*This book by the author of Why Am I Afraid to Love? contains insights on self-awareness, personal growth and communication with others. Why do people continually hide their real selves from the people around them? Why are so many so insecure and afraid to open up? The answer, explains John Powell, is that maturity is reached by communicating and interacting with others. This book considers the consequences our real self faces if no one else ever finds out what we are like. In this enduring classic, the companion to Why Am I Afraid to Love?, John Powell explains how to be more emotionally open, and shows how people adopt roles and play psychological games to protect their inner selves. The courage to be our real selves can be developed, and then we can begin to grow. Now newly designed for a fresh audience, Why Am I Afraid to Tell You Who I Am? is as relevant as it has been for twenty years. With a proven track record, it continues to speak to the needs and aspirations of people today. It is best included in self help sections of general bookshops, but also has a religious appeal.*

*I Am Jazz* women end the barrage of negative self-talk and replace it with an empowering new narrative. You'll exchange lies for truth, insecurity for a rock-solid identity, and break free from the distorted messages that have held you hostage for too long. From the moment a woman wakes until she falls, exhausted, on her pillow, one question plagues her at every turn: Am I enough? The pressure to do more, be more has never been more intense. Online marketing. Self-help books. Movies, magazines, and gym memberships. Even church attendance and social media streams have become a means of comparing ourselves to impossible standards. Am I pretty enough? Hip enough? Spiritual enough? We fear the answer is "No." When a brutal bout with cancer changed how she looked, talked, and lived, Michele Cushman embarked on a soul-deep journey to rediscover herself. The typical self-esteem strategies and positivity plans weren't enough. Instead, she needed a new foundation, one that wouldn't prove flimsy when faced with the onslaught of day-to-day life. With raw personal stories, profound biblical teaching, and radical truths on how to rebuild your life, I Am will help you: Refuse to ride the rollercoaster of others' opinions and start believing what God says about you. Stop agonizing over past regrets and failures and make peace with God's sovereign plan for your life. Leave insecurity behind as you exchange temporary fixes for an identity established on God's unchanging affection. I Am reminds us that our value isn't found in our talents, achievements, relationships, or appearance. It is instead found in a God who chose us, sent us, and promised to be with us--forever.

*"I Am is a fascinating, in-depth and eye-opening look at the very essence of how each of our lives are created in every moment." - Hale Dwoskin, author of the New York Times bestseller, The Sedona Method and featured teacher in The Secret For centuries humankind has been asking fervent questions about the meaning of life. As Howard Falco learned, the answers to these questions can ultimately be found in the answer to just one: "Who am I?" In late 2002, in the middle of an ordinary life, Falco, a thirty- five-year-old investment manager with a wife and two children-sought the answer to this powerful question and remarkably this quest resulted in a sudden and all-encompassing shift in his awareness that revealed more about life and how we each create it than he ever imagined knowing. Startled by this new understanding and its implications for his own life and the lives of all others, Falco set out to share his discoveries. The stunning result is this book. I AM takes readers on a life-changing journey in which they will discover the incredible power they have over their experience of life, finding that the doorway to eternal peace, happiness, and fulfillment lies in one of the shortest sentences in the written word but the most powerful in the universe: I AM.*
