Societal views on animals are rapidly changing and have become more diversified: can we use them for our own pleasure, and how should we understand animal agency? These questions, asked both in theoretical discourses and different practices, are also relevant for our understanding of horses and the human-horse relation. Equine Cultures in Transition stands as the first volume to bring together ethical

questions of the new field of human-horse studies. For instance: what sort of ethics should be developed in relation to the horse today: an egalitarian ethics or an ethics that builds upon asymmetrical relations? How can we understand the horse as a social actor and as someone who, just like the human being, becomes through interspecies relations? Through which methods can we give the horse a stronger voice and better understand its becoming? These questions are not addressed from a medical or ethological perspective focused on natural behaviour, but rather from human acknowledgement of the horse as a sensing, feeling, acting, and relational being; and as a part of interspecies societies and relations. Providing an introductory yet theoretically advanced and broad view of the field of post humanism and human animal studies, *Equine Cultures in Transition* will appeal to students and researchers interested in fields such as human-animal studies, political sociology, animals and ethics, animal behaviour, anthropology, and sociology of culture. It may also appeal to riders and other practitioners within different horse traditions. The first book in a new horse trilogy from Pulitzer Prize winner Jane Smiley starring a feisty young rider. Eleven-year-old Ellen is a spunky—and occasionally misbehaving—young riding student. Her teacher Abby Lovitt (who readers might recognize from *The Georges and the Jewels*) is a high school student who introduces her to jumping, dressage techniques, and most importantly, Ned. Ned is a colt who used to be a racehorse, until he hurt his leg and moved to Abby's ranch. Ellen and Ned seem to understand each other, and their companionship is

immediate. But Ellen is only allowed to go to riding lessons when she behaves at school. And with all that's going on, from learning that she's adopted to finding out her parents are adopting a new baby, it's harder than ever for Ellen to pay attention and behave in class and at home. Will Ellen be able to spend more time on the ranch with Ned? And will her parents ever let her have a horse of her own?

Stephen Harris—Writer, Educator, Anthropologist

Explore the timeless wisdom of God's Word through this beautiful horse devotional. Horses nuzzle their way into our hearts and have a way of teaching us a lot about ourselves, about life, and even about God. Just ask horse enthusiast Cara Whitney, wife of comedian and actor Dan Whitney (aka Larry the Cable Guy). Through years spent working with these majestic animals, Cara Whitney has learned countless spiritual lessons that have brought her closer to God. She shares those stories in *Unbridled Faith*. In 100 heartfelt devotions with stunning photography, you'll: Learn about being flexible in your faith from a gangly legged colt. Discover the secret to overcoming temptation through a horse's "sneak and eat" game. From a pony with a sweet tooth, find out why we should be glad God doesn't answer yes to all of our prayers. Be reminded that you are priceless to God by a one-eyed quarter horse named Roanie.

Why photograph horses? Because, in the words of author Carol Walker, they "fill our hearts", and capturing them on film or in digital images expresses that relationship. We want to catch and hold -- and show -- their spirit, their tremendous joy in living, their unique personalities, and of course, their incomparable beauty. And we want the quality of our images to honour our glorious subjects. Photographing horses presents a double challenge, the first being the technical aspects -- the lenses, the setting, the light and speed, and how all those relate to the subject. The second element is more elusive; it is horse knowledge -- the educated ability to see how a horse moves,

sense its moods, and understand its psychology as a prey animal. This book presents the tools to master both technique and subject matter. More than that, the book will stir your creativity and inspire you to spend more time focusing on these animals you admire. Carol Walker has travelled the world photographing animals for almost 30 years, and since 2000 has concentrated on horses, including the object of her greatest passion, America's wild horses. Carol's stunning images illuminate the relationship between horses and their people, as well as showcase the beauty of horses at liberty. She teaches equine photography workshops for amateurs, and her commercial work includes fine art, magazine covers, and calendars. Her first book, "Wild Hoofbeats: America's Vanishing Wild Horses" is in its second printing and has won numerous awards for the quality of images and evocative writing. This book will be the reference of choice for any photographer aspiring to do justice to that most appealing of animals, the horse. Chicken Soup for the Horse Lover's Soul is filled with inspiring stories of rescue and rehabilitation, heartbreaking losses, dedication and commitment, and positive messages of responsibility and unconditional love.

He already owned and managed two ranches and needed a third about as much as he needed a permanent migraine: that's what Alan Day said every time his friend pestered him about an old ranch in South Dakota. But in short order, he proudly owned 35,000 pristine grassy acres. The opportunity then dropped into his lap to establish a sanctuary for unadoptable wild horses previously warehoused by the Bureau of Land Management. After Day successfully lobbied Congress, those acres became Mustang Meadows Ranch, the first government-sponsored wild horse sanctuary established in the United States. The Horse Lover is Day's personal history of the sanctuary's vast enterprise, with its surprises and pleasures and its plentiful dangers, frustrations, and heartbreak. Day's deep connection with the animals in his care is clear from the outset, as is his maverick philosophy of horse-whispering, with which he trained fifteen hundred wild horses. The Horse Lover weaves together Day's recollections of his cowboying adventures astride some of his best horses, all of which taught him indispensable lessons about loyalty, perseverance, and hope. This heartfelt memoir reveals the Herculean task of balancing the requirements of the government with the needs of wild horses.

