menlo and consulting elsewhere to offer a wise, provocative guide on how anyone can build leadership capacity for joy within their own organization. Chief Joy Officer offers sage, hard-won advice to any manager or leader who yearns to make more of an impact on the lives of others, including: * Self-understanding is the cornerstone for every virtue of leadership: authenticity, trust, humility, and optimism. * Good leaders make more leaders: Learn to judge your performance not on whether people are doing what they're told, but whether they're developing independent leadership capacity. * Influencing up is just as important as influencing down: how to encourage different thinking in those above you in your organizations. Filled with colorful anecdotes from Sheridan's personal journey and wisdom from many leadership mentors, Chief Joy Officer offers an approachable, down-to-earth philosophy and practice that will help even the most disillusioned of middle managers bring a renewed sense of purpose to their work building others.

INSTANT NEW YORK TIMES BESTSELLER "My Body offers a lucid examination of the mirrors in which its author has seen herself, and her indoctrination into the cult of beauty as defined by powerful men. In its more transcendent passages . . . the author steps beyond the reach of any 'Pygmalion' and becomes a more dangerous kind of beautiful. She becomes a kind of god in her own right: an artist." —Melissa Febos, The New York Times Book Review A "MOST ANTICIPATED" AND "BEST OF FALL 2021" BOOK FOR * VOGUE * TIME * ESQUIRE * PEOPLE * USA TODAY * CHICAGO TRIBUNE * LOS ANGELES TIMES * SHONDALAND * ALMA * THRILLEST * NYLON * FORTUNE A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. My Body is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the gray area between consent and abuse. Nuanced, fierce, and incisive, My Body marks the debut of a writer brimming with courage and intelligence.

YOUR EPIC LIFE STARTS HERE. In every woman lives a Queen who is confident, poised, and clear on her calling. She is bold and unapologetic. Drawing from her spiritual connection and feminine nature, she accesses the power to manifest her desires and fulfill her purpose. The era of invisible women is over. Your time to be Queen has arrived. In The Audacity to Be Queen, women's empowerment and success coach Gina DeVee invites modern-day women to embrace the endless possibilities that are rightfully ours. Permission granted to take ourselves off the back burner financially, romantically, physically, and socially-and step into our greatness. The days of dismissing ourselves and our desires end here. No longer must we pretend to be anything other than brilliant, capable, and fabulous. The world needs women like us to own our power, raise our standards, and contribute our talents like never before. When a woman chooses to be a Queen, everyone benefits. With spectacular flair, beautiful pearls of wisdom, and lifechanging stories of unexpected triumph, The Audacity to BeQueen takes you on a journey to empower the Queen within. Gina DeVee shares the steps, exercises, meditations, prayers, and journal prompts to release all forms of self-doubt and self-sabotage so you can discover the best version of you. Only from the position of Queen can you fulfill your calling, and in this pivotal moment, time is of the essence. The age of the Queen is now.

Become a direct sales success story with this insider guide to making it big Direct Selling For Dummies is the perfect resource for anyone involved or interested in direct sales. Written by a 35-year veteran of this booming industry, this useful guide teaches you everything you need to know to achieve and maintain lasting success. You'll learn the insider tips that only the pros know, and how to structure your business, your time, and your customer relationships to optimize sales and achieve your goals. Brian Carruthers has built one of the largest, most profitable downline teams in all of network marketing in the last decade. His success system helped his team grow to more than 350,000 distributors, including countless stories of lives being changed for the better by the incomes generated. Beyond the surface success of gaining wealth and living the dream lifestyle as an eight-figure income earner, Brian's alignment of personal goals with a greater purpose of helping to change lives has fueled his passion for this profession. Brian pours nearly 20 years of knowledge, experience, and wisdom from being in the field working with thousands of distributors into this groundbreaking book. Use it as your comprehensive manual/guidebook and you will save yourself from going down the wrong paths, avoid the pitfalls that stop many networkers in their journeys, and cut years off your learning curve.

