

Kellen's Moment

Falling in love could be more dangerous than the past they hide. Criminal, liar, a fraud are all things that can be said about Kellen Steele. It takes all but three seconds for the notorious bad boy of Three Rivers to set his sights on Sloan Tate. She is to be his distraction, to help him pull off his biggest lie, which is also his greatest achievement. Sloan Tate knows how to handle herself. Not looking to settle anywhere never mind down with anyone. Her plan? Close up her late Granny's estate and leave town as fast as she came. Sloan knows each day she stays in Three Rivers her past is bound to catch up with her. Powerless against the chemistry wrapping them together, Kellen and Sloan must decide exactly what they're willing to lose in order to win each other.

A socially challenged pixie and a former playboy incubus find themselves in the center of the maelstrom as AURA struggles to find a source for the escalating violence threatening the city. The staff at AURA has had a busy summer. Between chronic understaffing, dealing with warring goblin factions and an unusual number of hazardous Events, everyone is overworked. Sinistrus the incubus, newly hired as an AURA medic, actually enjoys his busy new life of responsible employee and faithful lover to his gorgeous police sergeant, Ness the centaur. Life would be perfect, except for a niggling suspicion about a colleague. Everyone else seems to disagree, but Sin's certain something's not right with that pixie. Kellen, a pixie crossover, loves his job working in AURA medical, even if he is something of an outsider. His job and the friends he manages to make are happy spots in an otherwise dark and secretive life. As the rest of AURA tries to discover the root of the inexplicable rise in violence and large-scale Events, Kellen fights to preserve his own life and what dignity he has left. These two unlikely heroes must put their differences aside and navigate tragedy and ever-escalating disaster together in order to stop the sinister forces that hold Kellen in thrall.

New York Times bestselling author Nina Bangs welcomes you back to the Castle of Dark Dreams, a place of otherworldly secrets and sensual men with the power to fulfill your most private fantasies. All Ivy had ever wanted was a safe, secure life with no drama. Now she was working in an adult theme park where visitors came to role-play their wildest imaginings. She reminded herself to stay focused on her job and to ignore everything else. The reminders didn't work. One man drew her. Murmur was every erotic dream she'd tried to repress, every deliciously dangerous

temptation she said she didn't need. Her instinct suggested that this was a man who walked in darkness. She ignored the warning. But Murmur was more than what he seemed. A powerful demon, he used his demonic gift to destroy as well as seduce. In desiring him, Ivy had opened herself to a menace born centuries ago—one that would risk both their lives and betray the promises made with every one of his wicked whispers.

To Light a Candle

When Darkness Falls

This is a story about regular teenagers who knew each other since middle school, they live in a town that is shrouded with mystery. Urban legends and fairytales become more than folklores. Certain phenomena cause a chain of events which triggers something within these teens. All things require an explanation and most will stop at nothing to get their answers no matter who they choose to get them from. There have been horrific rumors of people disappearing. Their Summer vacation might not turn out the way they expect it. Some may try to find the truth about themselves, about the rumors, and maybe even each other. There is a bright side to every shadow. Every light has a shadow, but every shadow needs light to exist. Shadows are where fear, monsters, and darkness lie. Whose side are you on?"

I have three deadly problems: 1. I've seriously offended a maniacal killer. 2. I just had a bullet removed from my brain. 3. My new daughter is growing up too fast—and she's in the line of fire. Living on an obscure, technology-free island off California means safety from the murderer who hunts Kellen Adams and her new family...or does it? Family time becomes terror-time, and at last, alone, Kellen faces a killer playing a cruel game. Only one can survive, and Kellen knows who must win...and who must die.

This contains all three books in The Naturals Trilogy. Awaking Morgan Abbey's life is about to change. Kellen Ryan has taken the survival skills she learned on the streets and used them to create an elite search-and-rescue operation, as well as the first home she's known in forever—a sanctuary in Haven, Colorado, high in the Rockies. A small mountain town was the last place Harvard-educated Dr. Dana Kingston expected to find herself. Still, when she's offered an opportunity to partner with Kellen's operation and develop a medical triage center, Dana follows her heart. Dana falls hard and fast for the enigmatic Kellen. But she quickly realizes Kellen's heart is as carefully guarded as her past, and breaking through will take time. Except time is the one thing they may not have, because a deadly threat has returned, and this time he plans to finish what he started.

