

Hire Yourself: Control Your Own Destiny Through Franchise Ownership

Secretly, if not overtly, almost everyone in America desires to become rich: to make it big, to enjoy the fruits of the most successful life imaginable. But unfortunately, most of us don't have a clue how to reach these all too elusive goals. Quite simply, there's no definitive road map for getting there, no proven plan, and certainly very little access to those who have become "the richest man in town." But now W. Randall Jones, the founder of Worth magazine, is about to change all that. He's traveled to one hundred different towns and cities across the country and interviewed the wealthiest resident in each. No, these are not those folks who inherited their wealth, or happen to be a CEO of a Fortune 500 company. Rather, these are the self-made types who, through hard work and ingenuity, found their own individual paths to financial success. Remarkably, during his research, Jones found that these successful

Read Book Hire Yourself: Control Your Own Destiny Through Franchise Ownership

people were not so different from one another. They all shared many of the same traits and followed what the author calls the Twelve Commandments of Wealth: stay hungry (even when you're successful) . . . you really do learn more from failing than you may think . . . absolutely be your own boss, the sooner the better . . . understand that selling is the key to success . . . where you live doesn't matter . . . never retire, and other, more surprising revelations.

Practical, unique, and inspiring, this book lets you peek inside the living rooms of dozens of America's most successful people—and shows how you, too, can become THE RICHEST MAN IN TOWN.

From New York Times bestseller, Kendall Ryan, comes a sexy new standalone novel. My tempting and very alpha friend Sterling Quinn is someone I consider off-limits. It's not just that we're friends, he's also cocky, confident, and British, which means he's a walking aphrodisiac. But lately he's been giving me the look. You know the one. When he thinks I'm not paying attention, and his gaze lingers for

Read Book Hire Yourself: Control Your Own Destiny Through Franchise Ownership

too long. When we start working together, that's when the sexual tension between us gets so thick, I want to hack through it with a machete. I want to make all these deep feelings I've harbored for him disappear, because there's no way this can end well. The lines between business and pleasure become irrevocably blurred, and I'm stuck between a rock and Sterling's very, very hard place. Rather than keep a level head about our growing attraction, Sterling wants to go all in, showing me just how explosive we can be together. But I've been around long enough to know that this British bad boy is more than my heart can handle. I'm not about to be cast aside like yesterday's underwear when he's done having fun. Sterling's never been told no, and he's not about to put his ego aside and play by my rules. But I never thought he'd fight so dirty.

Modular homes are the perfect solution if you want to build a high-quality, customized home without undue expense or hassle. In this informative guide, Andrew Gianino helps you make the best choices throughout the modular building

The must-read summary of Stephen Pollan and Mark Levine's book: "Fire Your Boss: Why You Should Hire Yourself". This complete summary of the ideas from Stephen Pollan and Mark Levine's book "Fire Your Boss" shows that landing the job of your dreams has little to do with your company, your boss, your profession, or your location. It has nothing to do with your resume, your expanding menu of job skills, or your impressive business Rolodex. Sure, the state of the economy makes a difference, but it's not the most important factor. Landing the job of your dreams is an inside job. It's done by adopting an entirely new attitude toward work and the workplace, one that puts you in charge of your new job. The trick is to fire your boss and replace him or her with yourself. This summary exposes the seven key elements of the fire-your-boss philosophy. It also contains examples of how this strategy has helped people to achieve personal success and create their ideal job situation. Instead of seeing yourself as the victim of the workplace, get into the driver's seat and change your work life for the better! Added-value of this summary: • Save time • Understand key concepts • Increase your business knowledge To learn more, read "Fire Your Boss" and land the job of your dreams! Find the right candidate for the job every time Adler's insightful new POWER hiring methods enable managers to attract, assess, and recruit the best candidates through the integration of online tools and offline behavior modifications. New information on hiring and the Internet, diversity, and legal compliance issues is included.

From USA Today best selling authors, Willow Winters and Lauren Landish, comes a sexy and forbidden series of standalone romances. I knew she'd ruin me. But I wanted her anyway. I was born into wealth and my name comes with a reputation. One I've upheld and leveraged for power. Now everyone owes me and I plan to keep it that way. Until she's offered to me. Only for a single month to repay a debt. Her tempting curves call to me and beg me to risk it all. I shouldn't take her, I shouldn't

Read Book Hire Yourself: Control Your Own Destiny Through Franchise Ownership

even consider his offer. Women like her bring men to their knees. But there's something in her baby blues. They're haunted by what lies behind them. She sees through me, leaving me nowhere to hide. I knew taking her would destroy me, but it only took one taste. Now I'm addicted. And I'm not giving her back.