Applying the wisdom from this book will make you more effective, more profitable, and you will have more fun on your rise to the top while you are Building Your Empire!

IT'S ABOUT DAMN TIME! The long-awaited Study Guide & Workbook for the Best-Selling, Award-Winning GET OVER YOUR DAMN SELF that's helped hundreds of thousands of direct sales entrepreneurs. Romi is passionate about helping others build lucrative direct sales and network marketing businesses. In this companion to her beloved first book, Romi gives you a place to work through and put into action all she teaches you. No matter where you're at in your business, Get Over Your Damn Self and her Study Guide & Workbook can help you kick off your business, coach your new team members, take your personal business to the next level and run a training series or book club for your entire team. Return to this tool again and again to restart, refresh and recommit to your business and to keep getting over your damn self. Because we humans need that. Romi Neustadt is a former corporate chick (first a lawyer, then a PR executive) who traded in the billable hour to become an entrepreneur, a business coach and a speaker. She built a 7-figure business in less than three years and wrote Get Over Your Damn Self to help others maximize the potential of the direct sales channel. It was awarded a GOLD AWARD from the Nonfiction Authors Association. Her second book, You Can Have It All, Just Not at the Same Damn Time, was published in 2020 by Portfolio Penguin Random House. Romi has been featured in Forbes, Inc., Fast Company and Success, and has appeared on morning shows around the country. Romi lives in San Diego with her husband John and their two kids, Nate and Bebe. To learn more about Romi and her work, visit romineustadt.com.

What if there was a secret road or a less traveled pathway to your dreams? One that was 100 times shorter and one that required little-to-no struggle? What if this path became ridiculously obvious once someone pointed it out? Sometimes by simply shifting your viewpoint, invisible things will become visible and new opportunities to rapidly reach your dreams will appear. Have you ever noticed that breakthroughs in business are occurring at light speed all around us as a result of entrepreneurs that have chosen to see the world through a different set of lenses? In Better Than Beach Money, Jordan Adler shares real life stories that will help you to view your life from a different angle. From this new point of view, you will discover roads and pathways, and see opportunities that can cause your dreams to materialize almost instantaneously. You will realize that you don't have to wait. You can begin to stray from that long, tedious path to achieving your goals and embrace a new way that can take you there much quicker. Most personal development trainers and efficiency experts propose writing down your dreams and taking daily action towards them. Sounds logical; this is a linear and very human process. But our brains don't exactly work in this way when it comes to attaining our dreams. Our dreams rarely come to us in a linear fashion. Our dreams happen quickly once we meet the right people, shift our perspective and open our minds to the quantum growth opportunities that are all around us. Better than Beach Money can take you there.

How did a shy girl from humble beginnings go from being frozen in fear for six years in her network marketing business to reaching Top 1% status in her MLM organization? Michelle Cunningham made one strategic shift in her nearly non-existent direct sales business that completely changed the trajectory of her life. In this book, you'll learn the exact words Michelle used to sell to a perfect stranger, recruit her first new team member, and then turn her team members into successful leaders. You'll also learn her accidental social media blunder (that you can copy), which helped her not only build a lucrative network marketing business but also a seven-figure online brand. Do It Anyway, Girl shows you how to get unstuck, shut off limiting beliefs, and get into the right action that brings BIG results. Michelle Cunningham built a massive network marketing business and now she's on a mission to empower women to rock their network marketing business so they can be completely present for the ones they love while giving back generously. Michelle's pride and joy are her husband, Brian, and two kids, Brady & Alyssa.

