

Happy Birthday Kate The Big Birthday Activity Book: (Personalized Children's Activity Book)

A fun and cozy celebration of birthdays from the author of the Caldecott Honor book *All the World*. What are these and what are those? Fancy shoes and party clothes! Bunny's big day has arrived, and her family and their forest friends are ready to celebrate in style. There's hugging and kissing, singing and dancing, and, of course, cake and presents! In this sweet picture book that's just perfect for reading aloud, Liz Garton Scanlon commemorates that most cherished of childhood events—a little one's birthday. Kathleen Gray—talented, a little wild, at times rebellious, but always popular—has a fun, easy life in rural Somerset, with a doting family. Suddenly, they are gone, everything is changed, and she has only Uncle Jack. Try as he might, he cannot be father and mother to her—he has a business to run and his own life to manage. Kathleen takes a chance and becomes Kate Westfield, fending for herself in London, with a new life built on her hopes and dreams and new friends. She could hardly have imagined that one of those friends has a shoebox full of answers.

A haunting story of family ties and wartime secrets The house opposite the church, overlooking the Cornish coast, is home to three generations of Tremains. Fred Tremain, the country doctor who built the house for his wife, Martha (and for whose sake he became estranged from his family); Anna, the difficult, determined older child, now a highly successful lawyer; Barnaby, the easygoing second child, now a vicar to the parish; and the beloved granddaughter, Lucy. A safe haven for a loving family, especially now that Fred and Martha are growing old, the house and cottage are also the keeper of secrets, solemn and tragic. That is until the day Lucy discovers a hidden cache of papers that brings to light the first of many long-hidden mysteries. As each layer is unwrapped and each secret laid bare, the family is forced to confront its past, to question the price paid for the upheavals caused by violence, wars, and prejudice, and ultimately to unlock the path to new relationships and new loves.

Kate is a pretty red-head, nearly sixteen years old and yearning to become an astronaut. A family tragedy opens the way for her to fulfil her dream, and a life of adventure and comradeship unfolds. The next few years bring a rich mix of fulfilment, joy, sorrow, distress, and eventually, romance. There is also the prospect of a place in the history books, as the crew is chosen for the greatest journey of the century.

It's the epic battle of brains against manes. Which side are you on? It's a question as old as time itself: which is better, the zombie or the unicorn? This all-original anthology edited by Holly Black (Team Unicorn) and Justine Larbalestier (Team Zombie) makes strong arguments for both sides in the form of spectacular short stories. Half of the stories portray the strengths—for good and evil—of unicorns, and half show the good (and really, really badass) side of zombies. Contributors include many bestselling authors, including Cassandra Clare, Libba Bray, Maureen Johnson, Meg Cabot, Scott Westerfeld, and Margo Lanagan. This anthology will have everyone asking: Team Zombie or Team Unicorn?

This cool personalized first name Kate Birthday Gift Journal / Diary / Notebook makes for a great birthday card / greeting card present! It is 6 x 9 inches in size with 110 blank lined pages with a white background theme for writing down thoughts, notes, ideas, or even sketching.

Every porcine wonder was once a piglet! Celebrate the joy of a new arrival with this endearing picture-book prequel to the New York Times best-selling Mercy Watson series. Mr. Watson and Mrs. Watson live ordinary lives. Sometimes their lives feel a bit too ordinary. Sometimes they wish something different would happen. And one day it does, when someone unpredictable finds her way to their front door. In a delightful origin story for the star of the Mercy Watson series, a tiny piglet brings love (and chaos) to Deckawoo Drive -- and the Watsons' lives will never be the same.

