

Harry Potter: Collectible Quidditch Set

Thunderbirds and Nifflers, house-elves and Hippogriffs - J.K. Rowling's Wizarding World abounds with magical creatures of all kinds. But how does a Bowtruckle come to life on the big screen? Is an Occamy a snake or a bird? And what's the truth about Mooncalf poo? Featuring detailed creature profiles, stunning artwork and captivating insights from the making of Fantastic Beasts and Where to Find Them and all eight Harry Potter films, these pages reveal everything fans want to know about how these creatures were created. Jam-packed with bonus material - pop-ups, lift-the-flaps, removable posters and other goodies - this book offers young readers a thrilling backstage pass to the wizarding world.

Following the success of four titles in the Nuthin' But Mech series, Lorin Wood pivoted skyward to his passion for space travel. Inviting the work of 51 artists, Wood has curated a collection of imaginative inventions sharing one common theme: Traverse. This compilation draws on each artist's proven ability to design an aesthetically pleasing mode of transportation, a clear narrative, and a stunning backdrop. Be it rustic freighters, streamlined sentries, or a fleet of modular ships, every original piece portrays an exceptional vision. Traverse celebrates an impressive lineup of contributors—from a range of industries including video games, animation, film, and transportation design—each recognized with their own unique biography. Featuring some familiar names from the Nuthin' But Mech series, Traverse also celebrates the work of dynamic new talent—delivering an exciting collaboration of innovative and inspired passion projects. Delve into the world of Traverse with this trove of intricate and compelling works, each as immersive and engaging as the next.

Harry Potter fans will fly out of their seats for this fantastic kit!

Harry Potter – The Artifact Vault

Discover the brooms of the Wizarding World in this gorgeous sequel to the best-selling Harry Potter: The Wand Collection. Every broom has a story of its own. In the Harry Potter films, wizarding broomsticks are magical artifacts that enable their riders to soar from one place to another. They can be used to dodge dragons, escape Death Eaters and other Dark forces, or take to the skies for an action-packed Quidditch match. Harry Potter: The Broom Collection is a visual guide to these magical artifacts, their makers, and their riders. Profiles of each broom feature stunning new illustrations of the original props, insights from cast and crew, and other filmmaking secrets from the Warner Bros. archive. Also included are fascinating entries on Quidditch, illustrated with prop photography and concept art, with profiles on everything from the Golden Snitch to the Quidditch World Cup. This collectible volume is an ideal resource, both for veteran fans seeking to learn the history behind these beloved items and for a new generation just beginning their journey into the wizarding world.

Discover the wands of your favorite Harry Potter characters. In the Harry Potter films, each wand is as unique as the witch or wizard who wields it. From Hermione Granger's elegant, vine-wrapped wand to the bone-inlaid wands of the Death Eaters, each was designed and crafted by the filmmakers to reflect its owner's identity. Harry Potter: The Wand Collection is a visual guide to these magical wands, their makers, and the characters who mastered them. Profiles of each wand feature stunning new photography of the original props, wand statistics, insights from the cast and crew, and other filmmaking secrets from the Warner Bros. archive. This collectible volume is an ideal resource for both wand-wielding veteran fans seeking to learn the history behind these beloved items and a new generation just beginning their journey into the wizarding world.
