Dirt

**A chronic yes-woman finally admits to what—and who—she really wants in this unforgettable and heartfelt romantic comedy, by the author of The Layover. Liv Bakersfield is used to living her life in “shoulds.” Be fit. Be financially responsible. Be your best self. An overworked graphic**

designer, she's stretched so thin that she's about to miss yet another vacation with her beloved group of college friends. But when Liv finally decides to start saying no, it feels good...good enough to leap straight into quitting her job and hopping on a plane to join them in South Africa. Amid the exotic landscape and unforgettable sights, Liv expects sun and safari animals and an easy time with her best friends. But such close proximity makes everything more complicated, especially with the emotionally unavailable Lucas Deiss. Their friendship is the only thing in her life that's still solid, and she vows to do anything she can to keep the group together. But once they get back to LA, Liv discovers that her leap of faith has become a freefall, sending her crashing into Deiss's arms. With the trust of the people she loves most on the line, Liv must decide between doing what she should ... and risking everything for what she shouldn't want.

On a trip to the beach, Sam and his stuffed bunny, Jump, meet a new friend and spend the day playing together, but when Sam gets home, he realizes Jump is still at the beach and worries all through the night that his toy will be lost forever.

With firsthand accounts of WWII heroism from the US Army Pathfinders, New York Times bestselling author Jerome Priesler chronicles their escapades scouting behind enemy lines ahead of the Band of Brothers. "When you land in Normandy, you will have only one friend: God." —General "Jumpin'" Jim Gavin to the Pathfinders of the 82nd and 101st Airborne divisions before D-Day, June 1944 When the invasion of Sicily almost ended in disaster, General Jim Gavin was determined to form a unit of special operations commandos who would jump ahead of the airborne forces—including the now legendary Easy Company—stealing across enemy terrain to scout and mark out drop zones with a unique array of homing equipment. The first into combat and the last out, their advance jumps were considered suicide missions by those who sent them

**into action. Sporting Mohawk haircuts and war paint, they were the best of the best. Their heroic feats behind enemy lines were critical to nearly all of the Allies' major victories from Normandy to Bastogne—where they saved the day for thousands of American troops in an operation almost forgotten by history—to the attack on the Ruhr Valley in Germany. This is the story of the U.S. Army Pathfinders—their training, bonding, and battlefield exploits—told from the perspectives of the men who jumped, and those who risked everything to fly them into action. INCLUDES PHOTOS**

**Learn all about basketball in this fascinating, nonfiction Level 2 Ready-to-Read, part of a new series that gives fans an insider look at their favorite sports! This book is perfect for young, sports-obsessed fans who, in addition to watching and playing sports, crave the kind of expert knowledge that only an insider would know. It's game day, and a basketball referee arrives at the arena where he works. There's a championship on the line, and he is excited. He visits the players' locker rooms where the players are getting prepared mentally (learning about their opponents, and their own plays) and physically (stretching and getting taped up). He watches the teams warm up with a series of practice drills with their coaches and trainers and observes the court being primed for the game. The game begins with the narrator tossing up the jump ball at center court. Game on... A special section in the back of the book is chock-full of even more facts about the game and its storied history and players. It is custom-made for the fan who absorbs all things basketball!**

***“One of the most remarkable books I’ve ever read. It’s truly moving, eye-opening, incredibly vivid.”—Jon Stewart, The Daily Show NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The Wall Street Journal • Bloomberg Business • Bookish FINALIST FOR THE BOOKS FOR A BETTER LIFE FIRST BOOK AWARD • NEW YORK TIMES BESTSELLER You’ve never read a book like The Reason I Jump. Written by Naoki Higashida, a very smart, very self-aware, and very charming thirteen-year-old boy with autism, it is a one-of-a-kind memoir that demonstrates how an autistic mind thinks, feels, perceives, and responds in ways few of us can imagine. Parents and family members who never thought they could get inside the head of their autistic loved one at last have a way to break through to the curious, subtle, and complex life within. Using an alphabet grid to painstakingly construct words, sentences, and thoughts that he is unable to speak out loud, Naoki answers even the most delicate questions that people want to know. Questions such as: “Why do people with autism talk so loudly and***