One secret, one nightmare, one lie. You guess which is which. 1. I have the scar of a gunshot on my forehead. 2. I have willfully misrepresented my identity to the US military. 3. I'm the new mother of a seven-year-old girl. Kellen Adams suffers from a yearlong gap in her memory. A bullet to the brain will cause that. But she's discovering the truth, and what she learns changes her life, her confidence, her very self. She finds herself in the wilderness, on the run, unprepared, her enemies unknown—and she is carrying a priceless burden she must protect at all costs. The consequences of failure would break her. And Kellen Adams does not break. What doesn't kill her...had better start running.

From This Day Forward Christian Music agent Kellen Rossiter has everything he ever wanted: A-list clients from coast to coast, a loving wife who honors and respects him, and a faith life that's never wavered—until now. Juliet Rossiter has the perfect life: a rewarding schedule serving the underprivileged, a husband who loves her as Christ loved the church, and a blessed future as a mother—at least that's what she thinks. For Better or Worse But what happens when their rock-solid marriage begins to crumble under the weight of an unexpected and powerful temptation? How does love survive when its foundation is shaken? 'Til Death Do Us Part When human frailty and the allure of sin deal a harsh blow to their relationship, it will take more than love to mend the shattered trust and heartbreak. It will take a lifetime of devotion.

In a second installment of the series that began with *The Outstretched Shadow*, Knight-Mage Kellen becomes a member of the Elves' war councils and fears for the safety of his Wild Magic-wielding sister, while proud Elf Knight Jermayan continues his efforts to become the first Elven Mage. Reprint.

The Outstretched Shadow, the first book in The Obsidian Trilogy from Mercedes Lackey and James Mallory Kellen Tavadon, son of the Arch-Mage Lycaelon, thought he knew the way the world worked. His father, leading the wise and benevolent Council of Mages, protected and guided the citizens of the Golden City of the Bells. Young Mages in training--all men, for women were unfit to practice magic--memorized the intricate details of High Magic and aspired to seats on the council. Then he found the forbidden Books of Wild Magic--or did they find him? The three slim volumes woke Kellen to the wide world outside the City's isolating walls. Their Magic was not dead, strangled by rules and regulations. It felt like a living thing, guided by the hearts and minds of those who practiced it and benefited from it. Questioning everything he has known, Kellen discovers too many of the City's dark secrets. Banished, with the Outlaw Hunt on his heels, Kellen invokes Wild Magic--and finds himself running for his life with a unicorn at his side. Kellen's life changes almost faster than he can understand or accept. Rescued by a unicorn, healed by a female Wild Mage who knows more about Kellen than anyone outside the City should, meeting Elven royalty and Elven warriors, and plunged into a world where the magical beings he has learned about as abstract concepts are flesh and blood creatures--Kellen both revels in and fears his new freedom. Especially once he learns about Demons. He'd always thought they were another abstract concept--a stand-in for ultimate evil. But if centaurs and dryads are real, then Demons surely are as well. And the one thing all the Mages of the City agreed on was that practicing Wild Magic corrupted a Mage. Turned him into a Demon. Would that be Kellen's fate? Deep in Obsidian Mountain, the Demons are waiting. Since their defeat in the last great War, they've been biding their time, sowing the seeds of distrust and discontent between their human and Elven enemies. Very soon now, when the Demons rise to make war, there will be no alliance between High and Wild Magic to stand against them. And all the world will belong to the Endarkened. When Darkness Falls, the third book in *The Obsidian Trilogy* from Mercedes Lackey and James Mallory. Despite a great working of Wild Magic and High Magic that struck at the heart of the Demon Queen's evil plots, Knight-Mage Kellen and his Elven allies are still seen as enemies by the human Mage Council. The Elves and their allies must find a way to shatter the Demons' hold on the human Mages, for without their High Magic, the forces of Light will be destroyed by the forces of Darkness. The Commander of the Armies of Light decides to turn an Elven mine into a refuge for those driven from their homes by the war. Kellen is put in command of the force of engineers and warriors who will fortify the mine and does not learn until it is nearly too late that the caverns are full of Shadowed Elves. Vestakia, the half-human, half-Demon healer, finds that she has begun to be able to read the mind of her Demon father, Crown Prince Zyperis. The Demon Queen, Savilla, is preparing a great sacrifice that will summon He Who Is back to the world and make her the ultimate ruler forever. When Wild Mage Idalia learns of Savilla's plans, she knows there is only one way to prevent the coming of He Who Is. A very different sort of sacrifice must be made. Kellen's Moment

