The Power To Make Money

Are you tired of asking "What should I do with my life?" Are you sick of your job? Don't worry, I know how you feel! I used to start every working week saying "I hate my job" and spend every Friday night drinking too much to drown my misery. I was a cubicle worker in large corporates, going to pointless meetings, writing endless documents no one would read, testing computer systems that would soon be obsolete. Every day, my soul and my creativity died a little. Maybe you feel the same? Well, life is too short to just exist on the edge of breakdown, and there is a better way of living. You need to discover what you love to do and then make that your job, your life's work. This book will take you through understanding the way you feel now as well as how to improve your current situation immediately so you can create enough space to work on breaking out and doing what you truly love. It also contains the career change process I used to go from management consultant to full-time author-entrepreneur. It's time to change your career and your life.

Felix Dennis is one of Britain's wealthiest self-made entrepreneurs. And he didn't get there by simply reading about how to get rich. He went out and did it. Appreciating that those intent on becoming rich will not have the time or inclination to read page upon page of guidance and advice on the subject, Felix Dennis has reduced his own business wisdom to 88 tenets of wealth-generation, all written in his inimitable style.

ATMs (Automated Teller Machines) are a staple in today's world of retail. Even with all of the ways to digitally pay for goods and services, cash is still king! If you are searching for a way to make an income with little investment or maintenance, then owning and operating a fleet of ATMs is for you! Once you do the initial legwork, the revenue starts flowing. This book is for: Business owners looking to make an extra buck by offering a convenient service to their customers who want to do a business with little to no on-going maintenance People looking to invest in an industry that leads to big returns for passive income I have been in the ATM owning and operating business for years. It first started when I was looking to implement a way to give the customers in my convenience store another outlet for gaining access to cash easily. After I implemented an ATM in my own store, I realized that there were probably many other small business owners who needed access to the same service for their customers, too. My ATM fleet operation boomed! In this book, I will tell you everything you need to know from start to flourish (not "finish") when starting your own ATM business. We'll discuss: The history of the ATM Why owning an ATM is good business How exactly it can generate money for you What the parts and types of ATMs are The legal aspects of the ATM industry A processor versus an operator and what that means How to start your business from scratch What costs are involved for you Where to obtain an ATM How to install and program an ATM How to be a success (that's the most important part!) What challenges you may face (let's be real) How To market your new business How to take care of your various customers What mistakes I made that you should avoid All of this plus much more! In no time, you will be well on your way to owning and operating a reliable business that can result in amazing passive income. Also, for a limited time, when you purchase the paperback version of this book on Amazon, you can download the Kindle version for FREE! Felix Dennis is an expert at proving people wrong. Starting as a college dropout with no family money, he created a publishing empire, founded Maxim magazine, made himself one of the richest people in the UK, and had a blast in the process. How to Get Rich is different from any other book on the subject because Dennis isn't selling snake oil, investment tips, or motivational claptrap. He merely wants to help people embrace entrepreneurship, and to share lessons he learned the hard way. He reveals, for example, why a regular paycheck is like crack cocaine; why great ideas are vastly overrated; and why "ownership isn't the important thing, it's the only thing."

When fire falls from the heavens... will the whole world burn? Dr. Morgan Sierra, an Oxford University psychologist with a deadly past, doesn't know the answer to that question – and doesn't care. All she knows is that her sister and niece have been abducted, held hostage for the stone pendents that Morgan and her sister wear: two of twelve relics once owned by the original Apostles. Forged in fire and wind, drowned in the blood of martyrs, the twelve Pentecost stones have been kept secret for two thousand years. But now the Keepers of the stones are being murdered, and the relics stolen by Thanatos, a shadowy group dedicated to remaking the world into a living Hell. The authorities are clueless; the world lies helpless. And Thanatos grows more powerful with each stone they take. Enter Jake Timber – agent of ARKANE, the British agency tasked with investigating the supernatural. Jake knows some of the secrets Morgan needs to save her family, but can't stop Thanatos without her help. Only together can they stop Thanatos before the stones are captured, before Morgan's family is murdered, and before the world is changed forever. From flooded ruins in Italy, to real sites in Israel, to the far reaches of Iran and Tunisia, Morgan and Jake must race across the world to find the stones before Thanatos gathers the relics and uses their power to turn Earth into a living Hell. But every step they take brings Morgan and Jake closer to the end. To the knife edge between salvation and madness. To the moment when Morgan will have to decide whether she will save her family... or save the world. Time is running out. Thanatos draws near. And the day of Pentecost is at hand. Stone of Fire is the first book in the ARKANE series by New York Times and USA Today bestselling author J.F. Penn. Tap the link, grab your copy, and find the ARKANE in an adventure two thousand years in the making...

*In this book, you'll learn how to make money online. We'll teach you 11 proven strategies for earning money from the comfort of your own home. The past year encouraged all of us to embrace the great indoors. No surprise, then, that learning how to make money from home is now on the rise. What once felt like a distant daydream is now a reality for millions of people. Those of us who worked remotely from our home offices for the last few years have a lot less explaining to do at family events—the path to earning a meaningful amount of money online has become much clearer. The magic of the internet is that it's a sales channel, marketing network, and community hub all in one—plus so much more. There are many creative ways to make money online beyond online surveys and selling used goods on Craigslist. That said, some businesses and side hustles are better suited to the laptop lifestyle than others. In this book, we'll break down the strengths and shortcomings of a few of the top money-making options.*

*When booze smugglers Jai and Mike reconsider their options after another close brush with the law, their friend Aziz, a corporate lawyer comes up with a plan for all of them to rake in even more money with less risk. Setting up an undetectable, foolproof scam, the boys who grew up together in the same London neighbourhood are now going to grow rich together, and quick. As with the best laid plans, they'd not counted on a few bumps along the way in the form of the intrepid fraud investigator who picks up on their trail, and Pam, the femme fatale whose sari blouses leave less to the imagination than bikinis, who has her eye set firmly on Jai. Knowing you have to risk it big to make it big, the boys put everything on the line in this high-speed thrill ride of a novel. But will they come out laughing or are they walking into a trap?*
