Herein the detective deals with the theft of a gem said to have been the eye of a mysterious idol, a million dollars in bonds that disappear from a locked case, jewel thieves who have conceived of a seemingly impossible theft, and even the kidnapping of the Prime Minister of England. Poirot uses deduction, deception and isn't above creating illusions to reveal a killer, but his foes are often both more unusual and more dangerous than simple murderers. He finds himself battling spies, masters of disguise and even trying to thwart a supposed Egyptian curse.

Hercule Poirot made his first public appearance in 1920 at the age, one guesses, of about 60. He finally breathed his metaphorical last in 1975 at the age of maybe 75 or 80. And in that short span of time - either 55 years or about 20, depending on how you count it - Poirot became one of England's most profitable and ubiquitous export

commodities. But it's very clear that his creator, Agatha Christie, did not at first intend for it to go that way. She made a very definite attempt to end the Hercule Poirot saga in the mid-1920s, when his story consisted simply of three novels and 25 short stories. It is that first Hercule Poirot bibliography, the one Christie clearly intended to leave for posterity when she typed up the last few words of "The Crag in the Dolomites" sometime in 1924, that is presented in this collection.
