ECPA BESTSELLER—Over one million copies sold! When a charming polar bear cub climbs into bed one night, she asks her Mama a very important question, one that little “human cubs” often wonder about, too: “Where did I come from?” As Mama bear tucks her youngest cub under the quilts, she gently, tenderly, and reassuringly communicates the message loving parents everywhere (bears and non-bears alike) want their little ones to hear: “We wanted you very, very much, and we are so very glad because—God gave us you.” Perfect for bedtime, naptime, storytime or anytime, God Gave Us You provides a valuable opportunity to build children’s self-esteem every day and assure each one that he or she truly is a welcomed, precious, and treasured gift from the Lord. From the author of the bestselling Anam Cara comes a beautiful collection of blessings to help readers through both the everyday and the extraordinary events of their lives. John O’Donohue, Irish teacher and poet, has been widely praised for his gift of drawing on Celtic spiritual traditions to create words of inspiration and wisdom for today. In To Bless the Space Between Us, his compelling blend of elegant, poetic language and spiritual insight offers readers comfort and encouragement on their journeys through life. O’Donohue looks at life’s thresholds—getting married, having children, starting a new job—and offers invaluable guidelines for making the transition from a known, familiar world into a new, unmapped territory. Most profoundly, however, O’Donohue explains “blessing” as a way of life, as a lens through which the whole world is transformed. O’Donohue awakens readers to timeless truths and shows the power they have to answer contemporary dilemmas and ease us through periods of change.

You are never too young to get in the habit of saying good night to Jesus. Good Night Jesus teaches young hearts and reminds old hearts how to be grateful, thank God for all his blessings, pray for others who are less fortunate, and rest in the joy of faith and love. Evening prayer is a powerful habit, and this small book introduces that habit in a way that is as natural as waking up in the morning and going to bed at night.

Bedtime Prayers for Little Ones

Good Night, God Bless

How Do I Love You?

My Good Night Bible

As each chapter echoes a bedtime rumination, Goodnight and God Bless is about books, writers, mice, mothers, airport photos, and other such unexpectedly thought-provoking subjects. Snugly interwoven with a warmly personal and anecdotal history of the author, this wise and witty book offers an ironic take on nearly everything. Drawing from her experiences as a woman, mother, daughter, wife and writer, Anita Nair marks over a decade of her literary career with deliciously amusing quotes, mostly unnecessary and unabashed trivia, footnotes and other erudite diversions. This is the perfect book to keep by your bedside, to dip and delve into anytime.

Bedtime becomes the best part of a busy day as your little ones are encouraged to talk with God in this delightful, rhyming prayer book. Young hearts will learn that God Loves, God Listens, God forgives, and He blesses His children. With adorable art and a simple rhyming prayer on each page, including: “Thank You, God, for loving me, for my safe home and my family; Thank You, that You hear my prayer, and for Your tender loving care,.” Good Night, God will become a treasured bedtime storybook favorite for years to come.

Now in a board book edition, Susan Heyboer O’Keefe’s Good Night, God Bless is a loving bedtime lullaby that celebrates each blessing in a child’s life. For families who cherish Love You Forever by Robert Munsch. At the close of the day, the air cools, lights dim, and animals big and small settle down to sleep. Inside houses, children perform nighttime rituals before snuggling up in bed to say their prayers. With an emphasis on the security of home and family, Susan Heyboer O’Keefe’s thoughtful text and Hideko Takahashi’s charming pictures move through the many familiar faces and places of a child’s world, blessing each one for another day. For families who love the bestselling board books God Bless You and Good Night and God Gave You Us. Christy Ottaviano Books A New York Times bestseller. “My life was a complete mess, and God bless all of it. Because it’s in the messes where we learn the most—as long as we slow down enough to realize what God is trying to show us.” Suddenly in the spotlight, twenty-four-year-old Hannah Brown realized that she wasn’t sure what she wanted. After years of competing in beauty pageants, and then starring on The Bachelorette and Dancing with the Stars, she had become incredibly visible. There she was, in her early twenties, with millions around the world examining and weighing in on her every decision. She found herself wondering what it would mean to live on her terms. What it would mean to stop seeking approval from others and decide—for the first time—what it was she wanted from her own life. An honest and earnest examination of her own mid-twenties, God Bless This Mess is a memoir that doesn’t claim to have all the answers, Hannah knows she doesn’t have all the answers. What she does have is the insight of someone who has spent critical years of her youth under public scrutiny. Thus what emerges is a quarter-life memoir that speaks to the set of difficulties young women face, and how to move through them with grace. By pushing against her engrained need to seek approval and learning how to think critically about her own goals and desires, Hannah inspires others to do the same—and to embrace the messiness that comes hand-in-hand with self-discovery (even if that sometimes means falling flat on your face). Using her time on The Bachelorette as a launching pad, Hannah doesn’t shy away from the most painful experiences of her life: moments when her faith was tested, when she feared it was lost, and the moments when she reclaimed it on national television. “And Jesus still loves me.” Fans will be inspired by the never-before-told stories: the ones about facing depression and anxiety during her pageant years, the ways in which therapy and journaling have proven to be a saving grace, and the previously private moments—both at home and on television—that have shaped the star’s outlook.

Honest and emotionally urgent, God Bless This Mess is a reminder that true growth doesn’t come without strife—and it’s through those dark, messy moments that self-acceptance and love can bloom.

From Slapstick’s “Turkey Farm” to Slaughterhouse-Five’s eternity in a Trafamadorean zoo cage with Montana Wildhack, the question of the afterlife never left Kurt Vonnegut’s mind. In God Bless You, Dr. Kevorkian, Vonnegut skips back and forth between life and the Afterlife as if the difference between them were rather slight. In thirty odd “interviews,” Vonnegut trips down “the blue tunnel to the pearly gates” in the guise of a roving reporter for public radio, conducting interviews: with Salvatore Biagini, a retired construction worker who died of a heart attack while rescuing his schnauzer from a pit bull, with John Brown, still smoldering 140 years after his death by hanging, with William Shakespeare, who rubs Vonnegut the wrong way, and with socialist and labor leader Eugene Victor Debs, one of Vonnegut’s personal heroes. What began as a series of ninety-second radio interludes for WNYC, New York City’s public radio station, evolved into this provocative collection of musings about who and what we live for, and how much it all matters in the end. From the original portrait by his friend Jules Feiffer that graces the cover, to a final entry from Kilgore Trout, God Bless You, Dr. Kevorkian remains a joy.
