

Heartless (An Enemies To Lovers Novel Book 1)

Dive into the world of the ruthless in this new stand-alone dark mafia romance from USA Today bestselling author, Faith Summers. What kind of happily-ever-after do you get when you're forced to marry a monster? A monstrous Bratva leader who bounds your wrists and promises to break you. Mikhail Dmitriyev is a beautiful devil with a villainous heart and a thirst for revenge. The choices he gave me when he stole me away from my home with an army of men were very clear—marry me or die. I chose to marry him and live. But there's one small problem with his grand plan to reign Armageddon on the Mexican Cartel. I'm not the woman he thinks I am. I'm not the cartel princess he thinks he took to make his enemies bow to him. When my captor finds out my secret and realizes he married the wrong woman, love won't be enough to save me. And neither will his obsession. Deceptive Vows is a dark mafia arranged marriage romance. It contains dubious situations, mature content, and graphic violence some readers might find offensive and/or triggering. This is a complete standalone of 109k words.

There are rules to being Abigail Crowne's bodyguard, rules to watching the infamous billion-dollar heiress, otherwise known as the Reject Princess. Never forget your place, always put the Crowne name above all else, and never, ever hurt the Reject. Especially don't torment the Reject. Even if she is a spoiled brat. So when an opportunity presents itself to punish her, you definitely shouldn't take it. Then again, Abigail loves to be tortured, and I've waited patiently for revenge. I'll keep her safe... with cruel protection. Love is off limits with Abigail Crowne, but no one said anything about hate.

Long before she was the terror of Wonderland—the infamous Queen of Hearts—she was just a girl who wanted to fall in love. Long before she was the terror of Wonderland, she was just a girl who wanted to fall in love. Catherine may be one of the most desired girls in Wonderland, and a favorite of the unmarried King of Hearts, but her interests lie elsewhere. A talented baker, all she wants is to open a shop with her best friend. But according to her mother, such a goal is unthinkable for the young woman who could be the next queen. Then Cath meets Jest, the handsome and mysterious court joker. For the first time, she feels the pull of true attraction. At the risk of offending the king and infuriating her parents, she and Jest enter into an intense, secret courtship. Cath is determined to define her own destiny and fall in love on her terms. But in a land thriving with magic, madness, and monsters, fate has other plans. In her first stand-alone teen novel, the New York Times-bestselling author dazzles us with a prequel to Alice's Adventures in Wonderland.

We were destined for disaster from the second we met ...Massimo D'Agostino is the heir to his father's empire. Don't be fooled by his handsome face, or that piercing blue gaze. He's no prince charming. He's dangerous and feared, possessive and fierce. Our first meeting began with a contract that forced me to marry him and sign my life away. I was a debt repayment and a pawn in his game to exact revenge against my father. The only way out is death. I belong to him now. Me, the Balesteri Mafia Princess. Pure and untouched... Owned by the devil who placed me in a gilded cage. But something unexpected happened the moment our paths collided. It made me want more of what he had to offer every time I lay beneath him. Then the past came knocking at the door and dark secrets scattered at my feet. Suddenly I don't know truth from lies. Or, who the monster in this story is. I thought it was my husband. Now I'm not so sure...

In New York Times bestselling author Marissa Meyer's young adult contemporary romance, a girl is suddenly gifted with the ability to cast instant karma on those around her – both good and bad. Chronic overachiever Prudence Barnett is always quick to cast judgment on the lazy, rude, and arrogant residents of her coastal town. Her dreams of karmic justice are fulfilled when, after a night out with her friends, she wakes up with the sudden ability to cast instant karma on those around her. Pru giddily makes use of the power, punishing everyone from public vandals to mean gossips, but there is one person on whom her powers consistently backfire: Quint Erickson, her slacker of a lab partner. Quint is annoyingly cute and impressively noble, especially when it comes to his work with the rescue center for local sea animals. When Pru resigns herself to working at the rescue center for extra credit, she begins to uncover truths about baby otters, environmental upheaval, and romantic crossed signals—not necessarily in that order. Her newfound karmic insights reveal how thin the line is between virtue and vanity, generosity and greed . . . love and hate... and fate.

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.