"Will appeal to fans of other STEM-infused series like Emily Calandrelli's 'Ada Lace' and Asia Citro's 'Zoey and Sassafras.'"--School Library Journal The fourth installment of the Kate the Chemist fiction series that shows kids that everyone can be a scientist! Perfect for fans of the Girls Who Code series. When Kate's brother Liam is having a science-themed birthday party the very same day that the science club in Kate's school is planning a special rocket launch experiment, Kate isn't sure how she'll manage to do it all: be a great big sister AND a great science club member. But with a little help from chemistry--and her friends--Kate figures out a way to be in two places at once. That is, until she is late to pick up the ice cream cake, which means Liam won't have a birthday cake for his party! Will science be able to save the day? From Kate the Chemist, chemistry professor and science entertainer as seen on The Late Show with Stephen Colbert, The Wendy Williams Show, and The Today Show, comes a clever and fun middle grade series that is the perfect introduction to STEM for young readers! Make Your Own Rocket! Experiment Inside! Praise for Dragons vs. Unicorns: "Proves that science and fun go together like molecules in a polymer."--School Library Journal "It's a great introduction to the basics of Chemistry that is readily accessible to a variety of ages The way the everyday chemistry is blended in is done seamlessly, and has [me and my ten-year-old son] noticing how we are all doing a little bit of science every day." --GeekMom.com

Amanda Ryan lives to be with horses. She has taken lessons from her beloved riding instructor Kate Brown at Lakeview Stables, an American Saddlebred farm in Missouri, for as long as she can remember. Amanda can't imagine a life without riding and showing. When she receives a special horse, Storm, she is full of anticipation and excitement for what the future may hold. But when Amanda learns that Storm's true identity is uncertain and that his history is possibly marked by criminal dealings, her world is turned upside down. World Champion Material is a suspenseful and engaging read for anyone who loves horses--and for those who simply enjoy a good story well-told.

In 1942, Kate Denis drowned herself in a stinking pond of run-off from a leather tannery in Rushden, England. Or so her daughter Marie was told. According to the story, Kate found herself pregnant by an American GI while her husband was fighting in Africa. In despair, she killed herself. All through her childhood, merciless schoolmates taunted Marie as the daughter of a whore. But Marie could never quite believe the stories. The details didn't make sense. Who would drown herself in such a place, leaving her other baby unprotected in a pram all alone? Marie hated the story, and hated that her mother had been buried in a pauper's grave. It was Marie's dying wish that a headstone be laid on her mother's grave--and that the truth of her death be discovered. Fifty years after Kate's death, Marie's husband Phil returns to England to discover the truth. Kate's Legacy is a war story, a love story, and a story of redemption.

New York City-based writer and illustrator Williamson shares discoveries about Japan and its culture based on a recent year spent in Kyoto as a postgraduate student. The text combines the author's colorful illustrations with brief descriptions presented in a script-style text. The end result is a charming, journal-like publication in which Williams

Happy Birthday, Bunny!

Zombies vs. Unicorns

Thirteen-year-old Kate is without her dad, lonely and depressed. Her family is broken and her world has lost its color and energy. One day, she is drawn by a crow into a land of uncommon beauty and love. But Kate soon discovers this new land is under siege by the rebel Grod Vurmis, who is causing freak storms and environmental disasters. Vurmis is turning the inhabitants into shadows, looting the kingdom libraries, and changing the stories so the people will no longer remember who they are. Kate's curiosity and courage lead her and three friends on a perilous quest to save the Kingdom of What Is. Traversing rivers, seas, and countryside, while avoiding the deceptions of Dreglings, they finally discover the royal palace in shambles. They join the paltry army of Prince Servan and go up against Grod Vurmis without weapons. Their quest comes to an unexpected and shocking end at the Great Gorge.

A woman he hates. A man she hates more. An unwanted child. And a man who tries to take it all away with one signature. As soon as Zack Walters walked into that sticky bar, I knew he couldn't put a sentence together without effort. To my surprise, I've learned that he's not a man of many words. His actions speak much louder. He didn't know what he was getting into when he mixed with me. Truth is, I didn't know, either. That's been my life. A laundry list of troubles isn't what anyone wants, especially when it comes to one pint-sized person. It isn't what I signed up for. It isn't what Zack signed up for, either. But most important, it isn't what a child should have to go through alone. She's silver-tongued, audacious, and a huge pain in my ass. But I was raised to help when help's needed. It's what I do. She thinks I'm a fool, and sometimes I believe her, but falling in love twice in the same week doesn't prove anyone wrong, least of all me. Despite the alarm bells going off all over, I can't stay away from these girls, and one of them won't let me leave. I just wish there were more guarantees. My brothers think that he'll take her away, and if he doesn't, with Kate's troubles, something else might. It's like a Euchre game. I just hope that my heart can trump their spades. ...little do I know that the Euchre game is going to be trumped by a blast going off on the day that my brother says his vows.

