

L'amicizia è Una Magia (Winx Club) (Friendship Series)

Quanto dura "per sempre" quando hai solo vent'anni? Quando tutta la tua vita ruota intorno a un'unica persona, cosa succede se la perdi dall'oggi al domani senza una spiegazione, senza nemmeno una parola? Caterina è tornata a Roma, il suo anno di studi in Florida si è concluso e la sua vecchia vita l'attende a braccia aperte. Una vita che le va ormai stretta, in una città che non le appartiene più da troppo tempo. Sono passati due anni da quell'ultima serata passata in riva al mare con Benjamin Carter e, nonostante non abbia mai più avuto sue notizie, il ricordo del ragazzo che ha amato più di se stessa continua a opprimerla. Ricominciare da capo non è semplice ma un cambiamento è d'obbligo. È così che inizia l'avventura di Caterina in Canada: lontana da tutti, lontana dai ricordi e pronta a ricominciare una nuova vita. Conoscere nuove persone, trovare un lavoro, aprire il suo cuore e lasciarsi andare di nuovo all'amore sembra un'impresa impossibile, finché due occhi nocciola impertinenti la stendono al primo sguardo. Mai avrebbe pensato che il suo cuore malconcio avrebbe ricominciato a battere per un altro uomo: eppure eccolo là, Julian Steinfield, elegante, raffinato, maturo; e la desidera più di ogni altra cosa al mondo. Ma quando il passato bussava alla porta e ti piomba addosso come fosse un ciclone impazzito, qual è la cosa giusta da fare? Chiudere la porta senza guardarsi indietro o lasciarsi travolgere dalla sua forza?

Don't miss this bold new reinvention of the classic animated Winx Club series! This is the first YA novel based on the new NETFLIX series Fate: The Winx Saga. It is a retelling of the first season packed with bonus scenes and character backstory not seen on the show. At the Alfea International School, students come from all over the Otherworld to train. To learn magic. To discover how to control their powers. Inside the school's castle, five students-complete strangers-are assigned as roommates: Aisha is an athlete and a classic overachiever whose control over water is the envy of her fellow students. Terra is an awkward do-gooder whose power over the natural world can overwhelm rivals unexpectedly. Musa is an introvert who keeps to herself so her mind isn't overwhelmed by the emotions of those around her. Stella is a princess - yes, a real princess - whose command over light inspires but also intimidates. And then there's Bloom, the outsider, the girl from the human world whose power over fire almost destroyed her family. These five

teenagers want what every teenager wants . . . to figure out who they are. To make friends. To fit in at their new school. But when an ancient, long-vanquished evil suddenly resurfaces outside the castle walls, these five teenagers be forced to put their powers to the test. And they'll discover a secret so powerful, it will challenge everything they know about the Otherworld . . . and themselves.

Introducing the Winx Club, bewitchingly beautiful teenage fairies with a passion for fashion and a flair for magic! Meet each of the Winx Club fairies and learn all about their world in Magix, including horoscopes, lucky charms, creating secret messages, beauty hints, yoga tips, witch vs. fairy quizzes and featuring an insert of nail appliqués of all five characters.

“Fabiola, la principessa delle fiabe” è la storia di una bambina di circa nove anni che scavalca una finestra per fuggire dalla solitudine, dai vuoti di una famiglia in crisi, dall'incomprensione, dalle finzioni. Il mondo che lei trova è quello che lei vede con i suoi occhi di bambina, con la sua fantasia, che dà alla realtà la sua veste magica, fino a quando realtà e fiaba si confondono sempre di più, tanto da assumere risvolti inquietanti, ma nello stesso tempo salvifici.

L'ambientazione è quella di una Matera di periferia, che reclama la sua voglia di verde da fiaba nei suoi giardini privati, nei cortili di quartiere, ma anche negli splendidi paesaggi naturali dell'altopiano della Murgia.

Caterina fa parte della Roma "bene": guida una macchina da snob, frequenta l'università privata più prestigiosa della sua città, il suo ragazzo è un nobile ed è circondata da una realtà frivola che le calza a pennello. O almeno è quello che ha sempre pensato, finché il padre non la convince a trasferirsi a Orlando per frequentare il secondo anno di università alla UCF dove sarà costretta a fare i conti con la sua vera natura. La sua vita verrà stravolta in meno di 24 ore senza che abbia nemmeno il tempo di smaltire il jet-lag. Le basterà posare gli occhi sul bel vicino di casa per rimettere in discussione la sua vita troppo perfetta e già programmata. «Lui è proprio il tipo di ragazzo dal quale devi stare alla larga», l'ammonisce suo padre non appena scendono dal taxi. Già, perché Benjamin Carter ha tutta l'aria del ragazzaccio che fa fare cose stupide alle ragazze intelligenti. Tutti credono che sia abituato a ottenere quello che vuole: le donne gli cadono letteralmente ai piedi, è il miglior studente del suo corso, ha fondato e canta in un gruppo rock che sta diventando sempre più popolare a Orlando. Cosa potrebbe mai volere di più dalla vita? Eppure manca qualcosa. Manca qualcuno capace di fargli