***weirdly?” “Why do you line up your toy cars and blocks?” “Why don’t you make eye contact when you’re talking?” and “What’s the reason you jump?” (Naoki’s answer: “When I’m jumping, it’s as if my feelings are going upward to the sky.”) With disarming honesty and a generous heart, Naoki shares his unique point of view on not only autism but life itself. His insights—into the mystery of words, the wonders of laughter, and the elusiveness of memory—are so startling, so strange, and so powerful that you will never look at the world the same way again. In his introduction, bestselling novelist David Mitchell writes that Naoki’s words allowed him to feel, for the first time, as if his own autistic child was explaining what was happening in his mind. “It is no exaggeration to say that *The Reason I Jump* allowed me to round a corner in our relationship.” This translation was a labor of love by David and his wife, KA Yoshida, so they’d be able to share that feeling with friends, the wider autism community, and beyond. Naoki’s book, in its beauty, truthfulness, and simplicity, is a gift to be shared. Praise for *The Reason I Jump* “This is an intimate book, one that brings readers right into an autistic mind.”—Chicago Tribune (Editor’s Choice) “Amazing times a million.”—Whoopi Goldberg, People “*The Reason I Jump* is a Rosetta stone. . . . This book takes about ninety minutes to read, and it will stretch your vision of what it is to be human.”—Andrew Solomon, The Times (U.K.) “Extraordinary, moving, and jeweled with epiphanies.”—The Boston Globe “Small but profound . .***

**. [Higashida's] startling, moving insights offer a rare look inside the autistic mind."—Parade**

Jump is a powerful guide to becoming a vehicle of compassion, reconciliation, and transformation in our world. Life is all about jumps. We jump from high school to college, school to the professional world, dating to marriage. Each leap launches us to new levels. Even though we can't see what's on the other side of the wall,

our faith jumps are about trusting that God is there. We experience the liberation when we jump into the arms of our Savior, then into a church family, and then into a world desperately in need. Efrem Smith presents fresh insights into how Christians can say yes to the jump that takes them deeper into a loving, devotional, intimate life with God.

Offers support, comfort, and guidance on spiritual matters, and advises readers how to allow faith combined with imagination and hard work to achieve their dreams.

JumpMy Secret Journey from the Streets to the BoardroomHarperCollins

- What entrepreneurs and managers could learn from extreme athletes - Reaching your goals with the right mindset, attitude and focus - Written from a straightforward, personal perspective Experienced base jumpers and other extreme sports athletes have one unwritten rule: self-knowledge. The way you think and the choices you make determine who you are and who you will become. If you know yourself, you will dare to take risks, to go your own way and to change. This rule goes for professionals who aim for high performances too. If you want your performances to have a positive drive, you first have to get to know yourself. Dare to Jump helps you to overcome your fears and gives you three power skills with which you can become the best version of yourself. Someone with a boundless mind-set, a sharp focus and a great amount of trust. You learn why focus is the new IQ, how to train yourself to enter the right flow, and how you build the level of trust within your team.

Jump Book

Into a Life of Further and Higher

The Jump Into Science book *Dirt* takes on the topic of soil, one of the most important resources on Earth. A star-nosed mole is the book's character guide, and he shows off all the different kinds of dirt in his garden, helps us to understand how dirt formed and what's in it, and points out many of the incredible creatures who live in the dirt. Young readers will learn fascinating scientific information about the different soil layers, or horizons, and find out how the soil that plants grow in differs from the soil that building foundations sit in. They'll also learn fun stuff: Did you know a single earthworm can eat several tons of soil a year? *Dirt* takes on more significance than just something to be cleaned up when you realize that it's a critical part of the web of life. Without it, plants could not grow, and animals