It wasn't just the stress or the constant frustration. It was the nonstop doubt and unhappiness. In today's world of social media reality distortion, teens face their toughest challenges yet. The battlefield is in the mind and they're not equipped for the fight. There's good news... Teen Confidence Expert, Jacqui Letran, is here to help. With a Masters of Science in Nursing and more than 18-years of experience aiding young people, she's skilled at equipping teens with the tools they need to win the battle with their mind. This book will teach you how to: - Challenge old negative beliefs and create positive new thought patterns - Stay calm and in control of even the most difficult situations - Keep unhealthy thoughts at bay and replace them with a positive mindset - Use the power of your mind to create the success you deserve - Make positive life choices, achieve goals, choose great friends and much, much more! You'll love this life-changing book because the examples are real and will show you a quick and easy path to a happier, healthier life. A Children Literary Classics' Lumen and Gold Medal Award Winner for Best Young Adult Non-Fiction Book of 2016.

in my feelings collection volume 2 each person will feel things their own way. each person will hurt the only way they know how. will love... the only way they've been taught to love. not everyone will see things the way you do. feel things the way you do. and you can't force your beliefs on people either because that's not love. that's not having compassion for other people. we all have our own right to see the world with our own eyes, therefore, understanding is key. and I don't mean saying it, saying you understand someone without putting yourself in their shoes. without respecting their views. you have to really know yourself and your environment to understand why people are the way they are. you have to go through enough pain to keep your heart open. to be compassionate towards other people. understanding is key and not everyone will understand you and that's okay. but the point is, to remember how all of us are different and try to understand that not all of us are meant to be the same. and you should never believe you understand it all because believe me, there will always be something to learn. there will always be something that will take your breath away. something that will make you question everything--your own beliefs and your own way of thinking. people, things and places, like life, are always evolving and you must evolve with them... if you ever want a fair shot in accepting your flaws and the flaws of other people. and before I finish, I just want you to know... that the beauty of it all is this, the more you understand people the better you will understand yourself. from the known and to the depths of your soul... people will always shape you. all that you are is all you've experienced with them. and don't ever forget... that the people you love will always have a piece of your heart. they will always be with you... no matter what.

Privacy in the United States from the Gilded Age to the Digital Age

The No-Self Help Book is the first to take the "self" out of "self-help." Written by a clinical psychologist and student of Eastern philosophy, this guide offers a radical solution to readers struggling with self-doubt, self-esteem, and self-defeating thoughts: get over your self-it's time for "no-self help"! With forty bite-sized chapters full of clever and inspiring insights, this book will help readers break free of their own self-limiting beliefs, so they can realize a more expansive sense of being and discover the unlimited potential of who they really are.

Based on Stanford University psychologist Kelly McGonigal's wildly popular course "The Science of Willpower," The Willpower Instinct is the first book to explain the science of self-control and how it can be harnessed to improve our health, happiness, and productivity. Informed by the latest research and combining cutting-edge insights from psychology, economics, neuroscience, and medicine, The Willpower Instinct explains exactly what willpower is, how it works, and why it matters. For example, readers will learn: • Willpower is a mind-body response, not a virtue. It is a biological function that can be improved through mindfulness, exercise, nutrition, and sleep. • Willpower is not an unlimited resource. Too much self-control can actually be bad for your health. • Temptation and stress hijack the brain's systems of self-control, but the brain can be trained for greater willpower • Guilt and shame over your setbacks lead to giving in again, but self-forgiveness and self-compassion boost self-control. • Giving up control is sometimes the only way to gain self-control. • Willpower failures are contagious—you can catch the desire to overspend or overeat from your friends—but you can also catch self-control from the right role models. In the groundbreaking tradition of Getting Things Done, The Willpower Instinct combines life-changing prescriptive advice and complementary exercises to help readers with goals ranging from losing weight to more patient parenting, less procrastination, better health, and greater productivity at work.

This is not a typical self help book. This is a book of action. This is a book that is going to light a fire under your ass. In this refreshingly entertaining do it yourself-self help book, life coach, podcaster and inspirational speaker, Jessica Jeboult, will show you how to save your own damn life. By upholding the 4 commitments outlined in this book, you will track where your life needs improvement and learn the tools and strategies to successfully implement a solution immediately. Through hilariously inspiring stories, sage advice and simple, user friendly exercises, you will learn how to: -improve your health-override self doubt-live a life you're proud of-cultivate fulfilling relationships-build an endless source of confidence-love your job and career -take action You will get the cheat codes to living a happy, healthy, productive life filled with love. "Anything I can do, you can do too. If you want to take control of your life, let's get to work!"

