Kindred (Jefferson Tayte Genealogical Mystery Book 5)

In 1880 Dostoevsky completed *The Brothers Karamazov*, the literary effort for which he had been preparing all his life. Compelling, profound, complex, it is the story of a patricide and of the four sons who each had a motive for murder: Dmitry, the sensualist, Ivan, the intellectual; Alyosha, the mystic; and twisted, cunning Smerdyakov, the bastard child.

Frequently lurid, nightmarish, always brilliant, the novel plunges the reader into a sordid love triangle, a pathological obsession, and a gripping courtroom drama. But throughout the whole, Dostoevsky searches for the truth--about man, about life, about the existence of God. A terrifying answer to man's eternal questions, this monumental work remains the crowning achievement of perhaps the finest novelist of all time.