- and people - could not live. Soil is important, and it needs protecting. Dirt also discusses some of the issues surrounding soil conservation and protection and talks about protecting forests and grasslands as a way to help. A do-it-yourself experiment at the end of the book walks kids through a great activity - how to build your own soil ecosystem in a plastic soda bottle. Give it some time, and you'll see grass begin to sprout and critters crawling around in your miniterrarium. The bright cheerful art, and the delightful mole will charm readers as they learn all the secrets of the precious substance down underground - dirt. "This is the turtle that slid into the pond and ate the snake that dropped from a branch and swallowed the fish that swam after the frog -- JUMP, FROG, JUMP!" This infectious cumulative tale will soon have the young frogs you know jumping and chanting with joy. *jump from normal to extraordinary.” —Tony Robbins, #1 New York Times bestselling author of Unshakeable and MONEY: Master the Game An inspirational book that lays out the “Jump Curve”—four steps to wholeheartedly pursuing the career of your dreams—through experiences from a variety of people who have jumped and never looked back When Mike Lewis was twenty-four and working in a prestigious corporate job, he eagerly wanted to leave and pursue his dream of becoming a professional squash player. But he had questions: When is the right time to move from work that is comfortable to a career you have only dared to dream of? How have other people made such a jump? What did they feel when making that jump—and afterward? Mike sought guidance from others who had “jumped,” and the responses he got—from a banker who started a brewery, a publicist who became a Bishop, a garbage collector who became a furniture designer, and on and on—were so clear-eyed and inspiring that Mike wanted to share what he had learned with others who might be helped by those stories. First, though, he started playing squash professionally. The right book at the right time, When to Jump offers more than forty heartening stories (from the founder of Bonobos,*

*the author of The Big Short, the designer of the Lyft logo, the Humans of New York creator, and many more) and takeaways that will inspire, instruct, and reassure, including the ingenious four-phase Jump Curve. How the Band of Brothers was Aided by the Brave Paratroopers of Pathfinders Company*

Theodor Seuss Geisel, and Coretta Scott King honors--create original, high-quality illustrations that support comprehension of simple text and are fun for kids to read again and again with their parents, teachers or on their own! Level A books, for early kindergarten, have one short sentence that repeats on every page with only one word change per spread. Images help tell the story--leading to faster decoding of sight words. This proven method starts the earliest readers on the path to reading fluency. When Level A is mastered, follow up with Level B.

The True Life Tale of Unstoppable Storycatcher Zora Neale Hurston

Jump and Shout

If the Job You Have Isn't the Life You Want

Memoir of a Downed B-17 Pilot in World War II

The Origins of the Jump Shot

*One of the most successful Black businessmen in the country, who has led Nike's Jordan Brand from a \$200M sneaker company to a \$4B global apparel juggernaut, tells the remarkable story of his rise from gangland violence to the pinnacles of international business. Jump tells Larry Miller's journey from the violent streets of West Philly in the 1960s to the highest echelons of American sports and industry. Miller wound up in jail more than once, especially as a teenager. But he immersed himself in the educational opportunities, eventually took advantage of a Pennsylvania state education-release program offered*

*to incarcerated people, and was able to graduate with honors from Temple University. When revealing his gangland past caused him to lose his first major job opportunity, Miller vowed to keep it a secret. He climbed the corporate ladder with a number of companies such as Kraft Foods, Campbell's Soup, and Jantzen, until Nike hired him to run its domestic apparel operations. Around the time of Michael Jordan's basketball retirement, Nike Chairman Phil Knight made Larry Miller president of the newly formed Jordan Brand. In 2007 Paul Allen convinced Miller to jump to the NBA to become president of the Portland Trailblazers, one of the first African-Americans to lead a professional sports team, before returning to Jordan Brand in 2012. All along, Miller lived two lives: the secret of his violent past haunted him, invading his days with migraines and his sleep with nightmares of getting hauled back to jail. More than a rags-to-riches story, Jump is also a passionate appeal for criminal justice reform and expanded educational opportunities for incarcerated and formerly incarcerated people across the United States. Drawing on his powerful personal story, as well as his vast and well-connected network, Miller plans to use Jump as a launching point to help expand such opportunities and to provide an aspirational journey for those who need hope.*