Unravel the mystery around creating a large residual income in network marketing! Have you ever wondered if the average person can really make it big in network marketing? Have the secrets to success in network marketing always been a mystery to you? Have you given up on your dream lifestyle because it just seems too difficult or too far out of reach? Beach Money shows you how to compress a 30-year career into 3 to 5 years, design your life around your free time instead of around your work schedule, and turn your yearly income into your monthly income!

The Slight Edge is a way of thinking, a way of processing information that enables you to make the daily choices that will lead you to the success and happiness you desire. Learn why some people make dream after dream come true, while others just continue dreaming and spend their lives building dreams for someone else. It's not just another self-help motivation tool of methods you must learn in order to travel the path to success. It shows you how to create powerful results from the simple daily activities of your life, by using tools that are already within you. In this 8th anniversary edition you'll read not only the life-changing concepts of the original book, but also learn what author Jeff Olson discovered as he continued along the slight edge path: the Secret to Happiness and the Ripple Effect. This edition of The Slight Edge isn't just the story, but also how the story continues to create life-altering dynamics--how a way of thinking, a way of processing information, can impact daily choices that will lead you to the success and happiness you desire. The Slight Edge is "the key" that will make all the other how-to books and self-help information that you read, watch and hear actually work.

Don't face reality. Create reality! E-Squared could best be described as a lab manual with simple experiments to prove once and for all that reality is malleable, that consciousness trumps matter, and that you shape your life with your mind. Rather than take it on faith, you are invited to conduct nine 48-hour experiments to prove there really is a positive, loving, totally hip force in the universe. Yes, you read that right. It says prove. The experiments, each of which can be conducted with absolutely no money and very little time expenditure, demonstrate that spiritual principles are as dependable as gravity, as consistent as Newton's laws of motion. For years, you've been hoping and praying that spiritual principles are true. Now, you can know. E-Squared proves the following: 1. There is an invisible energy force or field of infinite possibilities. 2. You impact the field and draw from it according to your beliefs and expectations. 3. You, too, are a field of energy. 4. Whatever you focus on expands. 5. Your connection to the field provides accurate and unlimited guidance. 6. Your thoughts and consciousness impact matter. 7. Your thoughts and consciousness provide the scaffolding for your physical body. 8. You are connected to everything and everyone else in the universe. 9. The universe is limitless, abundant, and strangely accommodating.

There are a lot of personality and intelligence tests out there designed to label you and put you in a particular box. But Dr. Caroline Leaf says there's much more to you than a personality profile can capture. In fact, you cannot be categorized! In this fascinating book, she takes readers through seven steps to rediscover and unlock their unique design--the brilliantly original way each person thinks, feels, relates, and makes choices--freeing them from comparison, envy, and jealousy, which destroy brain tissue. Readers learn to be aware of what's going on in their own minds and bodies, to lean in to their own experience rather than trying to forcefully change it, and to redefine what success means to them. Released from the suffocating box of expectations, they'll embrace their true identity and develop a clear sense of divine purpose in their lives. Knowing and understanding our identity empowers our choices. Unlocking one's you quotient is not optional--it is essential.

10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

In this straightforward all-inclusive road map to stage play production, award-winning playwright, actor, director, and CEO of Actual Illusions Entertainment-Snoop Robinson, shares his journey in the entertainment industry while providing in-depth instruction on mounting a stage play and taking your vision beyond the stage. If you are an aspiring or experienced playwright looking to take your script and big idea to the next level-this is the book for you. If you are tired of being told no or having doors slammed in your face-this is the book for you. "I'm going to help you realize your vision by: teaching you the fundamentals of mounting a stage play, sharing my insider secrets, giving you step-by-step pointers on how to develop your project, and showing you how to juggle several hats when you're doing it your damn self!" -Snoop Robinson #1 NEW YORK TIMES BESTSELLER • OVER TWO MILLION COPIES SOLD! "Packed with incredible insight about what it means to be a woman today."—Reese Witherspoon (Reese's Book Club Pick) In her most revealing and powerful memoir yet, the activist, speaker, bestselling author, and "patron saint of female empowerment" (People) explores the joy and peace we discover when we stop striving to meet others' expectations and start trusting the voice deep within us. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • The Washington Post • Cosmopolitan • Marie Claire • Bloomberg • Parade • "Untamed will liberate women—emotionally, spiritually, and

physically. It is phenomenal.”—Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn't it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There She Is. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world's expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member's ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: There She Is. *Untamed* shows us how to be brave. As Glennon insists: The braver we are, the luckier we get.