The Right Kind of Parental Pressure Puts Kids on a Path to Success. The Wrong Kind Can Be Disastrous. Level up your parenting with this positive approach to pushing your child to be their best self. Parents instinctively push their kids to succeed. Yet well-meaning parents can put soul-crushing pressure on kids, leading to under-performance and serious mental health problems instead of social, emotional, and academic success. So where are they going astray? According to Drs. Chris Thurber and Hendrie Weisinger, it all comes down to asking the right question. Instead of "How much pressure?", you should be thinking "How do I apply pressure?" The Unlikely Art of Parental Pressure addresses the biggest parenting dilemma of all time: how to push kids to succeed and find happiness in a challenging world without pushing them too far. The solution lies in Thurber and Weisinger's eight methods for transforming harmful pressure to healthy pressure. Each transformation is enlivened by case studies, grounded in research, and fueled by practical strategies that you can start using right away. By upending conventional wisdom, Thurber and Weisinger provide you with the revolutionary guide you need to nurture motivation, improve your interactions with your child, build deep connections, sidestep cultural pitfalls, and, ultimately, help your kids become their best selves.

A Positive Approach to Pushing Your Child to Be Their Best Self

A Science Fiction Novel

Zoe Flynn has a secret. She used to live in California, in a big old house -- the best house in the world really -- at 18 Hawk Road. It

rambled and creaked and was full of good hiding places. She used to have a best friend named Kellen who lived right down the road, and a dog named Merlin who loved to play with her. But now she lives in a little town in Oregon, and everything has changed. Now, Zoe has to be careful. Careful that she doesn't tell anyone, not her friends or her teacher or especially that cop who's been watching her, that she doesn't live at 18 Hawk Road anymore. That now her family lives in an old green van that's cramped and dirty and doesn't even work all the time. Zoe's always hoping that someday she'll find her way back home.... Lyrically written by Janet Lee Carey, *The Double Life of Zoe Flynn* is a moving novel about hope, family, friendship, and the true definition of a home.

I have three confessions to make: 1. I've got the scar of gunshot on my forehead. 2. I don't remember an entire year of my life. 3. My name is Kellen Adams...and that's half a lie. Girl running...from a year she can't remember, from a husband she prays is dead, from homelessness and fear. Tough, capable Kellen Adams takes a job as assistant manager of a remote vacation resort on the North Pacific Coast. There amid the towering storms and the lashing waves, she hopes to find sanctuary. But when she discovers a woman's dead and mutilated body, she's soon trying to keep her own secrets while investigating first one murder...then another. Now every guest and employee is a suspect. Every friendly face a mask. Every kind word a lie. Kellen's driven to defend her job, her friends and the place she's come to call home. Yet she wonders—with the scar of a gunshot on her forehead and amnesia that leaves her unsure of her own past—could the killer be staring her in the face? “Christina Dodd reinvents the romantic thriller. Her signature style—edgy, intense, twisty, emotional—leaves you breathless from first page to last. Readers who enjoy Nora Roberts will devour Dodd's electrifying novels.” —Jayne Ann Krentz, New York Times bestselling author

These nail-biters from author AJ Scudiere will have you on the edge of your seat. In *NightShade* nothing is as it seems... Eleri Eames didn't think she'd ever be allowed to work for the FBI again, so the special FBI division of *NightShade* seems like an amazing opportunity. But all too soon, her chance to start over starts to disturb her. When the FBI offers Donovan a chance to leave his job as a medical examiner and try his hand at something new, he takes a chance on the *NightShade* division. Somehow, he has to try to escape from his shadows, but can he trust Eleri with the truth? Thrown together on their first case, Eleri and Donovan must deal with a charismatic cult leader and his true-believers. The cult is mixed up with several decade-old kidnapping cases and the missing daughter of a prominent FBI Agent. As Eleri and Donovan dig deeper, they discover that *NightShade*'s mysteries aren't coincidence. Their secrets will save them . . . or destroy them. Winner: Beverly Hills Book Awards for New Fiction 2015 *NightShade Forensic FBI Files: Book 2* Eleri and Donovan are back! *NightShade*'s newest agents are in L.A. to bring down a burgeoning terrorist cell. To make things worse, it's not just one terrorist cell, it's two. Or is it three? There is little to go on, only links between missing Army munitions and a veteran named Cooper Rollins. With his special ops training and severe PTSD, it's impossible to tell what kind of game Rollins is playing. Eleri and Donovan will have to use their unique skills to stop the attack before it happens. But in the crowded city, there are

