

In The Night Garden: Happy Easter!

It's Easter in the Night Garden! But Igglepiggle has lost his special Easter egg. Can he find it with the help of his friends? Join all of the Night Garden characters in this gorgeous board book, with a sweet Easter-themed story that little ones will love. This is the perfect bedtime read for Easter!

It's almost time for bed in the Night Garden, but first Igglepiggle wants to say goodnight to all his friends. What a good idea! Let's go with Igglepiggle as he gives each of his friends a hug. This beautiful picture book features Igglepiggle, Upsy Daisy, Makka Pakka and all your other favourites from In the Night Garden. It's the perfect bedtime read for little fans of the show.

Olivia—who manages both a mysterious, lush garden and a safe home for abused women—is investigated by a former childhood friend who is now a cop after neighbors lodge complaints. By the author of The Wishing Thread. Original. 25,000 first printing.

The Happy Little Cigar Book delivers a big experience. Without resorting to complex ratings, boring history, or dictatorial recommendations this work simply has fun with cigars. Perrin Lovett, a writer, former attorney, and cigar lover examines some cigar myths, proper smoking, and shop selection. He also tells a few short stories sure to warm the heat of any cigar smoker.

The Deliberate Dumbing Down of America

My Handy Sketchbook For Kids

A Book of Wonders for Grown-Up Readers Every once in a great while a book comes along that reminds us of the magic spell that stories can cast over us – to dazzle, entertain, and enlighten. Welcome to the Arabian Nights for our time – a lush and fantastical epic guaranteed to spirit you away from the very first page . . . Secreted away in a garden, a lonely girl spins stories to warm a curious prince: peculiar feats and unspeakable fates that loop through each other and back again to meet in the tapestry of her voice. Inked on her eyelids, each twisting, tattooed tale is a piece in the puzzle of the girl’ s own hidden history. And what tale she tells! Tales of shape-shifting witches and wild horsewomen, heron kings and beast princesses, snake gods, dog monks, and living stars – each story more strange and fantastic than the one that came before. From ill-tempered “ mermaid ” to fastidious Beast, nothing is ever quite what it seems in these ever-shifting tales – even, and especially, their teller. Adorned with illustrations by the legendary Michael Kaluta, Valente’ s enchanting lyrical fantasy offers a breathtaking reinvention of the untold myths and dark fairy tales that shape our dreams. And just when you think you’ ve come to the end, you realize the adventure has only begun. . . . Praise for In the Night Garden “ Cathryne Valente weaves layer upon layer of marvels in her debut novel. In the Night Garden is a treat for all who love puzzle stories and the mystical language of telepinners. ” —Carol Berg, author of Daughter of Ancients “ Fabulous tale-spinning in the tradition of story cycles such as The Arabian Nights. Lyrical, wildly imaginative and slyly humorous, Valente’s prose possesses an irrepresible spirit. ” —K. J. Bishop, author of The Etched City “ Astonishing work! Valente’ s endless invention and mythic range are breathtaking. It’ s as if she’ s gone night-wandering, and plucked a hundred distant cultures out of the air to deliver their stories to us. ” —Eileen Kushner, author of Thomas the Rhymr “ Refreshingly original in both style and form, In the Night Garden should delight lovers of myth and folklore. ” —Juliet Marillier, author of the Sevenwaters trilogy

Large Sketch Pad for Kids - 100 Pages Does your child love to draw and doodle? Now they can create their very own cartoons, art, and doodles all in one special art notebook. A buggy book featuring Igglepiggle, Upsy Daisy, Makka Pakka, the Tombliboos and the Pontipines! The perfect introduction to all your favourite In The Night Garden characters! Suitable for the very youngest In The Night Garden fan, this buggy book with chunky board pages is perfect for little hands. The clip-on strap attaches to pushchairs and bags, so is great for keeping little ones entertained on the go. A must-have for every little In The Night Garden fan!