Build to Last is not an introduction to network marketing. It's the missing piece for many would-be top network marketing professionals. The super successful build with the mindset of a CEO while everyone else builds with the mindset of an employee. If you are willing to do the work, *Build to Last* provides a step-by-step guide to becoming a leader who achieves enormous success in your network marketing business. In this book you will learn: The mindset and philosophy of top network marketers How to identify and push past your limiting beliefs How to lead yourself so you can lead others How to attract leaders into your business How to mentor and develop leaders How to push those you're mentoring past their limiting beliefs How to create financial and time freedom How to earn a 6- or 7-figure income year after year Following the detailed guidance Keith Callahan offers in *Build to Last*, he went from bankruptcy to 7-figure success in his network marketing business. During nearly a decade in the industry, he has mentored many people on his team of 30,000 distributors to 6- and 7-figure success. With Keith Callahan's book, you can build a network marketing team that allows you to help the most people and earn the highest, long-term, stable income. The end goal is a business that thrives for years to come and does so - here's the important part - with or without you.

Be realistic. That's what we hear all the time, even when no one is actually saying it. Heather Moyses was certainly not being 'realistic' when she decided, at the age of twenty-seven, to try to represent Canada in the 2006 Winter Olympics just five months later, in a sport she had never done before: bobsleigh. So what did it take for this master's student to become a three-time Olympian, two-time Olympic gold medallist, and the first Canadian woman, and only the second Canadian ever, to be inducted into the World Rugby Hall of Fame? Heather shifted her perspective. By focusing on the possibilities, she redefined 'realistic', seized her potential, and took charge of her own story. Now she wants to help others do the same—to free themselves from 'practicality'. Her experience of embracing challenges, defying the odds, and proving the naysayers wrong has afforded her a unique perspective that she conveys in these pages. This book will empower you to recognize and challenge your fears and self-limiting beliefs, and question your assumptions of what you believe to be possible. You will start seeing the opportunities and the possibilities that exist within your circumstances, whether it be in business, sports, or life.

Unlock the Secret of Lasting Confidence

The Miracle Morning for Network Marketers uses Hal Elrod's global phenomenon to show you habits you can adopt from the best performers in your field. By changing your strategies, mindsets, and rituals to match the top 1% of network marketers, you'll grow yourself and your business faster than you ever thought possible.

You can hardly pass through customs at an airport today without having your picture taken and your fingertips scanned, that information then stored in an archive you'll never see. Nor can you use your home's smart technology without wondering what, exactly, that technology might do with all you've shared with it: shopping habits, security decisions, media choices. Every day, Americans surrender their private information to entities that claim to have their best interests in mind, in exchange for a promise of safety or convenience. This trade-off has long been taken for granted, but the extent of its nefariousness has recently become much clearer. As Lawrence Cappello's *None of Your Damn Business* reveals, the problem is not so much that data will be used in ways we don't want, but rather how willing we have been to have our information used, abused, and sold right back to us. In this startling book, Cappello shows that this state of affairs was not the inevitable by-product of technological progress. He targets key moments from the past 130 years of US history when privacy was central to battles over journalistic freedom, national security, surveillance, big data, and reproductive rights. As he makes disarmingly clear, Americans have

had numerous opportunities to protect the public good while simultaneously safeguarding our information, and we've squandered them every time. The wide range of the debates and incidents presented here shows that, despite America's endless rhetoric of individual freedom, we actually have some of the weakest privacy protections in the developed world. None of Your Damn Business is a rich and provocative survey of an alarming topic that grows only more relevant with each fresh outrage of trust betrayed.