**Calling all horse lovers! If you can't have a real pet horse, here's the next-best thing. Learn all the essentials of caring, loving, and riding horses-with your very own model horse. From what they eat to how they sleep, the photo-filled book covers everything a budding horse-lover wants to know about their favorite animal. Then, test your new knowledge and skills by crafting a cozy blanket and tiny tack from faux leather. With simple projects and lots of learning, this kit is a guaran-steed hit! highly enjoyable, fascinating read.' Horse
and Hound

_____ "To ride into that arena,
next to a sea of British flags and hear
the roar of clapping and cheering, was so
exciting. It's a sound I will never, ever
forget." Charlotte Dujardin and her
charismatic horse Valegro burst onto the
international sports scene with their
record-breaking performance at the London,
2012 Olympics. The world was captivated by
the young woman with the dazzling smile
and her dancing horse. But no one quite
knew what it took to get there, nor how
hard the path to success would be - until
now. Dujardin began riding horses at the
age of two, but dressage was firmly the
domain of the wealthy, not the life of a
girl from a middle-class family. Her
parents sacrificed all and with a
undeterred focus, Charlotte left school at

Introduction to Horses and Horseback
Riding

Ten Horse Farm

Crazy about Horses

Horse Psychology

Dear Horse lovers, Thank you for taking interest in your horses psychology. My goal is to explain horse behaviour in a simple and understandable way, with hands- on solutions to improve the relationship between you and your horse. Unfortunately, the modern way of keeping and riding horses has drifted further and further away from equitable horse treatment. Our horses have to cope with living conditions that couldn't be more contrasting from their nature. The showing of horses turn equestrians into fierce competitors, who would take drastic measures in order to win. Ever in height increasing jumps, further and faster endurance rides, more complicated dressage patterns and longer, more spectacular sliding stops do not come without a toll. As our „usual, normal" horses cannot deal with such extremes without taking major psychological and physiological damages, the horse breeding industry had to produce more specialised horse types. Unfortunately, this practise comes with a price- predestination to stereotypic behaviour, nervous characters and sensetivity to illnesses are just some of the side effects of selective „sport machine"- breeding. Is this movement still ethical towards our horses? These creatures, which let us jump onto their vulnurable backs and put a big metal piece into their soft mouths? It is time to give something back to them- the Understanding of their minds. „A horse is the projection of peoples' dreams about themselves- strong, powerful, beautiful- and it has the capability of giving us escape from our mundane existence" - Pam Brown

This book documents the impact of Stephen Harris ' s works in

Aboriginal education, Aboriginal learning styles, domains of language use and bilingual-bicultural education. It provides a summary and critique of Stephen Harris's key ideas, particularly those on bilingual-bicultural education. This book also profiles the man, his background, his beliefs and talents. It showcases contributions and personal reflections from Stephen 's family, wife, close colleagues, and many of those influenced by his work. This festschrift explores the professional life and work of Stephen Harris as an educator and anthropologist who worked in the Northern Territory of Australia.

Calling all young equestrians and Cat (in the Hat) fanciers! In this latest installment of the Cat in the Hat's Learning Library, the Cat introduces Sally and Nick—and beginning readers—to all things horsey. At his Super-Tremendous-Stupendous Horse Show, the Cat explains how horses and people have worked together since ancient times; the difference between fillies, foals, yearlings, mares, colts, dams, sires, and stallions; horse anatomy from nose to tail; the work of a farrier, Western vs English riding; and much, much more—including fun facts about 13 of the most popular horse breeds! Fans of the new PBS Kids preschool science show the Cat in the Hat Knows a Lot About That! (which is based on The Cat in the Hat's Learning Library) will whinny with glee over this new addition to the series!

Inspirational Stories About Horses and the People Who Love Them

From tiny ponies to heavy draught horses and rapid thoroughbreds, explore the history and variety of this noble animal that helped shape human history.

A stunning celebration of the equine world, *The Horse Encyclopedia* is a fully illustrated book about horses and ponies, featuring over 150 breeds and types, including all those recognized by national horse societies. First domesticated around 6000 years ago, horses rapidly became invaluable to humans. They pulled chariots and plows, and became essential to transport and war. In this comprehensive volume, you will discover breeds from all over the world, from imposing Shires whose ancestors carried knights in chainmail into battle, to thoroughbreds bred to run like the wind and Lipizzanas that can execute exquisite dressage moves such as the capriole where they jump with all four feet off the ground. *The Horse Encyclopedia* gives concise details of each breed, including its origins and anatomy, as well as famous individuals such as Secretariat, who is widely regarded as one of the greatest racehorses of all. This dazzling guide also includes expert advice on horse care, feeding and grooming, and horse health, making this a truly wonderful gift for all horse riders and equine

