Following the success of his first book, Drag Racing 101, where IH Racing's Team Owner Ike Heckler Jr. explains how to build your first race car and secure sponsorship, Ike now brings you Drag Racing 201 – Racing in the New Economy. After racing at NHRA tracks in the northeast and

southeast for the past 10 years in a booming economy where securing sponsorships was relatively easy, Ike takes you on an exciting journey through 2010 and explains what it is like to uproot your personal life in order to pursue the goal of semi-pro drag racing. With over 52 career round wins and national media exposure from SPEED TV's Pinks All Out, NHRA's National Dragster, and NMCA's Fastest Street Car magazine, Ike has secured corporate sponsorships from Lucas Oil, VP Racing Fuels, WIX Filters, O'Reilly Auto Parts, ReMax Realty, Holiday Inn Hotels & Resorts, CARQUEST Auto Parts, and Ken's Speed & Machine. IH Racing's primary sponsor, Premier Properties of the Space Coast, is owned by Mr. Heckler and develops residential and commercial properties in southeast Florida. In Drag Racing 201 Ike explains how to use your own company together with your other sponsors to be able to fund a full race season and be able to travel the hundreds of miles from racetrack to racetrack economically. From getting into the Final 32 at the Pinks All Out event in West Palm, FL to making the WIX All Out 16 at the Pinks All Out event at zMax Dragway in Charlotte, Ike brings you along to all the other races and other fun events he was able to attend in 2010 with the help of good friends and sponsors. You will also ride along as he moves from Florida to North Carolina, then back to Florida just so he could honor his commitment to all his sponsors and race the season. He will also show you how the degrading economy affected his racing operation in 2010 and how he had to adjust and sacrifice his personal life to be able to race and survive. Drag Racing 201 then looks into the future of the sport and projects how it may look a few years from now and gives the reader some valuable tips on how to afford racing a full season and how the racer may have to live differently in order to race and live their dream. Ike also

gives the reader some valuable sponsorship tips along the way that will help with sponsor exposure and could make securing sponsorships a little easier. If your goal is to drag race in the New Economy, this book is a must read that will save you money and increase your sponsor exposure !!

Nate's family has a secret, and it's wrapped up in a song. The problem is, his preacher father

hates music, and when he catches Nate hanging around downtown Bristol with musicians like Jimmie Rodgers and the Carter Family, he comes down hard on him. So Nate sets out in search of himself and the song he thinks will heal his family. Set during the "big bang" of country music in the late 1920s, Nate's journey of self-discovery parallels that of a region finding its voice for the first time.

The transatlantic story of six radical pioneers at the turn of the twentieth century Rebel Crossings relates the interweaving lives of four women and two men as they journey from the nineteenth to the twentieth century, from Britain to America, and from Old World conventions toward New World utopias. Radicalised by the rise of socialism, Helena Born, Miriam Daniell, Gertrude Dix, Robert Nicol and William Bailie cross the Atlantic dreaming of liberty and equality. The hope for a new age is captured in the name Miriam and Robert give their love child, born shortly after their arrival: Sunrise. A young Bostonian, Helen Tufts learns of Miriam's defiant spirit through her close friendship with Helena; the love she feels for Helena and later for William fundamentally alters her life. All six are part of a wider historical search for self-fulfillment and an alternative to a cruelly competitive capitalism. In articles, poems and allegories Helena, Helen and Miriam

resist the cultural constraints women face, while female characters in Gertrude's novels struggle to combine personal happiness with radical social commitment. William campaigns against class inequality as a socialist and an anarchist while longing to read and study. Robert, the former union militant, becomes preoccupied with personal growth and mystical enlightenment in the wilds of California. Rebel Crossings offers fascinating perspectives on the historical interaction of feminism, socialism, and anarchism and on the incipient consciousness of a new sense of self, so vital for women seeking emancipation. These six lives bring fresh slants on political and cultural movements and upon influential individuals like Walt Whitman, Eleanor Marx, William Morris, Edward Carpenter, Patrick Geddes and Benjamin Tucker. It is a work of significant originality by one of our leading feminist historians and speaks to the dilemmas of our own time.