As a leader in the booming industry of direct sales, Mary Christensen knows something about the opportunities of launching a direct selling business. Her newest book, *Be a Direct Selling Superstar*, is an all-encompassing guide to building, leading, and managing a direct sales organization, a book that can help anyone else generate new source of income and turn a major profit. Gain an advantage over the estimated 15.6 million people involved in direct selling in the US (over 100 million worldwide) and achieve long-term success in direct selling with this how-to on goal setting, effective marketing, persuasive communication, networking, influencing, work-life balance, time management, and financial planning. With a clear, strategic understanding of the benefits of direct sales--including low start-up costs, strong earning potential, and a flexible work schedule--Christensen leverages her personal experience to help you become a superstar at direct selling. You'll be equipped to enter the lucrative arena of enterprise building and, ultimately, create and lead a team that will help you achieve your financial dreams. Can you imagine what life would be like if you could accept failure, cellulite, imperfection, fuck-ups and vulnerability? You would finally take that weight off your shoulders and build unshakeable, sustainable confidence. The truth is that confidence isn't about living up to anyone's expectations--it's about affirming, every day, that you're a boss. It's not the result of being skinny, making a six figure salary, finding your dream partner or drinking a green juice every day. It requires patience, dedication, forgiveness, bravery and an incredible amount of self-compassion. In *Like She Owns the Place*, Cara Alwill Leyba reveals how she achieved real, lasting confidence. Drawing on her own experience as a life coach and that of her clients, she'll teach you how to block out all the noise around you, free yourself from the opinions and judgment of others, trust your gut, reclaim your life and rock what you've got. She'll save you years of pain, shame and uncertainty. Follow Cara's advice and you'll be walking into every room like you own the place.

An Antidote to Chaos

Bestselling author, entrepreneur, speaker, and life and business coach Romi Neustadt has a message for women: You CAN have it all--just not at the same damn time. Romi Neustadt is a mom of two, a wife, a daughter, bestselling author, speaker, entrepreneur, and coach. What's more, she's achieved these things without a staff of 10, the ability to sleep two hours a night or driving herself batsh*t crazy. She's figured out the key to having it all: Priorities, babe. In her second book, Romi provides a no-BS blueprint for women to figure out what to focus on and what not to. She explains why saying YES to everything and everyone really means saying NO to the things that matter -- to your goals, your dreams, and your true self. The key to achieving your wildest dreams isn't to downsize them. It's to embrace them more fully, and discard everything that isn't serving them. This book will teach you how to: Zone in on what really matters to you, so you can ditch everything that isn't serving your dreams. Recognize and embrace your true worth as a provider, partner, and all-around kickass human. Say no to the millionth request from your kid's school for home-baked goods--without experiencing mom guilt. Establish boundaries that stick with coworkers, friends, and family. Ditch toxic relationships and the soul-sucking drama that accompanies them. Stop feeling like an imposter in your own life. Create habits that protect your time and energy. Kick fear (of not being lovable, pretty, or good enough) to the curb once and for all. Written in the same down-to-earth, accessible style that made her first book, *Get Over Your Damn Self*, a beloved bestseller, this book is for every woman who wants to live a fulfilled, authentic life without feeling stressed and exhausted. Romi is living proof that it's possible, and you will be too.