Explaining Research is the ultimate guide for scientists, engineers, and other professionals seeking to share their life's work effectively with important lay and scientific audiences. It offers a multitude of practical communication tools and techniques for writing, giving talks, creating visuals, using social media, and publicizing research advances. Career success depends on more than conducting incisive experiments and publishing papers in top journals. Researchers must also know how to explain their work to key audiences, such as colleagues, potential collaborators, officers in funding agencies and from foundations, donors, institutional leaders, corporate partners, students, legislators, journalists, and the general public. Explaining Research is the most comprehensive guide for science and engineering communication. In this new edition, leading research communicator Dennis Meredith provides readers with the practical tools and techniques scientists and engineers need to reach their audiences effectively. The updated and expanded chapters include a wealth of insights from leading science journalists and research communicators.

Xtreme Music Marketing is a guide for musicians in the world of marketing. Most artists are professionals at their craft, but novices at marketing. This book will take you through a successful and proven process of promoting, selling and performing your music. These techniques are tried and true. They have been used and are successful in their attempts. All you have to do is follow the techniques.

'Self-Publishing Your Book' provides an introduction to self-publishing book, in print and ebook

Read Book Hire Yourself: Control Your Own Destiny Through Franchise Ownership

formats; in particular, it examines: the rise of self-publishing, why an author would want to self-publish their book (control over the editorial process, problems with finding a publisher etc.), how Kingsford Self-Publishing can help an author self-publish their book; how to sell and distribute an author's book. Importantly, all of this is considered in the context of both print and ebook formats (suitable for ebook reader formats). Readership includes: all authors wanting to self-publish: novels, fiction, non-fiction, family histories, history (local or national), poetry etc. Contents includes: Introduction; About us; Background to self-publishing; Why self-publish your book?; Self-Publishing Services Offered; Selling and distributing your book - selling printed books; selling ebooks: Kindle, iPad, Nook, Kobo and many, many others; How to order your book; How do you contact us and what does it cost? Examples of books produced by Kingsford Self-Publishing "Rework" shows you a better, faster, easier way to succeed in business. You'll learn how to be more productive, how to get exposure without breaking the bank, and tons more counterintuitive ideas that will inspire and provoke you.

Working Backwards is an insider's breakdown of Amazon's approach to culture, leadership, and best practices from two long-time Amazon executives—with lessons and techniques you can apply to your own company, and career, right now. In Working Backwards, two long-serving Amazon executives reveal the principles and practices that have driven the success of one of the most extraordinary companies the world has ever known. With twenty-seven years of Amazon experience between them—much of it during the period of unmatched innovation that created products and services including Kindle, Amazon Prime, Amazon Studios, and Amazon Web Services—Bryar and Carr offer unprecedented access to the Amazon way as it was developed and proven to be repeatable, scalable, and adaptable. With keen analysis and practical steps for applying it at your own company—no matter the size—the authors illuminate how Amazon's fourteen leadership principles inform decision-making at all levels of the company. With a focus on customer obsession, long-term thinking, eagerness to invent, and operational excellence, Amazon's ground-level practices ensure these characteristics are translated into action and flow through all aspects of the business. Working Backwards is both a practical guidebook and the story of how the company grew to become so successful. It is filled with the authors' in-the-room recollections of what "Being Amazonian" is like and how their time at the company affected their personal and professional lives. They demonstrate that success on Amazon's scale is not achieved by the genius of any single leader, but rather through commitment to and

execution of a set of well-defined, rigorously-executed principles and practices—shared here for the very first time. Whatever your talent, career or organization might be, find out how you can put Working Backwards to work for you.

Avoid legal pitfalls for your business from day one A common characteristic of entrepreneurs is the attitude: “I’m not going to do that until I absolutely have to.” And it’s understandable why: with limited time and resources it seems logical to focus on tasks like product development, production, marketing, and delivery—the ones that get your product or service out into the marketplace. The last thing you want to do is spend money and effort on legal issues, which is why they often drop to the bottom of the pile. But this can be a costly mistake—and Go Legal Yourself is here to make sure it’s one you avoid. Attorney, inventor, and businesswoman—named Top Woman Entrepreneur by LA Dreams Magazine in 2017—Kelly Bagla knows about doing business from both the entrepreneurial and legal sides of the fence. And in Go Legal Yourself, she guides you through the four key legal lifecycle phases every business experiences—and sets you up for worry-free success from day one. Establish yourself as the correct legal entity Gather and complete the relevant documentation Protect your brand Identify and avoid common (and expensive) pitfalls Plan and manage growth, enter new markets, and keep a sharp competitive edge Wherever you are with your business, this book is your guarantee you have all your legal ducks in a row—and that no nasty legal surprises stand between you and your target: success.