Horses are the epitome of grace, power, and freedom. They also have an ability to touch our souls and connect with our hearts in a way that few other animals can. From a little girl's first pony to a gnarled cowboy's last quarter horse, they can offer us some of our deepest friendships and inspire us to be the best version of ourselves. *Spirit: A book of happiness for horse lovers is a compendium of enduring quotes that capture the essence of our affection for these magnificent animals. Some are by famous people (Winston Churchill, Nathaniel Hawthorne, William Faulkner, Dale Carnegie, Ralph Waldo Emerson), others not; some are philosophical, others light-hearted - all are memorable. This best-selling collection of memorable quotes and beautiful photography is now available in paperback.*

Roan, speckled, dappled, gray -- how many different horses are playing on these pages? A new novelty delight from renowned pop-up master Robert Sabuda. Watch with awe as majestic horses leap off the page when you open this

stunning full-color pop-up book. Glorious images of horses grazing, prancing, and galloping in an idyllic farm setting are inspired by everyday scenes in rural America as well as by the real Ten Horse Farm (now an art studio) owned by artist and designer Robert Sabuda in upstate New York. This 3-D gem will draw horse enthusiasts of all ages.

A beautifully produced Nature Storybook about horses by Vivian French with pictures by Kate Greenaway medallist Catherine Rayner. From much-loved author Vivian French and award-winning illustrator Catherine Rayner comes a charming new Nature Storybook about horses. Hello, Horse! gently introduces young children to Shannon, a friendly chestnut mare, and offers encouragement to children unfamiliar with or a little nervous of these large, beautiful creatures. The subtext is packed with practical tips, such as the right way to offer an apple, and also covers their behaviour - horses' need for company, for example - and life cycle. Tender words and art combine to create a warm and witty introduction to horses

The Girl on the Dancing Horse

Join New York Times bestselling author Diana Palmer in classic Long, Tall Texans: Hank (originally published as Redbird in 1995) and USA Today bestseller Rita Herron's fan-favorite tale of a rancher on a run. Hank After years of heartache and drama, Hank Shoeman has come to one conclusion...love is nothing more than a nuisance! He has retreated to a secluded Colorado cabin, eager to be away from the pesky outside world...and the hurt that came with it. Instead, Hank is distracted by a beautiful young woman at a nearby ski lodge. So he whisks away lovely Poppy O'Brien, determined to convince her to leave him alone. But what he gets is so much more than he ever bargained for... Ultimate Cowboy

Rancher Brody Bloodworth has spent years blaming himself for his brother's disappearance. If he hadn't snuck off to be with Julie Whitehead, everything would have been different—and he wouldn't have pushed her away. Now Julie is back, an FBI agent with a solid lead on his brother. Before long he finds himself unable to keep his hands off her. As he prepares for a showdown with the ruthless kidnapers, Brody knows what's at stake if he wins. And just how much he'll lose if he doesn't....

I have written a daily devotional for the horse professional and the horse lover in all of us. This book will make your day better before you go out to the barn to do chores or work with horses. You will never look at your barn chores or riding your horses in the same way ever again. I now see the Lord in everything on our farm from watching the horses play outside to carrying fifty lb. bags of grain and cleaning stalls and finding joy in it. I think of him now in how I talk with my clients and how I run our barn. I have written this yearlong daily devotional to inspire you and make you laugh and even tear up at times. This devotional book will make you look at horses in a whole new way. It sure did for me as I was writing this book. Running a horse business or owning horses for pleasure can be great and at times it can be tough at times. I have written 366 days (yes, I've included February 29th) of stories and experiences of owning horses and working with horses and admiring horses for all they are. Each story and experience brings me back to the Lord and shows me how my life relates to everything that I do on our horse farm and in every horse I work with. At the end of each day and story is a bible verse that I

truly believe relates to what the story is talking about. The more I dug deep into all that happens with horses through out their life the more I saw God in all of it. As I was writing this book I became more and more lifted up with each story I put down on paper. I pray this book will lift you up each day before you head out to the barn or give you a peace after a long day working with horses. I hope to give you a renewed excitement for all that you can be in the world of horses.

Kids can learn to draw their favorite steeds, show off their knowledge of horses with trivia cards, and saddle up to an assortment of horsey items, like door hangers, bookmarks, and stickers.

For horse-loving readers of all ages, a lyrical and exquisitely illustrated picture book following the relationship between a boy and a horse, separated then reunited. This is a story about enduring friendships and how language is shaped by our experiences. The foal is born on a spring morning of sunshine and snow melt. If she had words, she would say willow, crocus, puddle and sky . . . Red Badger is a newborn foal learning to stand when she slips and gets stuck in a muddy badger hole. It is a young boy who frees her, and his kindness and gentleness mark the beginning of their friendship -- though she will always be wary of the ground that briefly trapped her. As the seasons pass on the ranch, Red Badger learns more about her world: Fall is leaf rustle and fence posts. Winter is white hills and long nights. The boy is hay, a gentle touch, playing in the snow and the sweet smell of peppermints. If a horse had words, the word would be . . . friend. This is a beautifully written and heartwarming story told from