accettare che nella vita non è sempre per forza o tutto bianco o tutto nero, che gli tenga testa, che faccia cadere la maschera dietro la quale si nasconde da tutta la vita, perché è più facile così. E, a quanto pare, quel qualcuno ha due occhi gialli da gatta selvatica e un accento sexy da perdere la testa. Riuscirà a mettere da parte il suo carattere irruente per conquistare la bella straniera che lo tiene a debita distanza e che sembra essere caduta dal cielo proprio nel momento in cui aveva più bisogno di lei?

Madrid in the eighties, and Barcelona ten years later. In these two vibrant locales, Castaways follows the relationship between Alejandra and Julio against the backdrop of these poetic urban spaces where dreams, love, and uncertainty intertwine. Drawn to one another but constantly pushed or pulled in different directions by work, family, and life, Alejandra and Julio circle in and out of each other's lives, while first denying and then coming to accept the fact that by the time they are ready to love one another, the chance has already passed. Intensely emotive and poignant, this stunning graphic novel from Laura Pérez and Pablo Monforte depicts themes of maturity, responsibility, and human connection. Available in English for the first time with translation by Silvia Perea Labayen.

_____ A pocket-sized, unmissable essay on the importance of children's literature by the bestselling and award-winning author, Katherine Rundell. _____ 'It's a very short book but it packs a real punch... A real delight' - Financial Times 'Rundell is the real deal, a writer of boundless gifts and extraordinary imaginative power whose novels will be read, cherished and reread long after most so-called "serious" novels are forgotten' - Observer 'Rundell's pen is gold-tipped' - Sunday Times _____ Katherine Rundell - Fellow of All Souls College, Oxford, and prize-winning author of five novels for children - explores how children's books ignite, and can re-ignite, the imagination; how children's fiction, with its unabashed emotion and playfulness, can awaken old hungers and create new perspectives on the world. This delightful and persuasive essay is for adult readers.

This book broadens the scope of inquiry of neo-Victorian studies by focusing primarily on screen adaptations and appropriations of Victorian literature and culture. More specifically, this monograph spotlights the overlapping yet often conflicting drives at work in representations of Victorian heroines in contemporary film and TV. Primorac's close analyses of screen representations of Victorian women pay special attention to the use of costume and clothes, revealing the tensions between diverse theoretical interventions and generic (often market-oriented) demands. The author elucidates the push and pull between postcolonial critique and nostalgic, often Orientalist spectacle; between feminist textual interventions and postfeminist media images. Furthermore, this book examines neo-Victorianism's relationship with postfeminist media culture and offers an analysis of the politics behind onscreen treatment of Victorian gender roles, family structures, sexuality, and colonial space.

What do Eastern Europe's booming sex trade, America's subprime mortgage lending scandal, China's fake goods industry, and celebrity philanthropy in Africa have in common? With biopirates trolling the blood industry, fish-farming bandits ravaging the high seas, pornography developing virtually in Second Life, and games like World of Warcraft spawning online sweatshops, how are rogue industries transmuting into global empires? And will the entire system be transformed by the advent of sharia economics? With the precision of an economist and the narrative deftness of a storyteller, syndicated journalist Loretta Napoleoni examines how the world is being reshaped by dark economic forces, creating victims out of millions of ordinary people whose lives have become trapped inside a fantasy world of consumerism. Napoleoni reveals the architecture of our world, and in doing so provides fresh insight into many of the most insoluble problems of our era.

The past two decades have witnessed increasing opposition to mafia influence and activities in Italy. Community organizations such as Libera, founded in 1995, and Addiopizzo, originating in 2004, exemplify how Italian society has tried to come together to promote antimafia activities. The societal opposition to mafia influence continues to grow and the Internet has become a frontline in the battle between the two groups. The Italian Antimafia, New Media, and the Culture of Legality is the first book to examine the online battles between the mafia and its growing cohort of opponents. While the mafia's supporters have used Internet technologies to expand its power, profits, and violence, antimafia citizens employ the same technologies to recreate Italian civil society. The contributors to this volume are experts in diverse fields and offer interdisciplinary studies of antimafia activism and legality in online journalism, Twitter, YouTube, digital storytelling, blogs, music, and photography. These examinations enable readers to understand the grassroots Italian cultural revolution, which makes individuals responsible for promoting justice, freedom, and dignity.
