**UNICORNS BIRTHDAY NOTEBOOK AND JOURNAL - MAKES FOR A GREAT GIFT!** *This hilarious and laughter inspired unicorn birthday notebook is just what someone needs to received on their special day of birth. We all get birthday gifts and presents, but only a few of them will actually stand out and leave a lasting impression. What also makes this gift stand out from other notebooks and journals, is that the inside cover page has a message that says "In all seriousness, Happy Birthday and I Wish For You To Have the Best Year Ever!", and also has an area for the person to add their name to the book. This way, not only is it like a birthday card, it's so much better -- and something that will actually be used and kept for several months and year to come. That is exactly what you will find with this crude humor notebook and journal, which is great for helping anyone to stay inspired and excited for life, while also having the ability to take simple notes or write about whatever is going on in everyday life. It's also great for telling the world that you love unicorns and are celebrating your birthday at the same time. Excellent for personal use, but even better as a mystery gag gift when they are opening gifts and eating cake. Unlike other notepads and journals that just have blank pages and boring covers, this one features over 120 pages filled with black lines for creative writing and journaling. When it comes to the design, it really stands out. On the front cover you will see a unicorn jumping out of a cake, and another unicorn on the back cover. These designs really pop out, as they are laid against a dark purple diamond background with speckled stars and white font that is easy to read. The setup of this writing book is perfect for notes, reminders, creating to-do lists and highlighting your top priorities -- all of which allows for easy navigation and complete creativity. Need to take notes? Jot down a new business plan? Have a daily diary or journal? It's all possible with this inspiring notebook and journal that is completely original and customized to fit your needs.