too many people who might reveal what Donovan is if he dares to make the change. And Eleri is starting to show signs of powers she didn't know she had, and can't control. On the surface the cells seem unrelated, each with separate perpetrators and different motives. But they are all linked by Rollins and the very disturbing passcode: "Fracture Five." Under Dark Skies and Fracture Five are the first and second book in the NightShade Forensic FBI Files series by USA Today bestselling author A.J. Scudiere. These books can each be read as a standalone, but readers who love paranormal investigations and FBI thrillers will want to read the entire series!

When the FBI offers Donovan a chance to leave his job as a medical examiner and try his hand at something new, he takes a chance on the NightShade division. Somehow, he has to try to escape from his shadows, but can he trust Eleri with the truth? Thrown together on their first case, Eleri and Donovan must deal with a charismatic cult leader and his true-believers. The cult is mixed up with several decade-old kidnapping cases and the missing daughter of a prominent FBI Agent. As Eleri and Donovan dig deeper, they discover that NightShade's mysteries aren't coincidence. Their secrets will save them . . . or destroy them. Fracture Five - Book 2 NightShade's newest agents are in L.A. to bring down a burgeoning terrorist cell. To make things worse, it's not just one terrorist cell, it's two. Or is it three? There is little to go on, only links between missing Army munitions and a veteran named Cooper Rollins. With his special ops training and severe PTSD, it's impossible to tell what kind of game Rollins is playing. Eleri and Donovan will have to use their unique skills to stop the attack before it happens. But in the crowded city, there are too many people who might reveal what Donovan is if he dares to make the change. And Eleri is starting to show signs of powers she didn't know she had, and can't control. On the surface the cells seem unrelated, each with separate perpetrators and different motives. But they are all linked by Rollins and the very disturbing passcode: "Fracture Five." The Atlas Defect - Book 3 Eleri wanted a different kind of case. She should have been

careful what she wished for. When an odd human skeleton in Michigan's Manistee-Huron National Forest triggers a NightShade investigation, Eleri and Donovan arrive to find it missing. But two other skeletons are a little too easily uncovered—each displays different anomalies that raise alarming questions. The bones aren't from the area or probably even the continent. A decades-old abandoned building doesn't register on satellite images. Files detailing genetic experiments on children are even more disturbing, and most of the children are unaccounted for. Who were the test subjects and where are the bodies? If the case itself wasn't enough of a problem, someone is watching. Someone with a particular interest in Donovan's own skeletal anomalies . . . Echo and Ember - Book 4 FBI agents Donovan and Eleri left their last case with a sense of unease. Unable to close the investigation, they've been thrown into their next assignment far too fast. A string of strange arson-based murders are just part of the trouble. Not only is former agent Wade de Gottardi on their team for this one, so are two other NightShade agents: Dana Brantley and Christina Pines. The problem is, Eleri is no longer the senior agent, Dana is. Maybe their boss no longer trusts them, or maybe it's simply because four people have already died. Either way, Donovan and Eleri are no longer in control of the case as they hunt a serial killer who's getting bolder with each success. While Eleri and Donovan are just getting their special skills in hand, Dana and Christina are more at ease with theirs. While Dana's talents prove useful, Christina's are frightening . . . and suspicious. These are the first through fourth books in the NightShade Forensic FBI Files series by USA Today bestselling author A.J. Scudiere. These books can each be read as a standalone, but readers who love paranormal investigations and FBI thrillers will want to read the entire series!

