NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Here he is, husband and father, scruffy romantic, a shambling scholar—a man adrift in the wake of his wife's sudden, accidental death. And there are his two sons who like him struggle in their London apartment to face the unbearable sadness that has engulfed them. The father imagines a future of well-meaning visitors and emptiness, while the boys wander, savage and unsupervised. In this moment of violent despair they are visited by Crow—antagonist, trickster, god, protector, therapist, and babysitter. This self-described “sentimental bird,” at once wild and tender, who “finds humans dull except in grief,” threatens to stay with the wounded family until they no longer need him. As weeks turn to months and the pain of loss lessens with the balm of memories, Crow's efforts are rewarded and the title unit of three begins to recover. Dad resumes his book about the poet Ted Hughes; the boys get on with it, grow up. Part novella, part polyphonic fable, part essay on grief, Max Porter's extraordinary debut combines compassion and bravura style to dazzling effect. Full of angular wit and profound truths, *Grief Is the Thing with Feathers* is a startlingly original and haunting debut by a significant new talent.

Young children are invited to explore the wonders of America before bed with this beautifully illustrated board book. Simple, rhythmic language lulls little ones to sleep as they watch diverse people engage in community-oriented activities and journey to some of the nation's majestic natural treasures—including the Everglades, Niagara Falls, the Grand Canyon, and redwood forests. Moving from the morning and spring through nighttime and winter, each image marks a specific period during the day and an associated season, making this book a perfect introduction to the concept of the passage of time.

All aboard! Come ride the rails and explore the fascinating world of trains while sitting comfortably in your passenger seat. This colorful board book includes steam locomotives, freight trains, box cars, cog railroads, mine trains, subways, monorails, sleeper trains, high speed trains, holiday trains, and more.