September 11th, 2001 was America's wake up call to terrorism. Unfortunately, we hit the snooze alarm. The next wave of terror attacks won't be nation shaking, cataclysmic events. We're ready for that. Instead, they'll be minor, localized nightmares. Mere pinpricks to our country, but catastrophic to the small towns that find themselves in the crosshairs. Worst of all, there's nothing we can do to stop it from happening - or is there? A gritty novel extrapolated from real world events, this fast-paced, riveting thriller will leave you alarmed, angry, and awestruck at America's unpreparedness for the next wave of terror attacks. Some might refer to it as death by a thousand cuts, but the counterterrorism community calls it Small Ball. Small Ball is an indictment of our woefully wrongheaded security infrastructure and a testament to the resilience, resourcefulness, and integrity of the average American. You'll wonder why it hasn't happened already. Perhaps it's happening right now...

Everybody in the Night Garden loves Christmas! Join Igglepiggle and his friends in the snowy Night Garden as they tell us all of their favourite things about Christmas time. With rounded corners and sturdy board pages, this is the perfect gift for little fans of the hit CBeebies show.

In this book you will discover "how good teachers across America have been forced to use controversial, non-academic methodology in their classrooms: how "school choice" is being used to further dangerous reform goals, and how home schooling and private education are especially vulnerable: how workforce training (school-to-work) is an essential part of an overall plan for a global economy, and how this plan will shortcircuit your child's future career plans and opportunities. [and] how the international, national, regional, state and local agendas for education reform are all interconnected and have been for decades. The deliberate dumbing down of America is a chronological history of the past 100+ years of education reform. Each chapter takes a period of history and recounts the significant events, including important geopolitical and societal contextual information. Citations from government plans, policy documents, and key writings by leading reformers record the rise of the modern education reform movement"--Website: http://www.deliberatedumbingdown.com/book.htm

Once upon a time in the Night Garden-- Igglepiggle went to sleep in Upsy Daisy's bed. Can she wake him up with the help of their friends?

Livingston is stressed out. His community garden is in jeopardy of closure, because volunteers are squabbling and an angry neighbor is threatening to have the garden shut down completely. A horrible prospect! Not only do Jamal and the others share their produce with the local food pantry, they teach others how to garden and eat healthy. When Jamal shares the news with his friends at school, the children are beside themselves. Close the record? When it's doing so much good? Absurd. The students of Beacon Academy won't stand for it. If the neighbors won't volunteer to work the garden, then they will. The kids are experts now. They can handle any gardening challenge! It's the moment Jamal learns the true power of community outreach. But as the kids work their plan, they quickly discover there's more at play than cranky volunteers and an unhappy neighbor. A lot more, including Mother Nature herself. The kids might have piles of energy, but can they overcome all obstacles and save the garden? Find out in book 3 of Tales & Garden Thrills series...

Once upon a time in the Night Garden-- Igglepiggle went to sleep in Upsy Daisy's bed. Can she wake him up with the help of their friends?

Explore shapes and colours, learn your ABC, and try counting with Igglepiggle and friends! This Little Learning Library contains four small chunky board books full ofn the Night Gardenfun. The simple early-learning concepts are brought to life with bold colours, playful text and all your favourite characters from the Night Garden.

A haunting, star-crossed Young Adult romance. Once there was a girl with a heart as black as night... Or so legend goes. But I know better. Grown in the Night Witch's garden and tasked with softening the souls of men, the dream spells I spin keep the women of earth safe. Without it, they would be as miserable (and damaged) as my mother. Let the humans call me names—banshee, nightmare, monster—I sleep deep and dreamless. Until the day I'm rescued from the sea by a forbidden boy. Until the night we break all the magical rules and the kiss that changes...everything. Until the moment I realize Mother's the one who's been spinning lies. Now I must choose—between love and duty. Between life and something worth living for. Between the boy who owns my heart and a legacy as wicked as a witch's curse.

Girl of the Night Garden

In the Night Garden: Igglepiggle's Birthday Surprise

Major Nghu, the fanatic North Vietnamese officer from book 1, is back. This time, he's got many more soldiers under his command, and uses different tactics, which he believes are guaranteed to defeat the Marines and Popular Forces of Combined Action Platoon Tango Niner. He starts by violating the Christmas truce - at a time when the Marines have American women visiting for Christmas dinner! Defeating the North Vietnamese is the toughest job Tango Niner has faced, especially once Major Nghu and his forces begin targeting the civilian population of the hamlets of Bun Hoa village. Step by step, Major Nghu believes he is achieving his ultimate goal of defeating the Marines and PFs of Tango Niner. Step by step, the Marines and PFs find ways to counter him and his forces, until they meet in the ultimate battle for control of the Song Du Ong river valley.

