

High Til I Die: The Unraveling Of A Drug Addict

He doesn't wait for an invitation... Can a good person go too far to protect his family? That is the question underlying The Intruder -- a gripping tale of a family fighting for its life. Having survived a childhood of beatings and psychological torture, successful Manhattan lawyer Jacob Schiff cherishes his stable family life with his wife, Dana, a psychiatric social worker, and their teenage son, Alex. But Jake sees it all unraveling when Dana's patient John Gates, a homeless man, starts stalking her and menacing the family. As Gates' behavior becomes even more bizarre and violent, Jake is driven to the breaking point and takes a fatal step that could destroy everything he cares about. Written with lacerating authority, The Intruder is a classic, powerful thriller that thrusts Peter Blauner into the ranks of major contemporary authors.

Jake Schiff has everything he ever wanted, a good career and a dream home for the family he cherishes. T hen the intruder enters their lives, stalking, menacing and terrorising them. How far will Jake go to protect his family ?

"The first in-depth biography of Nipsey Hussle, the hip hop mogul, artist, and activist whose transformative legacy inspired a generation with his motivational lyrics and visionary business savvy-before he was tragically shot down in the very neighborhood he was dedicated to building up"--

Many who suffer from post-traumatic stress disorder do not realize what is going inside themselves. Unfortunately, those who return home from combat or who have experienced any other type of traumatic event remain in the battle, the war within. Could it be that PTSD is merely physiological symptoms related to trauma, or is it so much more than that? A Marne Mind explains the advantage of coping skills and the relationship among physical, mental, emotional, and spiritual ruin and well-being while constantly pointing to the greatest source of healing and recovery. Search for A Marne Mind: A Soldiers War with Recovery on facebook to become a part of the Marne Mind Mission of raising awareness about PTSD and recovery. 5% of all proceeds will be donated to Operation Resilient Warrior, a nonprofit organization dedicated to helping soldiers and their families. For more information about ORW visit www.operationresilientwarrior.org.

In Roll Me Up and Smoke Me When I Die, Willie Nelson muses about his greatest influences and the things that are most important to him, and celebrates the family, friends, and colleagues who have blessed his remarkable journey. Willie riffs on everything, from music to poker, Texas to Nashville, and more. He shares the outlaw wisdom he has acquired over the course of eight decades, along with favorite jokes and insights from family, bandmates, and close friends. Rare family pictures, beautiful artwork created by his son, Micah Nelson, and lyrics to classic songs punctuate these charming and poignant memories. A road journal written in Willie Nelson's inimitable, homespun voice and a fitting tribute to America's greatest traveling bard, Roll Me Up and Smoke Me When I Die—introduced by another favorite son of Texas, Kinky Friedman—is a deeply personal look into the heart and soul of a unique man and one of the greatest artists of our time, a songwriter and performer whose legacy will endure for generations to come.

*High Til I Die*The Dirty Mind of a Drug AddictIndependently Published

X-rated view into the life of a female stuck in drug addiction. This book is not for the weak of heart. It is a fictional, unedited view of the horror that addiction brings. April P struggled with addiction and draws on her own life as the theme for the book. After spending over a decade addicted to various drugs, the author broke free from the web and hopes this book will help give a glimpse into a life that many die, trying to escape.

The admiration of love, to honor, to worship, to display love crafted in the form of written poems.

Timely love at it's very essence, love being a blessing. Poetry.

First Published in 2003. Routledge is an imprint of Taylor & Francis, an informa company.

Did you know: Hull City is the only team in the English Football League which hasn't got a single letter that you can colour in? City's early matches were played at The Boulevard, the old home of rugby league side Hull FC? Up to 2008, the nation's favourite trivia quiz question was: which is the largest city in England to have never had a team in the top division? The answer, of course, was Hull - but promotion in May 2008 rendered the question defunct and the search is now on for an updated version. The Hull City Miscellany - a book on the Tigers like no other, packed with facts, stats, trivia, stories and legend. Now, with the club tasting previously uncharted highs, look back at what has made this club what it is today - the players and characters that have represented City over the years and the events that have shaped the club. If you want to know the record crowd for a home game, the record appearance holder or longest-serving manager, look no further - this is the book you've been waiting for. From record goal scorers, to record defeats; from Boothferry Park to Dean Windass - it's all in The Hull City Miscellany - can you afford not to own a copy?

The Beauty of Love is a beautiful array of love poetry at its finest.

Red Ink of Blood is filled with entertaining poetry at its finest. A variety of them are graceful yet majority of them are hardcore, and there are even several love poems.

From the author of the #1 Bestseller High til I Die - The Unraveling of a Drug Addict comes a work of erotic, jaw dropping fiction called Crack Shack. Like it's predecessor, Crack Shack is short, shocking and X-rated. The story is told by a female crack addict who calls the shack "home." Always in fear of not having enough rock, she does whatever it takes to get more. This book is for mature readers only.

The stories of this book are my experiences during World War 2, also events which took place previous to, but are nonetheless relevant to them. Taken from a day-to-day diary kept by me, hidden from my captors in my AP (water bottle). I was taken prisoner at Singapore by the Japanese and incarcerated for three and a half years. This account has been enhanced and enlarged by extra memories triggered by reading my original diaries, which were sometimes

written in a hurry due to illness or cut to a minimum at the time in case they were discovered by the Japanese. All sketches and poems are my own work unless otherwise stated most prisoners, others from memory since.

Reprint of the original, first published in 1865. A manual of devotion intended especially for the school, also adapted to the family.

A blank manuscript notebook with 100 pages. 12 staves per page that comes with specially designed covers and high-quality music writing sheets is perfect for music composition, for college and high school music classes, theory classes, breaking down solos or transcribing music. It is easy to use and ideal for students, amateurs and professionals. This is great to have around and on the go as you can jot down lyrics quicker whether you want to write a

song, compose a classical music or just want to write quick notations or ideas on the spur of the moment. Grab one now!