#1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. *12 Rules for Life* shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

Women around the world have responded to Cara Alwill Leyba's *Girl Code* with a resounding YES. Companies like Kate Spade and Macy's have brought her in to teach "the Code." Inc. magazine named *Girl Code* one of the "Top 9 Inspiring Books Every Female Entrepreneur Should Read" alongside *Lean In*, *#Girlboss*, and *Thrive*. A few years ago, I made a crazy claim in the first edition of *Girl Code*: that in today's competitive marketplace, the fiercest thing a female entrepreneur can do is to support other women. Something dynamic happens when women genuinely show up for each other. When we lose the facades, cut the bullsh*t, and truly have each other's backs. When we stop pretending everything is perfect, and show the messy, beautiful parts of ourselves and our work—which all look awfully similar. When we talk about our fears, our missteps, and our breakdowns. And most importantly, when we share our celebrations, our breakthroughs, and our solutions. I'm convinced that there's no reason to hoard information, connections, or insight. Wisdom is meant to be shared, so let's start sharing what we've learned to make each other better. Let's start building each other up. Let's live up to our potential and start ruling the world. *Girl Code* is a roadmap for female entrepreneurs, professional women, "side hustlers" (those with a day job plus a part-time small business), and anyone in between. This book won't teach you how to build a multimillion-dollar company. It won't teach you about systems or finance. But it will teach

you how to build confidence in yourself, reconnect with your “why,” eradicate jealousy, and ultimately learn the power of connection. Because at the end of the day, that’s what life and business are all about.

'THE BEAUTY MYTH' FOR THE INSTAGRAM GENERATION Women Don't Owe You Pretty is the ultimate book for anyone who wants to challenge the out-dated narratives supplied to us by the patriarchy. Through Florence's story you will learn how to protect your energy, discover that you are the love of your own life, and realise that today is a wonderful day to dump them. Florence Given is here to remind you that you owe men nothing, least of all pretty. WARNING: CONTAINS EXPLICIT CONTENT (AND A LOAD OF UNCOMFORTABLE TRUTHS). THE FEMINIST BOOK EVERYONE IS TALKING ABOUT. 'An incredible mouthpiece for modern intersectional feminism.' - Glamour 'A fearless book.' - Cosmopolitan 'A hugely influential young woman.' - Woman's Hour 'Rallying, radical and pitched perfectly for her generation.' - Evening Standard

The Audacity to Be Queen

Unlocking the Secrets to Success, Sanity, and Happiness for the Female Entrepreneur

One of... Amazon's Best Romances of April Goodreads' Most Anticipated April Romances BookRiot's Best Books of the Week PopSugar's Romance Novels for When You Need a Little Spice Culturess' April Romance to Have on Your Spring TBR It's one hex of an attraction in this romantic comedy from New York Times bestselling author Jessica Clare. When Reggie Johnson answers a job ad in the paper, she's astonished to find that she's not applying to work at her favorite card game, Spellcraft: The Magicking. Instead, she's applying to be an actual familiar for an actual witch. As in, real magic. The new job has a few perks - great room and board, excellent pay, and she's apprenticing to a powerful witch. Sure, the witch is a bit eccentric. And sure, there was that issue with the black cat Reggie would prefer to forget about. The biggest problem, however, is warlock Ben Magnus, her employer's nephew and the most arrogant, insufferable, maddening man to ever cast a spell. Reggie absolutely hates him. He's handsome, but he's also bossy and irritating and orders her around. Ben's butt might look great in a crystal ball vision, but that's as far as it goes. But when someone with a vendetta targets the household, she finds herself working with Ben to break a deadly curse. Apparently, when they're not fighting like cats and dogs, things get downright...bewitching.

How to Become a Network Marketing ROCK STAR

Your hard work is paying off. You are doing well in your field. But there is something standing between you and the next level of achievement. That something may just be one of your own annoying habits. Perhaps one small flaw - a behaviour you barely even recognise - is the only thing that's keeping you from where you want to be. It may be that the very characteristic that you believe got you where you are - like the drive to win at all costs - is what's holding you back. As this book explains, people often do well in spite of certain habits rather than because of them - and need a "to stop" list rather than one listing what "to do". Marshall Goldsmith's expertise is in helping global leaders overcome their unconscious annoying habits and become more successful. His one-on-one coaching comes with a six-figure price tag - but in this book you get his great advice for much less. Recently named as one of the world's five most-respected executive coaches by Forbes, he has worked with over 100 major CEOs and their management teams at the world's top businesses. His clients include corporations such as Goldman Sachs, Glaxo SmithKline, Johnson and Johnson and GE.