It's the last day of July 1999. A few days before her 37th birthday, Kate Davis has a near death experience, and her guide back to life and recovery is Marilyn Monroe, who prefers to be called Norma Jean. During the next few days, an extraordinary relationship develops between

Kate and Norma Jean, which transforms and heals them both. But every relationship has its risks, and every act its unintended consequences. Norma Jean's well-meaning efforts to help launch Kate on her new career path go terribly wrong, exposing Kate and her family to new, life-threatening dangers. BONUS SECTION INSIDE! "A Retrospective on the Life, Loves and Death of Marilyn Monroe." A fascinating look at the real Marilyn Monroe, including quotes from those who knew her, and her own thoughts in her own words.

"Indeed the perfect escape from, well, pretty much everything."—SARAH HENNING, author of *Throw Like a Girl* and the *Sea Witch* duology *Love* is a battlefield in this hysterical romantic comedy, perfect for fans of Jenny Han and teen romance books. Nate Jae-Woo Kim wants to be rich. When one of his classmates offers Nate a ridiculous amount of money to commit grade fraud, he knows that taking the windfall would help support his prideful Korean family, but is compromising his integrity worth it? Luck comes in the form of Kate Anderson, Nate's colleague at the zombie-themed escape room where he works. She approaches Nate with a plan: a local tech company is hosting a weekend-long survivalist competition with a huge cash prize. It could solve all of Nate's problems, and she needs the money too. If the two of them team up, Nate has a real shot of winning the grand prize. But the real challenge? Making through the weekend with his heart intact... A great pick for: Readers of YA romance and romantic comedy books Parents who need gifts for teens and reluctant readers Fans of Sarah Dessen, Kasie West and Christina Lauren People who love both the *Hunger Games* and rom-coms and didn't know they needed a crossover Praise for *The Perfect Escape*: A Junior Library Guild selection! "Pure fun! A hilarious rom-com that head-fakes you into tumbling headlong into a techno-zombie survival thriller propelled by banter and plenty of heart."—David Yoon, *New York Times* bestselling author of *Frankly in Love* "The Perfect Escape is just that—perfect. Filled with humor and heart, it won't let you go until you're smiling."—Danielle Paige, *New York Times* bestselling author of the *Dorothy Must Die* series and *Stealing Snow* "An adorable, laugh-out-loud YA romcom with a lovable hero and an action-packed zombie-themed escape room—what more could you want?"—Jenn Bennett, author of *Alex*, Approximately

In BEFORE DAWN (Book #1 of Vampire, Fallen), Kate, 17, hates her life. An outcast in her own family, who doesn't understand her, she is hated by her more popular and beautiful sister, and despised by her controlling mother, who favors her sister over her. Kate's only solace is her friends and her smarts. But even with that, her life seems destined for a dead-end—especially when her mother announces she will have to stay back from college to pay for her sister's tuition. But one day, all that changes. On her 17th birthday, one of the popular boys falls for her. At the same time, a mysterious new boy, Elijah, arrives at her school, and their connection is undeniable. All seems to be turning her way—when a terrible accident turns her life upside down. Kate is supposed to die. But on the verge of death, something happens, something which keeps her alive, which transforms her into something she was never meant to be. In the twilight between life and death, Kate becomes something no one has ever been before. The debut of a spectacular new series rife with love, loss, heartbreak and redemption, BEFORE DAWN offers a fresh take on the vampire genre. With its heart-pounding suspense and characters you will fall in love with, it will keep you reading late into the night and make you fall in love with fantasy all over again. "Refreshing and unique, has the classic elements found in many Young Adult paranormal stories...Easy to read but extremely fast-paced...Recommended for anyone who likes to read soft paranormal romances. Rated PG." --The Romance Reviews (re Turned) "Grabbed my attention from the beginning and did not let go...This story is an amazing adventure that is fast paced and action packed from the very beginning." --Paranormal Romance Guild (re Turned)

High school. Where every girl lives the same story, over and over. (Cinder) Ella Armstrong has tried to fit into other people's stories. It doesn't work. But her own story, the one where she's courting a princess and not a prince, is way too weird to tell. There are some things you just can't help. When the school Rebel Queen Renee Hammond needs a knight, Ella dumps the idea of glass slippers and takes up the challenge. Worshipping from the sidelines works for her until good girl Diane Lacey makes Ella yearn to write a new story for herself. A story where the girl might get the girl, but most of all, the girl gets herself. Newcomer Shari McNally creates an engaging world where a young woman finds she must steal her own story or others will write it for her.