*You're just one Jump away from greater fulfilment in your career,*

*your life, and your future. Discover the simple, successful formula for facing fear head on, ditching the excuses that hold you back, and finding the courage to Jump into the next chapter of your life. It's time to learn the approach that made serial-entrepreneur Kim Perell a multi-millionaire—and it could make you one too. In Jump, Kim shares her powerful personal story about hitting rock bottom and summoning the courage required to take a life-changing leap into the unknown. Broke, bankrupt, and afraid of change, she trusted her instincts, closed her eyes, and “jumped”. Kim's self-belief, know-how, and ultimate triumph is an inspiration. Jump shows you how to overcome fear of the unknown and manifest success. Whether you're jumping from a place of greatness or uncertainty, the expert guidance in this book will: Encourage readers to get out of their comfort zones, overcome self-doubt, and take proactive steps to change their life. Empower entrepreneurs with invaluable insights and business tools necessary to move beyond fear, rejection, and failure. Teach individuals looking for a career change how to make a calculated risk that can pay off, and do it with confidence. Based on Kim's twenty years of personal experiences alongside thousands of entrepreneurs, business professionals, and investors she's worked with, Jump arms readers with the knowledge, tools, and mindset necessary to reach unmatched levels of success. Every great story starts with a jump and Kim's*

*book will prepare you to take the leap!*

*Working up the courage to take a big, important leap is hard, but Jabari is almost absolutely ready to make a giant splash. Jabari is definitely ready to jump off the diving board. He's finished his swimming lessons and passed his swim test, and he's a great jumper, so he's not scared at all. "Looks easy," says Jabari, watching the other kids take their turns. But when his dad squeezes his hand, Jabari squeezes back. He needs to figure out what kind of special jump to do anyway, and he should probably do some stretches before climbing up onto the diving board. In a sweetly appealing tale of overcoming your fears, newcomer Gaia Cornwall captures a moment between a patient and encouraging father and a determined little boy you can't help but root for.*

*When a bug sleeping on a jug is chased by a frog, he has to jump to get away. But then that frog (who's sleeping on a log) is in for a similar surprise! He's attacked by a cat...who needs to jump away from a dog...and on it goes, until not even a shark is free from getting a little fright! Building on repetition that's fun to read and fun to listen to, *Jump!* is a rip-roaring, read-aloud with simple rhymes and lively illustrations that leap off the pages.*

*Eight Men who Shook the World of Basketball*

*Jump at Home - Grade 6*

### *Jump Shot*

*Sebastian Telfair and the High-Stakes Business of High School Ball*

*When to Jump*

At the 2015 Nordic Ski World Championship in the Swedish resort Falun, the World Championship in women's ski jumping will be conducted. Women's ski jumping did not have a smooth way to become an internationally acknowledged and accepted sport. However, that struggle is no longer discussed. In many European countries women's ski jumping regularly gets TV coverage and the print media covers it in its sports sections. This book aims to give insight into the at least 150-year-history of women's ski jumping from its beginnings until it became an Olympic sport in the 2014 Sochi Games. It shows the struggle and effort of female ski jumpers, coaches, families and others to make this sport internationally recognized and accepted. The chapters reflect a collection of research done by international authors. Due to the accessibility of sources the main focus is on Europe and North America. However, we do not claim to offer a complete history; there are many histories of women's ski jumping, depending on the geographic location. We tried to avoid an overlapping of contents, which was not always possible, because each chapter was to be an entity in itself. In the future, still, bit by bit, little pieces have to be added to the puzzle to gain a complete picture of the evolution of this sport. Although all authors have an academic background in sport history and/or sport sociology and sport media, the book is aimed to appeal to the general public. For all those readers who are interested in more details, footnotes and references are added.
