

## Goodnight, Mr Panda

Join Bear, Mole, and their friend Skunk at the market—and see how far a dime can get you. Bear’s fresh-picked blueberries are a hit on Market Day—but Skunk and Mole have trouble attracting any customers. To drum up interest they switch places and sample each other’s wares. Skunk delights in spritz after spritz of her own perfume—each one costing a dime—while Mole eats handfuls of the worms he gathered, paying Skunk one dime apiece. At the end of the day, the two friends have sold out—but somehow they’ve only got a dime between them! Luckily, Bear made enough dimes to buy them some ice cream to share—topped with the last of his blueberries. Will Hillenbrand’s Bear and Mole series is the perfect choice for storytime sharing or reading aloud. Strong verbs, repetitive phrases, and fun-to-read sounds keep young listeners and readers engaged with the story, while the gentle illustrations add detail and quiet humor. Kids will delight in poring over these books again and again. Don’t miss the other Bear and Mole titles, including Off We Go!, Spring is Here, and First Star!

An interactive concept book about positional prepositions that’s loads of fun! Bear, Fox and Owl are playing hide-and-seek! They take turns counting to ten, then shouting "Ready or not, here I come!" When Fox finds Bear INSIDE the castle and Owl ON the slide, Bear hugs them both. When Owl spots Bear BEHIND the climbing wall and Fox UNDER the bench, Bear hugs them again! But when Fox and Owl are not BETWEEN the swings, AMONG the trees or THROUGH the tunnel, Bear is the one who needs a hug. Will Fox and Owl help their friend? BESIDE, IN, OVER and beyond! Kids will love finding so many new places!

Bestselling Mr. Panda is back with a funny message about saying "thank you!" Generous Mr. Panda is giving away presents to all his animal friends, but they aren't being very grateful about the gifts they receive. It may be because the presents aren't quite right. Mouse receives a sweater that's too big, and Octopus gets six colorful socks even though he has eight legs. Fortunately, thoughtful little Lemur knows that even if the present isn't perfect, it's the thought that counts most of all.Just as Mr. Panda introduced good manners in Please, Mr. Panda and the importance of being patient in I'll Wait, Mr. Panda, Thank You, Mr. Panda is a graphic, kid-friendly way of teaching little ones the importance of saying "thank you" and recognizing that it's the thought that counts most of all behind every gift.

Illustrations and easy-to-read, rhyming text invite the reader to a community garden where potatoes close their eyes, cabbages nod their heads, and corn covers its ears to go to sleep.

The critically adored, New York Times bestselling Deborah Underwood delights with a hilariously meta celebration of storytelling out of control. Every story needs a problem.