One afternoon, police officers show up at Ben Silver's front door. Minutes after they leave, his parents arrive home. Ben and his little sister Olive are bundled into the car and told they're going on a holiday. But are they? It doesn't take long for Ben to realise that his parents are in trouble. Ben's always dreamt of becoming a detective - his dad even calls him 'Cop'. Now Ben gathers evidence and tries to uncover what his parents have done. The problem is, if he figures it out, what does he do? Tell someone? Or keep the secret and live life on the run? WINNER, Young Australian Best Books Award (YABBA) - Fiction for Years 7-9, 2015 HONOUR BOOK, Children's Book Council of Australia Book of the Year - Younger Readers 2015 'A tense, hard-edged, no-holds-barred thriller.' Crack the Code to Wealth and Live Rich for a Lifetime

Showing up is what turns the people you know into your people. It's at the core of creating and maintaining strong, meaningful bonds with friends, family, coworkers, and internet pals. Showing up is the act of bearing witness to people's joy, pain, and true selves; validating their experiences; easing their load; and communicating that they are not alone in this life. If you're having trouble connecting with those around you, know that you're not the only one. Adult friendships are tricky!!! Part manifesto, part guide, The Art of Showing Up is soul medicine for our modern, tech-mediated age. Rachel Wilkerson Miller charts a course to kinder, more thoughtful, and more fulfilling relationships—and, crucially, she reminds us that “you can't show up for others if you aren't showing up for yourself first.” Learn to fearlessly . . . define your needs, reclaim your time, and commit to self-care ask for backup when times are tough—and take action when others are in crisis meet and care for new friends, and gently end toxic friendships help your people feel more seen (and more OK) overall!

#1 New York Times Bestseller USA Today Bestseller The Globe and Mail Bestseller Publishers Weekly Bestseller
Whose truth is the lie? Stay up all night reading the sensational psychological thriller that has readers obsessed, from the #1 New York Times bestselling author of It Ends With Us. Lowen Ashleigh is a struggling writer on the brink of financial ruin when she accepts the job offer of a lifetime. Jeremy Crawford, husband of bestselling author Verity Crawford, has hired Lowen to complete the remaining books in a successful series his injured wife is unable to finish. Lowen arrives at the Crawford home, ready to sort through years of Verity's notes and outlines, hoping to find enough material to get her started. What Lowen doesn't expect to uncover in the chaotic office is an unfinished autobiography Verity never intended for anyone to read. Page after page of bone-chilling admissions, including Verity's recollection of the night her family was forever altered. Lowen decides to keep the manuscript hidden from Jeremy, knowing its contents could devastate the already grieving father. But as Lowen's feelings for Jeremy begin to intensify, she recognizes all the ways she could benefit if he were to read his wife's words. After all, no matter how devoted Jeremy is to his injured wife, a truth this horrifying would make it impossible for him to continue loving her.

Romi shares exactly how she talked her way into a Seven-Figure network marketing business and how you can too. You'll learn: The Posture to confidently connect with anyone about your business and your products. The Possibilities for a lucrative, efficient and enormously fun turn-key business. The Power that's already within you to build the life you really want if you dare. Romi Neustadt is a former corporate chick (lawyer, PR executive) who traded in the billable hour for time and money freedom. She's built a 7-figure business that allows her and her husband John and two kids to LiveFullOut. And she's devoted to helping others design the lives they really want too!

Network marketing-also known as direct selling and multilevel marketing-has turned millions of people into successful business owners. But to truly reach their earning potential, network marketers need to successfully grow their businesses by recruiting the right people. Written by a true network marketing superstar who personally enlisted over 1,000 people in her first year, the book reveals a proven, innovative approach to recruiting that gets results fast. Readers will learn how to: * discover their own recruiting style * identify people who will become a great part of their team * do and say the right things to turn prospects into partners * overcome objections with confidence * attract people who never considered network marketing Filled with advice and inspiration, this indispensable guide gives network marketers the know-how and confidence they need to grow their enterprise and become top earners.