Once upon a time in the Night Garden, Upsy Daisy gave everything in the garden a big Upsy Daisy kiss. Lift-the-flaps to reveal who wants a kiss!

Do you remember your mother telling you when you were little that you'd never meet Mr. Right if you were spending all your time and energy with Mr. Wrong? And what about the book out a few years ago that created such a hoopla with the single crowd – He's Just Not That Into You? The two main characters in Winter Interlude either didn't heed their mother's advice or haven't read the book.

Now, add into the plot that the two in question are enemies who regularly run into each other, given their current relationships. Paul Morrison, a hunky, blond, financial planner, has been putting time and energy into winning the heart of Kate Winter's best friend for almost as long as Kate, a strong-willed antiques dealer, has been dating James Morrison, Paul's brother. The sparks start to fly when the two get stuck together for a three-hour drive to the mountains and years of misconceptions about each other are slowly being wiped out. It is in the confines of the BMW that the two begin their journey, taking them from being mortal enemies to lovers. Winter Interlude tells the story of their adventure – of how they finally find love. Kate and Paul's story is the first one in a series of four friends caught in a time warp. They can't move on because they are stuck on their idea of their perfect dreams. But sometimes life works in mysterious ways and they are all forced by circumstances to change.Show More Show Less

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most

significant comedians, highlighted the hypocriesies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell – plus some of The Daily Show's most

prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights. From its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

In the Night Garden: Wake Up Igglepiggle

The Happy Waving Game!

Fun with Colouring

In the Night Garden: Igglepiggle's Lost Blanket

In the Night Garden: Happy Easter!

Naji is a loose cannon addicted to gunsmoke, fast money, and making it happen at all costs. Nathan is college bound and determined to escape the streets. Gotta is a smooth talking playboy with a sweet tooth for teenage girls. Nikki the lone female in the family is beautiful, ambitious, and just as wild as her brothers. How else could she control them. K.K. the baby boy is 7 going on 25 and too grown for his own good. Journey with this family as they rescue Young Savage, encounter beef, internal conflict, and situations that test their love and loyalty to each other.

After leaving her boyfriend of five years, Dawn struggles to balance her work as an exterminator, her art painting bugs, and raising her precocious nine-year-old daughter, Jewel, as her life becomes intertwined with that of Harlan, the downstairs tenant, over the course of a year.

On a scale of 1 to 10, with 1 being not happy at all and 10 being very, very happy, how happy would you say you are right now, BEFORE reading this book? Now remember that number. Inside "Happy As a Rat in a Trash Can" Don challenges the reader to raise that number just as a student would be challenged to raise up school grades. Don says this book is about YOU! It is about you becoming a little more faithful a little more grateful a little more understanding a little more forgiving a little more thoughtful a little more caring and a lot more loving Why? Because these are the things that beget happiness. In early 2008 Don's Mom went to be with the Lord. She was a person just like your Mom... very loving and invariably, always in your corner. Her Christian values were instilled in him and are presented to the readers throughout his book. Don presents his points with a sense of humor (as reflected in the title) but never does he joke about the seriousness of becoming a happier person. He'll explain why faith is necessary and how the Law of sowing and reaping is creating the world YOU live in. He'll give you a simple question to ask yourself whenever confronted with the tough choices that life brings to all of us. This book's objective is to raise your level of happiness even if you are already a happy person. Don't be surprised if those around you start to wonder what got into you! This book can be your little secret happiness project. You'll learn how and why we all need to pay more attention to others and why that will result in a better future for yourself. (see Chapter 5 - Lessons from "Groundhog Day") Being Happy is the Result of Sowing Good Seeds. If you're NOT happy, you need to read this book. Here are some great ideas that you can begin to implement immediately. Buy this book NOW! - You'll Be Glad."HAPPY" You Did!..... What others are saying about this book: "It takes us a lifetime to learn the lessons in this book. The author seems to have mastered them, and we would do well to learn from him. Buy this book." Helen C. Page (San Francisco) ** "Don't let the somewhat comic tone of the title and the cover make you think that this book isn't written in all seriousness...it provides what can only be called wisdom ...one of this year's must-read books." Maya Sheppard "Global Grafz Press" (Philadelphia, PA) ********