It's Kate's birthday, and Kate's mom has finished sewing Mim-Mim. Since they both now share a birthday, Kate wants to throw a surprise party for her new bunny friend.

Jennifer Granholm was the two-term governor of Michigan, a state synonymous with manufacturing during a financial crisis that threatened to put all America's major car companies into bankruptcy. The immediate and knock-on effects were catastrophic. Granholm's grand plans for education reform, economic revitalization, clean energy, and infrastructure development were blitzed by a perfect economic storm. Granholm was a determined and undefeated governor, who enjoyed close access to the White House at critical moments (Granholm stood in for Sarah Palin during Joe Biden's debate preparation), and her account offers a front row seat on the effects of the crisis. Ultimately, her story is a model of hope. She hauls Michigan towards unprecedented private-public partnerships, forged in the chaos of financial freefall, built on new technologies that promise to revolutionize not only the century-old auto industry but Michigan's entire manufacturing base. They offer the potential for a remarkable recovery not just for her state, but for American industry nationwide.

A group of kids must stop invaders before they take over Titus—and the rest of the universe—in this first book in a brand-new series from bestselling Pegasus author Kate O'Hearn, who masterfully blends mystery and mythology together. Fifteen years ago, Olympus was destroyed and the Olympians were resettled on Titus. Since then Earth has been declared a quarantined world. Neither Titans nor Olympians are allowed to visit and under no circumstances are humans allowed on Titus. The Titans and Olympians are keeping the peace. But the deep-seated mistrust still lingers, so when a human ends up on Titus, he could be the spark that reignites the war... Astraea is a Titan, granddaughter of Hyperion, and now a reluctant student at the brand-new school, Arcadia. She just knows that it's going to be awful, and that there is no way that Titans and Olympians will ever get along! At least she's got her best friend, a winged-horse named Zephyr, to keep her company. Then the night before the first day of school, Astraea hears her parents discussing something terrifying: a human has been spotted on Titus. But that's not possible. All routes to Earth via the Solar Stream have been closed—no one can travel between the two worlds...or can they? When Astraea and Zephyr get detention on their first day—for fighting with a centaur—they're sent to the orchards to harvest nectar. There they discover a human boy named Jake. How he got to Titus is a mystery even to him. But Astraea and Zephyr know they have to get Jake home before anyone else discovers him. But what the trio uncovers is something much bigger than

one misplaced human boy. It's a scheme to take down the rulers of this world, conquer it, and then do the same across the galaxy. Can a group of kids stop the invaders? Or is Titus, like Olympus before it, doomed?

The next anthology from the #1 New York Times bestselling Otherworld series More than a decade after Kelley Armstrong first opened the doors to the Otherworld, fans are still clamoring for more. The second in the trilogy, Otherworld Secrets, features fan-favorites such as Cassandra, Savannah, and Adam in rare and never-before-published short stories—plus a brand new novella. Fans old and new will flock to this mystery-themed volume to discover the deepest secrets of this captivating world.

Mary discovers her past and through the kindness of strangers, learns how to find out who she is and where she is really from.