The Teavangelicals is a one-of-a-kind book chock-full of original reporting from the 2012 presidential race with an up-close look at how evangelicals and the Tea Party are plotting strategy to reclaim America. In his trademark breezy, funny, and engaging style, David Brody takes you inside the blossoming Teavangelical movement and describes how it is having a major effect on today's politics with an eye on dominating the political affairs of tomorrow. The author takes his niche for getting interviews and inside access with all the big-name political and evangelical newsmakers and now shares that exclusive access with readers. The author offers a rare, behind-the-scenes glimpse along the campaign trail within the three key factions working tirelessly to overcome President Obama and his political machine: evangelicals, the Tea Party and the GOP presidential contenders. Brody, embedded with leading Tea Party and evangelical groups, shares what he learned from private emails, memos, and conversations that shed light on campaign strategy and voter mobilization efforts. In addition, this book highlights Brody's exclusive interviews, stories, and travels with all the 2012 GOP presidential candidates as they try to be the candidate that takes on President Obama and ultimately change the course of direction in America. The author travels to the key early Primary states of Iowa and South Carolina where Evangelicals will have a major say in who the GOP nominates for President. The author gives readers the inside scoop on the power of evangelical groups and how they're making a difference early on in the process. Additionally, how will these GOP candidates appeal to evangelicals and how well will it work out? At the same time, the candidates are catering to the Tea Party crowd. We'll go inside the living rooms of major Tea Party organizers to get inside access on the chatter. Are these presidential candidates passing the Tea Party "smell test"?

The Obsidian Mountain Trilogy by Mercedes Lackey and James Mallory consists of the VOYA Best Science Fiction and Fantasy novel The Outstretched Shadow, the USA Today bestseller To Light a Candle, and The New York Times bestseller When Darkness Falls. All three entertaining adventure fantasies feature elves, dragons, humans, and a very opinionated unicorn. The Outstretched Shadow Kellen Tavaddon, son of the Arch-Mage Lycaelon, thought he knew the way the world worked. His father, leading the wise and

benevolent Council of Mages, protected and guided the citizens of the Golden City of the Bells. Young Mages in training--all men, for women were unfit to practice magic--memorized the intricate details of High Magic and aspired to seats on the council. Then he found the forbidden Books of Wild Magic--or did they find him? To Light a Candle The dark Queen's forces are on the move and the forces of Light are beset on all sides. To his own surprise, young Kellen, now a Knight-Mage, becomes part of the Elves' war councils, valued for his skills as warrior and wizard. Meanwhile, in the City, the Mage Council has been corrupted from within. When Darkness Falls The Demons strike! Mages, Elves, and Humans must set enmity aside and stand together against their ancient foe in the stunning conclusion to this epic trilogy. Between the bustling local bakery, helpful neighbors, and down-home wisdom, Sugar Lake is a delicious place to call home—and love is the sweetest risk . . . Alexandria Gale put her acting career on hold to help keep her family's bakery in business—and gave it a few eye-catching updates while she was at it. To earn money to return to New York, she puts her design skills to work with a job renovating a once thriving local vintage theater. But Alexandria didn't bargain on the owner's business-minded grandson fighting her every step of the way—or proving so unexpectedly irresistible . . . As the new head of his family's real estate business, Kellen Kilborn feels that selling the theater is the only way to do right by the grandmother who helped raise him. He just can't take a risk on Alexandria's inventive ideas—but he also can't walk away from her warm-hearted free spirit. As troubling decisions threaten to tear them apart, can they create a way to turn their dreams into the sweetest of futures together? On a world torn by war, two women discover a love that defies boundaries, challenges allegiances, and that just

might mean the survival—or destruction—of all they hold dear. Roshan O'Landha, a Gantharian resistance fighter, works hard to maintain her cover as a wealthy businesswoman as war on occupied Gantharat seems imminent. When the Onotharian forces strike an overwhelming blow to the resistance, Roshan sends a plea for help to Kellen O'Dal, Protector of the Realm. In the meantime, Roshan is forced to work closely with Andreia M'Aldovar, a woman she once cared for who now holds a pivotal position in the Onotharian interim government. Andreia also guards a secret, one that if known could cost her life at the hands of either the Onotharians or the resistance. As the two women struggle to prevent annihilation, Roshan is given the only order she may not be able to obey, not even to save Gantharat—assassinate Andreia M'Aldovar.

With the fate of entire civilizations at risk, the galactic battleground makes for unusual alliances and unexpected passions as two women from very different worlds join forces.