Fire Your Boss And Hire Yourself. Impossible? Not according to nationally bestselling author Stephen M. Pollan. As he says in this new and empowering book, "You don't have to accept your current work situation. You can be in control of your job and your stream of income, so you're never again subject to the whims, prejudices, moods, or circumstances of your so-called boss." In today's difficult work environment, gone are the days of finding satisfaction through your job, gone is the time when your job was secure, and gone are the days when your employer cared about you. This new environment requires new rules, and Pollan has provided surprisingly fresh and intriguing methods for finding "success" on the job. Pollan's bold and unique message begins with the idea that you must "fire your boss." By this he means you can no longer rely on your manager or your company for economic security. Instead, you must put yourself in charge of your working life. In this thought-provoking and counterintuitive career guide, Pollan presents a seven-step program and a series of exercises that give you the confidence, power, and will to achieve the life of your dreams. Once you have changed your mind-set and learned the new rules of the game, you can start the process of moving to a richer, more enriching, and more enjoyable life. And the best part about it? Your boss will love you for it.

Innovation is an imperative for any organization seeking sustained growth. To infuse the organization with urgency and focus, CEOs are hiring Chief Innovation Officers (CINO). It's the hottest new "C" in the executive suite. But how should a CEO hire the right CINO, and what can executives aspiring to the CINO role do to develop themselves for the challenge? "Innovation Alchemists: What every CEO should know to hire the right Chief Innovation Officer", is the first book focused on the CINO opportunity for large organizations. Rich in frameworks for the CEO and Executive Committee to shape decisive thinking, the book also speaks to current and future CINOs seeking to refine their professional capabilities for success. Twenty renowned business leaders (many of them CINO's) share their points of view on what it takes to fulfill the promise of innovation leadership.

The job search game can be painful. Does it feel like you keep applying to jobs and never hear back? Or that you're getting passed over for promotions? If you're frustrated, you aren't alone. "A 14% credit card rate! What a deal!" "Where it says 'adjustable' here on my mortgage - that means 'fixed', right?" "Work until I retire, then collect Social Security. That's my wealth plan." If you've ever wondered how your money works, where it goes or how it grows, stop wondering. "Control Your Cash: Making Money Make Sense" deconstructs personal finance so that everyone but the hopelessly inept can understand it. Inside the book, you'll learn: [how to get your bank accounts, credit cards and other financial instruments to work for you, and not the other way around [the right way to buy a car (i.e. with the salesman cursing your name as you drive away) [where and how to invest, and what all those symbols, charts and graphs mean [how to turn expenses into income, and stop living paycheck-to-paycheck [whom the tax system is stacked against (hint: it's most of us) and how to use that to your advantage [the very key to wealth itself. In fact, the authors thought it was so important they put it on the cover so you can read it even if you're too cheap to buy the book: Buy assets, sell liabilities. Finally, a book that explains personal finance not only in layman's terms, but in detail. If you can read, and have any capacity for self-discipline, invest a few bucks in "Control Your Cash" now and reap big financial rewards for the rest of your life.

wielded - or been victimised by - power.

(From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In The 48 Laws of Power, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

destiny, now you are truly living.....

"Indispensable reading for anyone seeking to improve their professional selves." —Daniel H. Pink, #1 New York Times bestselling author of When
An essential guide for how to snap out of autopilot and become your own best advocate, with candid anecdotes and easy-to-adopt steps, from veteran HR specialist and popular podcast host Laurie Ruettimann
Chances are you've spent the past few months cooped up inside, buried under a relentless news cycle and work that never seems to switch off. Millions of us worldwide are overworked, exhausted, and trying our hardest—yet not getting the recognition we deserve. It's time for a fix. Top career coach and HR consultant Laurie Ruettimann knows firsthand that work can get a hell of a lot better. A decade ago, Ruettimann was uninspired, blaming others and herself for the unhappiness she felt. Until she had an epiphany: if she wanted a fulfilling existence, she couldn't sit around and wait for change. She had to be her own leader. She had to truly take ahold of life—the good, the bad, and the downright ugly—in order to transform her future. Today, as businesses prioritize their bottom line over employee satisfaction and workers become increasingly isolated, the need to safeguard your well-being is crucial. And though this sounds

Read Book Hire Yourself: Control Your Own Destiny Through Franchise Ownership

intimidating, it's easier to do than you think. Through tactical advice on how to approach work in a smart and healthy manner, which includes knowing when to sign off for the day, doubling down on our capacity to learn, fixing those finances, and beating impostor syndrome once and for all, Ruettimann lays out the framework necessary to champion your interests and create a life you actually enjoy. Packed with advice and stories of others who regained control of their lives, Betting on You is a game-changing must-read for how to radically improve your day-to-day, working more effectively and enthusiastically starting now.