*National Bestseller and Winner of the PEN/Faulkner Award for Fiction Oscar Feldman, the renowned figurative painter, has passed away. As his obituary notes, Oscar is survived by his wife, Abigail, their son, Ethan, and his sister, the well-known abstract painter Maxine Feldman. What the obituary does not note, however, is that Oscar is also survived by his longtime mistress, Teddy St. Cloud, and their daughters. As two biographers interview the women in an attempt to set the record straight, the open secret of his affair reaches a boiling point and a devastating skeleton threatens to come to light. From the acclaimed author of *The Epicure's Lament*, a scintillating novel of secrets, love, and legacy in the New York art world. "Mischievous...funny, astute...As unexpectedly generous as it is entertaining.... Christensen is a witty observer of the art universe." -The New York Times*

What if She Came Back

The Great War shakes the world of a spirited young woman and the brave British pilot she loves, taking her from London to her family's country estate, and sending him into the war-torn skies over France. Penny Ramsey has always considered Highland Hall her home, but becomes involved in World War One she travels to London to assist her sister Kate with the eight orphan children she and her husband their home. Doing her part for the war effort takes priority over Penny's dreams of romance until she meets Alex Goodwin, a Royal Nav

in training. Alex is determined to prove his worth and do his part to defend his country. Knowing he is heading off for the dangerous as Zeppelins across the front line in France, he feels it's unwise to form any romantic attachments. But he can't help admiring the pretty, and wondering what it would be like to find her waiting when he returns home from the war. As Penny writes to Alex, their friendship becomes his tie to home and normalcy as he faces the hardships war. But being an RNAS pilot means confronting the enemy, and the f experiences push Alex beyond Penny's reach. Can God mend the brokenness left by the losses of war? Will faith and forgiveness bring t again?

Annabelle is determined to have a birthday party that stands out from the rest. The moon seems like the perfect spot! But wearing spa in a place with no air create some challenges that Annabelle didn't expect. Will her out-of-this-world birthday still be a blast?

You don't know me, but I'm Oreo. This is a story about a very special Bernese Mountain. You see, a lot happened to him in the first, let's his life. Hence the name "The Adventures of Oreo." A pound, two owners, a divorce, a truck, sports, family, airline adventures, and maybe of it is a little sad, other parts are quite frustrating, and others are about him finally living a normal life. Why not join Oreo on his adventure to tell you about them.

The Story of Snow White

Titans

I'm Kate Doing Kate Things

Teagan Phillips is obnoxiously rich, obnoxiously fashionable, and, this year, she's obnoxiously turning sixteen. No one's sweet sixteen party will be as glitzy, glamorous, decadent, and, well, obnoxious as Teagan's sweet sixteen party. She might single-handedly take the sweet out of sweet sixteen. In typical fashion, nothing is quite right for Teagan on the night of her sweet sixteen party. When a slew of unfortunate events unfold at what was supposed to be the sweet sixteen event of the century, she hits rock bottom, literally, by falling down the stairs into the wine cellar. When she comes to, a strange woman is standing over her. What happens next will bring Teagan back in time to when she was a sweet little girl with two parents, before her mother died

and her father threw himself into his work. She'll be forced to face the choices she made that led her to be the person she is on her sixteenth birthday. And with the help of her fairy godmother (or whoever the heck the creepy woman in white is), this will be the sweetest of all sixteens.

Loop Group is Larry McMurtry at his contemporary best, a novel that can best be described as *Thelma and Louise* meets *Terms of Endearment*, in which two aging ladies set out on a road trip that will take them from Hollywood to Texas, with many adventures on the way. In perhaps his finest contemporary novel since *Terms of Endearment*, Larry McMurtry, with his miraculously sure touch at creating instantly recognizable women characters and his equally miraculous sharp eye for the absurdities of everyday life in the modern West, writes about two women, old friends, who set off on an adventure—with unpredictable and sometimes hilarious results. As *Loop Group* opens, we meet Maggie, whose three grown-up daughters have arrived at her Hollywood home to try and make her see sense about her busy life, a life that intersects with lots of interesting—all right, bizarre—people. Her daughters push her into having a few second thoughts about it, and these are reinforced when her best friend, Connie, seeks an escape from her own world of complex and difficult relationships with men. Maggie conceives the idea of driving to visit her Aunt Cooney's ranch near Electric City, Texas, and the two women prepare for the trip by buying a .38 Special revolver (which leads to unexpected trouble along the way). This road trip will end by changing their lives. Alternately hilariously funny and profoundly sad—even tragic—*Loop Group* is a major Larry McMurtry novel and a joy to read.

Are you looking for the perfect present for your daughter, sister, niece, toddlers girls ... or for any special someone in your life who loves unicorns !? This custom named book is the perfect place to create your masterpiece.
