For millennia, the Amazons of Paradise Island have created a thriving society away from the blight of man. One resident, however, is not satisfied with this secluded life—Diana, Princess of the Amazons, knows there is more in this world and wants to explore, only to be frustrated by her protective mother, Hippolyta. Diana finds her escape when Air Force pilot Steve Trevor, the first man she has ever seen, crashes onto their shores. With his life hanging in the balance, Diana ventures into the long-forbidden world of men. The Amazons chase after her and bring her back to Paradise Island in chains to face trial for breaking their oldest law—staying separated from the world that wronged them. Thought-provoking yet reverent, thoroughly modern but still timeless, the power and courage of Paradise Island’s greatest champion—Wonder Woman—is introduced in this addition to DC Comics’ NEW YORK TIMES best-selling EARTH ONE original graphic novel series.

The newest Earth One original graphic novel presents an all-new origin for the Emerald Warrior! Hal Jordan yearns for the thrill of discovery, but the days when astronaut and adventure were synonymous are long gone. His gig prospecting asteroids for Ferris Galactic is less than fulfilling—but at least he’s not on Earth, where technology and culture have stagnated. When Jordan finds a powerful ring, he also finds a destiny to live up to. There are worlds beyond his own, unlike anything he ever imagined. But revelation comes with a price: the Green Lantern Corps has fallen, wiped out by ruthless killing machines known as Manhunters. The odds against reviving the Corps are nearly impossible...but doing the impossible is exactly what Hal Jordan was trained to do! Co-writer/artist Gabriel Hardman (Invisible Republic) and co-writer Corinna Bechko bring us a soaring original graphic novel that takes a radical new look at the mythology of Green Lantern and provides a great entry point for new readers.

A war has been brewing between the different colored Lantern Corps—the Green fighting the Yellow, the Red trying to destroy all, the Blue attempting to broker peace among the tribes. However, the real battle is yet to come: the undead Black Lanterns are coming and seemingly nothing can stop them. Putting aside old vendettas, it’s up to Hal Jordan and the Green Lantern Corps to lead DC’s greatest champions as well as their deadliest foes in a battle to save the universe from an army of the dead. Collects Blackest Night #0-8.

Cosmic police officers responsible for protecting the universe, the Green Lantern Corp is an organization numbering in the hundreds, with each Lantern assigned sectors of space to patrol. First introduced in the 1940s, the Green Lantern is one of the original superheroes of the DC Universe—with three generations of fans—and his (and their) popularity continues today. In Book 3 of Sleepers, Hal Jordan (the most popular of the Green Lantern Corp among comic book fans) has been stripped of his powers, but it is up to him to fight the clones of the villain Sinestro, set loose by actions in the trilogy’s fist volume. In order to save the earth, he may have to sacrifice himself by taking the power rings on a one-way trip to the anti-matter universe. A new original graphic novel in DC’s popular “Earth One” series, TEEN TITANS: EARTH ONE follows in the tradition of SUPERMAN: EARTH ONE and BATMAN: EARTH ONE, both of which were #1 New York Times bestsellers. The Teen Titans never felt like normal kids... but they had no idea how right they were. Their seemingly idyllic Oregon upbringing hides a secret -- one that will bring killers, shamans, and extraterrestrials down on their heads, and force them into an alliance that could shake the planet to its foundations! Superstars Jeff Lemire (ANIMAL MAN, GREEN ARROW) and Terry Dodson (WONDER WOMAN) reinvent DC’s youngest heroes, with an all-new mythos in an all-new world!
